**The PDG Speak** Julius G. Mcallister,2014-07-02 Therefore we are of the view that the Dialectical Method is essential to understanding society so as to transform it, to assimilate the laws of social evolution with a view to mastering history and knowing nature in order to dominate it.... It is linked to no religion, Dialectics does not maintain that God does not exist; the Atheists make it say so. Spirituality is based upon the postulate that mind, a feature peculiar to man, could not therefore be a feature of nature itself. The mind alone explains, masters, and transforms matter. Therefore, the former does not depend on the latter. Ready For the Revolution
