**The Art of P. K. Irwin** Michèle Rackham Hall, 2016-11-29 At an early age, P. K. Page/Irwin displayed an aptitude for illustration, and even her juvenalia indicated a sharp, painterly eye. But it wasn't until she visited Brazil in the 1950s as wife of the Canadian ambassador, that she began to hone her artistic practice. Under her married name, P. K. Irwin, she produced a wide array of paintings, drawings and other artworks, experimenting with media and styles as she sought to develop her own visual aesthetic, and to reconcile her celebrated poetic identity with her more private, painterly one. In *The Art of P. K. Irwin*, Michèle Rackham Hall investigates the artist's creative development and examines the exotic locales and the wealth of accomplished peers who helped shape Irwin's artistic output. With rich biographical detail and extensive reference to Irwin's lyrical life writing, *The Art of P. K. Irwin* takes readers along on the artist's journey toward her own aesthetic, one in which place was her most potent muse, and exile her most fertile state.

**PK** Bob Haslam, 2012-02 Growing up as a preacher's kid (PK) is anything but easy-especially for a boy during the Great Depression when outhouses were plentiful and food was scarce. In scenes reminiscent of Tom Sawyer and Huckleberry Finn, Bob Haslam's life moved from one adventure to another. With his family living during the Great Depression on food stamps in the offering plate, plus living off the land, assisted by Pound Parties where church families brought in pounds of sugar, flour, etc., they somehow managed to survive. Coming of age under such circumstances was enhanced by moral and spiritual formation fostered by Bob's father and mother. As he grew into his teen years, Bob had a dream career all marked out. But God had other ideas.

You will find an amazing correlation between the current economic downturn with millions out of work, and the time the author writes about. Living in the Pacific Northwest where Japanese attacks were expected after Pearl Harbor, Bob gives you facts that were kept secret during World War II and are largely unknown by contemporary Americans. Follow Bob on his bumpy ride as a preacher's kid during one scrape after another, ultimately coming of age as a responsible young man. BIO Bob Haslam has served as a pastor, missionary educator, missions executive, editor of his denominational magazine, book editor, and online mentor for hundreds of writing students. His writing has appeared in 80 publications and 13 books.

**High Frequency Sight Words Gr. PK-2** Staci Marck, 2009-12-01 Sight words are words that must become automatically recognized by the reader because they are often not pronounced or spelled in regular ways. Our resource will increase sight word recognition, vocabulary and comprehension as students identify 130 Dolch sight words using real-life pictures as an aid. Write the sight word in the boxes that match the shape of the word. Boxes are used to help students come to understand that words can be recognized by the shapes of their letters, as they contain small, tall or hanging letters. Finish the sentence by matching the sight words with their boxes. Make sure that the words not only fit inside the boxes, but also make sense within the sentence. With 100 high-frequency words that make up almost 50% of everything we read as adults, having a bank of high frequency words is essential to building fluent reading skills. Aligned to your State Standards and written to Bloom's Taxonomy, reproducible writing tasks, sight word flash cards, crossword, word search, comprehension quiz and answer key are also included.

reading skills by highlighting the high frequency words essential for beginning readers. With our resource, students will begin to think of words as not only a series of individual letters and sounds, but as easily recognizable chunks of language. Make a word by adding an onset, like sn, to the rime, like ail. Then, say the word out loud. Finish a sentence by matching words, like sweep and keep, to the boxes that show tall and small letters. Read a sentence, like We like to glide down the wide slide, and circle all the words that rime. Then, write your own sentences using words that rime. Aligned to your State Standards and written to Bloom's Taxonomy, reproducible writing tasks, rime & onset cards, crossword, word search, comprehension quiz and answer key are also included.

**I was a P.K....** Rita Rangel, 2015-02-27 This is my story; how I came from a good Christian home and my perspective as a PK; of what it is to have Pastors for parents and the pragmatic challenges that are rarely talked about. I share chilling accounts of what goes on in a PK home that should be read by all. I am transparent in sharing my experience in hopes of bringing awareness to others about Pastor's and family life. What should have been a good, happy, balanced life being brought up in church and knowing better, went quite the opposite. I left my faith and lived a life with alcohol, drugs and a life of promiscuity. I later married my husband, who was a powerful ring leader of this ruthless prison gang. My activities inevitably ended me in jail with charges that should have left me to do "life without". I should

have died, but God had a purpose and a plan for my life all along. You won't be able to put this book down!

The Essential P. K. Page Patricia Kathleen Page, 2014-05-14 P. K. Page needs no introduction. This is a poet who writes in many genres and on an infinite number of subjects. The source of her poetry is always love -- whether in vivid portraits of her inner and outer landscapes; startling insights into the past, the present, the future; illumination of some tiny detail of ordinary life; or admonishments for our neglect of the earth and of each other. Page is an alchemist who turns language into pure gold, a magician who dazzles with sleight of mind. The Essential P. K. Page is perceptive, elegant, romantic (yet never sentimental), sometimes downright funny, wholly conscious.

**The Silent Cry of a P.K./L.K. (Preacher's & Leader's Kid)** Gladys Henderson-Williams, 2007-07-10 Every day, all over the world from the United States to Afghanistan to Zimbabwe, we experience an interesting phenomenon. People of all cultures, races, ages and stages of life have children. Children with an array of eye color. Children with varied hair color. Children who are short in stature, and those who are toall. Children who are scale tippers; and those who barely register any weight at all. All a wonderful mystery until they travel from the womb into the world, and then onto stages of life. But what if people could choose the family which they are birthed into. Like we choose who to marry, where to live or work, and even when to accept Chirst. Most choices we make have exit strategies in the event it doesnt work as planned. Why not a family?
