Adele Marion Fielde

The Pagoda Patricia Powell,1999 Mr. Lowe lives the simple and happy life of a contented shopkeeper. A Chinese immigrant to Jamaica in the 1890s, Lowe revels in the verdant surroundings of his adoptive land. But his mysterious past begins to confront Lowe in everything he does, and so his story emerges - the tale of his exile from China, his shipboard adventures, an unwanted pregnancy, and the arrangement of hidden identity that was made to avoid scandal. Lowe marries the beautiful widow Miss Sylvie as part of the arrangement, and their relationship is complex, vivid, and full of secrets. When his shop burns to the ground Lowe is forced to reckon with his past through the destruction of his disguises and the creation of a new dream: the building of a pagoda where culture and the past can be fully embraced. -- back cover.

Pagoda R. Karl Largent,1989 Carl Holton was enchanted by the exquisitely carved and jeweled teak miniature he found in a Burma bazaar. But he heeded the wizened merchant's ominous words and was wary of becoming mesmerized by its beauty. For Carl knew that as well as beauty, the pagoda possessed a horrifying evil.

Pagoda, Skull & Samurai Koda Rohan,2011-12-20 This collection of Japanese literature features the works of noted Japanese novelist Koda Rohan. Japanese literary history usually classifies Koda Rohan as an idealist writer, and the three stories included in this anthology belong to this genre. The Five-Storeyed Pagoda, one of Koda's best-known works, is the moving account of a misunderstood carpenter who has been inspired to undertake the construction of a pagoda by himself. It is not merely a story of individualism, however, for the religious implications of such a task are profound. Encounter with a Skull concerns a fortuitous meeting of two souls not necessarily ordained by karma. The multiple processes of enlightenment are perceptively depicted in this eerie tale. The last story, The Bearded Samurai, is an historical novella

whose setting is the sixteenth-century battle of Nagashino between the forces of Oda Nobunaga and Tokugawa Ieyasu and those of Takeda Katsuyori. Here, the human side of the warrior and a realistic view of the samurai are delineated. Such stories, in addition to the essays and notes by the translator, will prove of interest to the general reader and especially to the reader already familiar with Japanese literature.

The Fall of the Pagoda Eileen Chang, Ailing

Zhang, 2010-01-01 This is the first of two semi-autobiographical novels written originally in English which depict Chang's childhood years in Tianjin and Shanghai. The book introduces a young girl growing up amid many family entanglements with her divorced mother and spinster aunt during the 1930s.

The Magnificent Chinese Jade Pagoda Mae Chang

Koh, 2017-08-30 This is the story and background of how an orphan Chinese boy, with God's blessing, created the world-renowned Jade Pagoda and its priceless companion collection and how it was lost to not only 1.4 billion Chinese but also to the people of the United States and the world. The centerpiece of this jade collection is the Jade Pagoda that took the blood and sweat of 150 Chinese jade artisans over ten years to complete. It was carved from the largest jadeite boulder ever mined from a quarry in Northern Burma (Myanmar). These jade workers labored between 1922 and 1933 by hand-and-foot power, using only the crudest of tools to carve the most intricate spectacle in the world today. The pagoda was not only the lifetime realization of the dream of jade connoisseur Chang Wen Ti but also an intended icon for world peace and friendship that Chang had so fervently promoted. The city of Oakland was chosen as the recipient of the largest gift ever donated by one family as a gesture of goodwill between the Chinese and the Americans on behalf of the Chinese people. This pagoda has been rightfully called the eighth wonder of the world by its many admirers and those who have viewed it in person. This book is about the magnificent Jade Pagoda and the

man who brought it to fruition.

Pagoda Philip Atlee, 2021-03-02 A moneymaking scheme in Burma proves more dangerous than the jungle itself in the first action novel featuring Joe Gall by the Edgar Award finalist. Down on his luck in Rangoon, Joe Gall agrees to partner up with an old acquaintance named Varley for a chance to make millions in the jungles of war-torn Burma. Gall expected the scheme to involve fists and guns—but when he discovers Varley’s working both sides, it’s every man for himself . . . Originally published under the name James Atlee Phillips, *Pagoda* marked the first appearance of Joe Gall, the fearless freelance operative whose many adventures would take him around the world—and straight into danger. “[Philip Atlee is] the John D. MacDonald of espionage fiction.” —Larry McMurtry, *The New York Times* “I admire Philip Atlee’s writing tremendously.” —Raymond Chandler

Told on the Pagoda: Tales of Burmah Mimosa, 2022-11-21 Mimosa's work, *Told on the Pagoda: Tales of Burmah*, is a literary classic. This book comprises tales from the Burmese people's old oral traditions. They were linked with early American missionaries who regarded them as a window into the Burmese culture and heart. The tale in this book is significant not just as a glimpse of individuals long forgotten, but also as a key to today's Myanmar men and women. The stories in this book are more than just old children's tales. They are also historical markers of a time and place, pointing back to a nation's pre-history and ahead to the Burmese people of the 21st century. These narratives are distinctive, exotic, and new, and will appeal to readers as children's stories, folklore, or cultural relics. Regardless of how we organize these stories, they are given here for your delight.

View from Pagoda Hill Michaela Maccoll,2021-04-06 Set in the late 1800s, here is the story of Ning, a Chinese American girl who struggles to find her place in the world when she is forced to leave her home in Shanghai to go live in America with a father she barely knows. This middle-grade historical novel is based on the family history of award-winning author Michaela MacColl. Twelve-year-old Ning doesn't know where she belongs. The daughter of a Chinese woman and American man, Ning doesn't fit in in 1870s Shanghai, where her American features and unbound feet make her stand out. When she receives news that her father will be visiting from America, Ning excitedly hopes that her parents will become a family. Instead, she learns that her father is taking her back with him to America. Ning wonders if being American will finally give her a sense of belonging, but when she arrives, she discovers that living in America isn't perfect either. In this coming-of-age novel based on the life of author Michaela MacColl's great-

great-great-grandmother, a young girl learns to accept both sides of her heritage and find a new identity for herself.

Dragons & Pagodas Aldous Bertram,2021-09-21 A gorgeously illustrated survey of chinoiserie from the 18th century to today Chinoiserie is a term for Western art and design inspired by a largely invented vision of China. Marco Polo's sensational account of his visit to the exotic East in the 13th century sparked a fascination with China that reached a fever pitch in the 18th century and continues to this day. Art historian and artist Aldous Bertram has long been captivated by chinoiserie. *Dragons & Pagodas* is organized by theme, including porcelain, color and pattern, flora, fauna, and architecture. Each chapter is bursting with images ranging from grand European summer palaces and whimsical pagoda follies to charming details of screens, porcelain figurines, and ornate plasterwork. Complete with Bertram's own chinoiserie-inspired watercolors and collages, *Dragons & Pagodas* is an irresistible confection and an example of chinoiserie in its own right. -Cloth bound with edge stain
