**Pepi and I** Jitka Schieff,2022-05-31 Does freshly deceased rat taste better than frozen steak? Can dogs weed a flowerbed? Does the Universe provide free birthday cakes in a park? As soon as Jitka and her fiancé buy a house, it’s time for Jitka to fulfil her long-time dream: to have a faithful, cute, furry friend, capable of true, unconditional love. The new addition to their family is strong-willed, with a clear focus on his own wants. He displays daily his obvious love of all the things the world so generously provides for him, especially if it tastes good, or at least is not completely inedible. Not aware yet that a dramatic turn of events is just around the corner, Jitka and her fiancé are enjoying life with the many surprising and frequently comical situations that Pepi drags them into. As life, so often unpredictable, can change laughter into tears, joy into fear and vice-versa, Jitka’s secure world is turned upside down and she is hurtling down the roller coaster with Pepi by her side. Will they make it? These are life lessons – powerful, maybe, but always entertaining.

**Pepi and the Secret Names** Jill Paton Walsh,2009-08-25 Prince Dhutmose has commanded a splendid tomb to be built for his final journey to the Land of the Dead. Pepi's father is to decorate it, but how can he paint the unimaginable - the Lions of the Horizon, the terrible gods Horus the Hawk and Sebek the crocodile, and Mertseger the deadly Winged Cobra? Pepi decides to find real-life models for his father, using his knowledge of secret names. In this enthralling, magically illustrated story, young readers can solve the secret names for themselves, using a simple hieroglyphics key to enter the mysterious world of ancient Egypt.

**Egyptian Art in the Age of the Pyramids** Metropolitan Museum of Art (New York, N.Y.),1999 The Egyptian Old Kingdom (c. 2650-2150 BC) was an era of extraordinary artistic achievement-the period that gave us the Sphinx and the pyramids as well as a rich legacy of private tombs, wall paintings, reliefs, statuary, jewelry, and decorative arts. This book, the companion volume to a major traveling exhibition organized by New York's Metropolitan Museum of Art and the Louvre in Paris, showcases the most impressive assemblage of Egyptian art and artifacts since the Tutankhamun exhibition of the late 1970s. Scholarly essays and 650 illustrations bring to life a remarkable panoply of Old Kingdom objects-temple and tomb reliefs, striking gold jewelry, handsome stone vessels, monumental statues, stelae, and exquisite statuettes. Together, text and images create a stunning tribute to the world of the Pharaohs--Publisher's description.

**The ABCs of Public Education** John J. Pepi, Sr.,2021-06 The ABCs of Public Education tells a story about how bullying affects not only the educator going through the abuse, but also the students and the whole educational community. It will put you in the shoes of the educator to experience what he and his family went through, from the torment of destroying his name to the assassination of his character. The story also brings a message of hope-that no matter what happens to you, there is an opportunity to recognize the narcissist agenda and learn to fight back. The events of this story could happen at any place of employment, but through the heat of the battle, you too can become victorious. It is up to us to place narcissist behavior on notice and change the mindset within our workforce, and this book will show you how.
