Inspired by watching an episode of Oprah about writing down one’s feelings, Tyler did just that. Through his writing skills, he developed the character Medea, whom he also plays in his movies. With many movies under his belt, and his own television series, Tyler Perry’s House of Pain, he has become a huge success that has brought him numerous awards. He donates much of his time and money to charities. His belief in God and his love of family help him to believe in himself and to overcome any obstacles set before him.

 [P] **INTERPRETING TYLER PERRY** JAMEL SANTA CRUZE BELL, RONALD L. JACKSON II, 2013-10-23 Tyler Perry has become a significant figure in media due to his undeniable box office success led by his character Madea and popular TV sitcoms House of Payne and Meet the Browns. Perry built a multimedia empire based largely on his popularity among African American viewers and has become a prominent and dominant cultural storyteller. Along with Perry’s success has come scrutiny by some social critics and Hollywood well-knowns, like Spike Lee, who have started to deconstruct the images in Perry’s films and TV shows suggesting, as Lee did, that Perry has used his power to advance stereotypical depictions of African Americans. The book provides a rich and thorough overview of Tyler Perry’s media works. In so doing, contributors represent and approach their analyses of Perry’s work from a variety of theoretical and methodological angles. The main themes explored in the volume include the representation of (A) Black authenticity and cultural production, (B) class, religion, and spirituality, (C) gender and sexuality, and (D) Black love, romance, and family. Perry’s critical acclaim is also explored.

 [P] **PERRY COUNTY** ELEANOR C. DRAKE, 2010 Perry County has been a major player in the history of Alabama. Native Americans lived and hunted on its land, and it became a county before Alabama gained statehood. Early citizens chose to name it for Oliver Hazard Perry, a hero of the War of 1812. The people of Perry County have played major roles over the years, which include the following: one married Sam Houston; one served as Alabama’s first governor during the Civil War; one designed the Confederate flag and uniform; one married Martin Luther King; one was slain by a state trooper, triggering the Selma-to-Montgomery march; and another was the wife of Andrew Young. Along with its history, Perry County is an educational center and the location of many homes that predate the Civil War. Images of America: Perry County features samples of its rich history in photographs.
