Hugh Rank

The Art of the Pitch Peter Coughter, 2016-09-29 Through an engaging and humorous narrative, Peter Coughter presents the tools he designed to help advertising and marketing professionals develop persuasive presentations that deliver business. Readers will learn how to develop skills to create the perfect presentation.

*The Pitch* Hugh Rank, 1991 This book probes the ways ads persuade people to purchase, and attempts to teach individuals to become more discerning consumers. Critical thinking, when applied to analyzing ads, benefits consumers by helping them recognize patterns of persuasion and sort incoming information in order to get to the hidden message. The book's basic premise is that all people are benefit-seekers and persuaders are benefit-promisers. There are four dynamics of benefit-seeking behaviors: (1) protection, or keeping a perceived good; (2) relief, or getting rid of a perceived bad; (3) acquisition, or getting a new good; and (4) prevention, or avoiding getting a new bad. The book identifies a five-part strategy of the basic pattern of advertising (Hi, Trust Me, You Need, Hurry, Buy), discusses the vocabulary of advertising, and provides exercises, discussion topics, and quiz sheets as learning and assessment tools. **One Perfect Pitch: How to Sell Your Idea, Your Product, Your Business--or Yourself** Marie

Perruchet, 2016-03-25 What's YOUR story? In the hypercompetitive world of Silicon Valley, this question has replaced "What's your pitch?" It's another way of asking, "Who are you?" The art of the pitch is nothing short of a survival skill. If an entrepreneur can't convince an investor in 10 minutes that a business idea has potential, that is often the end of it. If a project manager in a large enterprise can't win support from other stakeholders, his or her project is at risk. You always need to be selling yourself, pitching your partners or your clients to work with you, or pitching what makes your new business an exciting and worthwhile investment. You may not realize it right now, but you do have a one-of-a-kind story to tell, one that makes you stand out from everyone else—a unique tale that makes you, your product, or your business unforgettable. In *One Perfect Pitch*, Marie Perruchet will help you discover it, hone it, and present it, so that you get buy-in from colleagues and potential investors. Learn:

- How to mine the worst experiences of your life for your pitch
- How to tell me, show me, and sign me up in one minute
- How to make a good impression through any medium
- The dos and don'ts of pitching etiquette—and how to correct common mistakes
- The unspoken rules in Silicon Valley

A former mentor at 500 Startups, where she was a pitching coach to world-changing companies at one of the largest incubators in the U.S., Perruchet shares her proven methodology, insider advice, and hands-on exercises. She provides a step-by-step framework that ensures you are pitch perfect whenever you need to sell an idea, a product, a business—or yourself. Marie Perruchet is the founder of One Perfect Pitch, a San Francisco-based consulting

firm. Drawing on her experience as a BBC journalist and news correspondent, she works with business executives to shape their stories and deliver effective pitches. As a former mentor at 500 Startups, the largest accelerator program in the U.S., she helped prepare startup founders and entrepreneurs for Demo Day, when they pitch venture capital funds and angel investors. Fast Pitch Nic Stone, 2021-08-31 From #1 New York Times bestselling author Nic Stone comes a challenging and heartwarming coming-of-age story about a softball player looking to prove herself on and off the field. Shenice Lockwood, captain of the Fulton Firebirds, is hyper-focused when she steps up to the plate. Nothing can stop her from leading her team to the U12 fast-pitch softball regional championship. But life has thrown some curveballs her way. Strike one: As the sole team of all-brown faces, Shenice and the Firebirds have to work twice as hard to prove that Black girls belong at bat. Strike two: Shenice's focus gets shaken when her great-uncle Jack reveals that a career-ending—and family-name-ruining—crime may have been a setup. Strike three: Broken focus means mistakes on the field. And Shenice's teammates are beginning to wonder if she's captain-qualified. It's up to Shenice to discover the truth about her family's past—and fast—before secrets take the Firebirds out of the game forever.

*The Levitan Pitch. Buy This Book. Win More Pitches* Peter Levitan, 2014-08-28 *The Levitan Pitch. Buy This Book. Win More Pitches.* is the definitive how-to guide for every advertising, design, digital and

PR agency that wants to increase its odds of winning new accounts. Based on 30 years of pitching for new accounts, I know that there is no such thing as a standard marketing services pitch scenario. Every client category, assignment, timetable, budget, search consultant, procurement system, and client personality is unique. However... While there is no standard pitch or agency, I know from experience that there are universal pitch criteria that can be identified and addressed regardless of the type or size of client, specific marketing objectives, or agency. To that extent, The Levitan Pitch is designed to deliver one master benefit: You will win more new clients. In Chapter One of this book, I discuss the very high cost of failing to run well-crafted, efficient pitches. The costs of failure include poor agency staff morale, individual employee burnout, and the financial cost to an agency's bottom-line that comes from the cost of participating in four-month agency searches and funding an agency's annual business development plan. This chapter tells the story of Saatchi & Saatchi Advertising's The Worst Advertising Pitch Ever. Chapter Two offers an escape hatch. You should not pitch every account that comes knocking. I give you a handy tool to gauge both the value of the prospective client and your agency's chances of winning. Chapter Three begins to help you position the pitch for success. We look at the essential facts of the pitch and dig into understanding the client's mindset by understanding the type of assignment, type of relationship they are looking for, and what type of agency will fulfill their needs. Chapter Four delivers the list of The 12 Deadliest Presentation Mistakes. These are identified pitch killers that come from my personal experience and the experiences of agency CEO's, clients, and search consultants. The accompanying cartoons wouldn't be as funny if these mistakes were not being made over and over, even by the most sophisticated agencies. In Chapter Five I

lay out thirty short but very sweet suggestions for how to build a brilliant presentation that I know will greatly increase your odds of winning. These ideas cover three core elements of a successful pitch: process management, content development, and how to deliver a standout presentation. Each rule is supported by a tip or insight that offers a fast way to achieve your objectives. Chapter Six is all about don't take my word for it. This chapter brings in valuable learning via fourteen interviews with a range of communications industry experts. It is informative and often mind-blowing to hear the pitch related experiences and advice of agency search consultants, compensation experts, an ex P&G procurement executive, a negotiation trainer, the 4A's, the Association of National Advertisers, a silicon valley presentation guru, a leading agency strategist, an ex-Nike and W+K executive on building chemistry, an IP lawyer on who actually owns your pitch ideas, the CEO of a London advertising agency, and the CEO of an independent agency network who has been on both sides of the table. Finally, I've included insights about all too common agency pitch mistakes from 16 of the world's leading search consultants. I hope that you will find the book informative, insightful, occasionally humorous, and most importantly, a good read that ultimately results in more wins for your company.

**Beyond the Red** Ava Jae, 2016-03-01 Alien queen Kora has a problem as vast as the endless crimson deserts. She's the first female ruler of her territory in generations, but her people are rioting and call for her violent younger twin brother to take the throne. Despite assassination attempts, a mounting uprising of nomadic human rebels, and pressure to find a mate to help her rule, she's determined to protect her people from her brother's would-be tyrannical rule. Eros is a rebel soldier hated by aliens and human alike for

being a half-blood. Yet that doesn't stop him from defending his people, at least until Kora's soldiers raze his camp and take him captive. He's given an ultimatum: be an enslaved bodyguard to Kora, or be executed for his true identity—a secret kept even from him. When Kora and Eros are framed for the attempted assassination of her betrothed, they flee. Their only chance of survival is to turn themselves in to the high court, where revealing Eros's secret could mean a swift public execution. But when they uncover a violent plot to end the human insurgency, they must find a way to work together to prevent genocide.

You Get What You Pitch For Anthony Sullivan, Tim Vandehey, 2017-09-12 TV's most popular pitchman reveals the secrets of pitching to get what you want in virtually any situation. Anthony Sully Sullivan went from selling car washers in rainy Welsh street markets to selling to audiences of millions around the world as the face of OxiClean. How did he do it? Convincing people to give you what you want is an art form that takes charisma and confidence. But no great pitchman achieves success based on those

qualities alone. The good ones make themselves great with practice and discipline, mastering a series of skills that Sullivan dubs the ten Pitch Powers. These are essential techniques he's learned in more than twenty-five years on the joint (that's pitchman-speak for the area where you're selling). For the first time ever, Sullivan reveals the secrets behind his seemingly superhuman ability to persuade others--even if they start out regarding you with suspicion or even hostility. Do it right and you'll change minds, open doors, get opportunities, turn adversaries into allies, make more money, and gain the kind of confidence that makes other people want to know you. From the first Pitch Power (Know Your Acceptable Outcomes) to the last (Finish with Confidence)--with invaluable strategies along the way on using your flubs to get a laugh, how to deal with push-back, and more--Sullivan reveals that pitching is all about engaging a person face-to-face and eye-to-eye so they feel like you're speaking directly to them, even if there are fifty other people in the room. It's turning a crowd of strangers with their arms folded into a legion of fans ready to say yes enthusiastically to whatever you propose, what Anthony Sullivan calls fierce agreement. It's the power to get the job, get the girl (or guy), get the part, make money, get better service, advance your career--do just about anything you want to do.

**The Pitch** Belinda Williams, 2015-05-28 To Do List: 1. Win the biggest business pitch in my company's history 2. Pretend I'm not crushing on my gorgeous mentor big time 3. Whatever happens, do NOT kiss him My girlfriends think I'm married to my business. They'll do whatever it takes, from speed dating to blind dates, to prove to me that there's more to life than my career. But who cares if I haven't been on a date in four years? All my hard work is about to pay off when my marketing agency lands the biggest

account in its history—we’ve just got to win it first. My father has arranged for the mysterious Paul Neilsen to mentor me through the pitching process. He’s a media mogul who likes to keep a low profile, but he’s nothing like I expected. He’s attractive, in an I’m-finding-it-hard-to-concentrate-on-my-work sort of way. He also understands me, and I’m confiding in him more than is strictly professional. But getting involved with Paul could ruin the biggest opportunity in my company’s history, although try telling that to my heart. It obviously didn’t read the company memo. As for what happens next . . . Well, that definitely wasn’t in my business plan . . .
