Where Are the Women Architects? Despina Stratigakos, 2016-04-12 A timely and important search for architecture's missing women For a century and a half, women have been proving their passion and talent for building and, in recent decades, their enrollment in architecture schools has soared. Yet the number of women working as architects remains stubbornly low, and the higher one looks in the profession, the scarcer women become. Law and medicine, two equally demanding and traditionally male professions, have been much more successful in retaining and integrating women. So why do women still struggle to keep a toehold in architecture? *Where Are the Women Architects?* tells the story of women's stagnating numbers in a profession that remains a male citadel, and explores how a new generation of activists is fighting back, grabbing headlines, and building coalitions that promise to bring about change. Despina Stratigakos's provocative examination of the past, current, and potential future roles of women in the profession begins with the backstory, revealing how the field has dodged the question of women's absence since the nineteenth century. It then turns to the status of women in architecture today, and the serious, entrenched hurdles they face. But the story isn't without hope, and the book documents the rise of new advocates who are challenging the profession's boys' club, from its male-dominated elite prizes to the erasure of women architects from Wikipedia. These advocates include Stratigakos herself and here she also tells the story of her involvement in the controversial creation of Architect Barbie. Accessible, frank, and lively, *Where Are the Women Architects?* will be a revelation for readers far beyond the world of architecture.

A City Is Not a Computer Shannon Mattern, 2021-08-10 A bold reassessment of smart cities that reveals what is lost when we conceive of our urban spaces as computers Computational models of urbanism—smart cities that use data-driven planning and algorithmic administration—promise to deliver new urban efficiencies and conveniences. Yet these models limit our understanding of what we can know about a city. *A City Is Not a Computer* reveals how cities encompass myriad forms of local and indigenous intelligences and knowledge institutions, arguing that these resources are a vital supplement and corrective to increasingly prevalent algorithmic models. Shannon Mattern begins by examining the ethical and ontological implications of urban technologies and computational models, discussing how they shape and in many cases profoundly limit our engagement with cities. She looks at the methods and underlying assumptions of data-driven urbanism, and demonstrates how the city-as-computer metaphor, which undergirds much of today's urban policy and design, reduces place-based knowledge to information processing. Mattern then imagines how we might sustain institutions and infrastructures that constitute more diverse, open, inclusive urban forms. She shows how the public library functions as a steward of urban intelligence, and describes the scales of upkeep needed to sustain a city's many moving parts, from spinning hard drives to bridge repairs. Incorporating insights from urban studies, data science, and media and information studies, *A City Is Not a Computer* offers a visionary new approach to urban planning and design.

#Carlos's Places Carlos Souza, 2014-09 Carlos Souza, Worldwide Brand Ambassador for Valentino, is constantly traveling. From New York to São Paulo to Shanghai, he shares a colorful guide to his favorite destinations overflowing with food, fashion, art, and life. Much more than simply an address book, *Curious* is framed by Souza's personal experience and wanderlust, and offers an exclusive insider's look at some of the world's chicest cities, complete with recommendations for old favorites and new classics. *Curious* is an effervescent handbook for the seasoned globetrotter in search of a lively travel companion.

Barefoot Books Amazing Places Miralda Colombo, 2020 Explore the stories of

fifteen incredible landmarks, from Angkor Wat to Stonehenge to the Colosseum, in this comprehensive illustrated guide. Readers will get to know the people who built these places of wonder, the best ways to visit them and their mysteries that still puzzle historians today.

Broken Places Tracy Clark, 2023-11-07 Includes an excerpt from the next Cass Raines Mystery *Borrowed Time* (pages 421-436).

50 Great American Places Brent D. Glass, 2016-03-15 A one-of-a-kind guide to fifty of the most important cultural and historic sites in the United States guaranteed to fascinate, educate, and entertain—selected and described by the former director of the Smithsonian’s National Museum of American History. From Massachusetts to Florida to Washington to California, *50 Great American Places* takes you on a journey through our nation’s history. Sharing the inside stories of sites as old as Mesa Verde (Colorado) and Cahokia (Illinois) and as recent as Silicon Valley (California) and the Mall of America (Minnesota), each essay provides the historical context for places that represent fundamental American themes: the compelling story of democracy and self-government; the dramatic impact of military conflict; the powerful role of innovation and enterprise; the inspiring achievements of diverse cultural traditions; and the defining influence of the land and its resources. Expert historian Brent D. Glass explores these themes by connecting places, people, and events and reveals a national narrative that is often surprising, sometimes tragic, and always engaging—complete with photographs, websites for more information, and suggestions for other places nearby worth visiting. Sites you would expect to read about—in Boston, New York, and Washington, DC—are here, as well as plenty of surprises, such as the Palace of the Governors in Santa Fe, or Ebenezer Baptist Church in Atlanta, or the Village Green in Hudson, Ohio; less obvious places that, together with the more well-known destinations, collectively tell the story of America. For families who want to take a trip that is both educational and entertaining, for history enthusiasts, or anyone curious about our country’s greatest places, this book is the perfect guide.

Off the Beaten Path, 2003 Thoroughly updated, this handbook spotlights over 1,000 of America's most overlooked must-see destinations in a state-by-state, A-Z format. 300 color photos.

Empty Places Kathy Cannon Wiechman, 2016-04-15 It is 1932, in Harlan County, Kentucky. Times are tough in the mining community, especially for thirteen-year-old Adabel Cutler's family. As they fight to survive, Adabel has to figure out her own identity while dealing with her volatile father, her dutiful sister, her defiant brother, and her mother's disappearance, which she can't seem to remember. This is a beautifully written and deeply felt coming-of-age novel by the acclaimed author of *Like a River*. Includes an author's note, bibliography, and archival images.

Heavenly Places Kimberly Cash Tate, 2008 Walk Worthy Press, endorsed by T.D. Jakes, releases another compelling novel featuring Treva Langston who loses her high-powered job and must move back to her home town. Only God can help her start a new life in an all too familiar place!

The Hollow Places T. Kingfisher, 2020-10-06 A young woman discovers a strange portal in her uncle’s house, leading to madness and terror in this gripping new novel from the author of the “innovative, unexpected, and absolutely chilling” (Mira Grant, Nebula Award-winning author) *The Twisted Ones*. Pray they are hungry. Kara finds the words in the mysterious bunker that she’s discovered behind a hole in the wall of her uncle’s house. Freshly divorced and living back at home, Kara now becomes obsessed with these cryptic words and starts exploring this peculiar area—only to discover that it holds portals to countless alternate realities. But these places are haunted by creatures that seem to hear thoughts...and the more one fears them, the stronger they become. With her distinctive “delightfully fresh and subversive” (SF Bluestocking) prose and the strange, sinister

wonder found in Guillermo del Toro's Pan's Labyrinth, The Hollow Places is another compelling and white-knuckled horror novel that you won't be able to put down.

The Most Beautiful Places in the World Rebo International,2008-02-01 This beautiful pictorial publication offers you a journey all around the world...-- Back cover.

Performing Tourist Places Jørgen Ole Bærenholdt,Michael Haldrup,John Urry,2017-07-05 This book looks at the making and the consuming of places in the contemporary world. Illustrated through various case-studies from Denmark, it considers how places, performances and peoples intersect. It examines the fascinating circumstances through which visitors to a place, in part, produce that place through their performances. Places are intertwined with people through various systems that generate and reproduce performances in and of that place. These systems comprise networks of 'hosts, guests, buildings, objects and machines' that contingently realize particular performances of specific places. The studies featured here develop an exciting 'new mobility' paradigm emerging within the social sciences.

The Nesting Place Myquillyn Smith,2014-04-29 Create the home--and life--you've always wanted with the help of popular blogger and author of Cozy Minimalist Home Myquillyn Smith (The Nester) as she helps you free yourself to take risks and find beauty in imperfection. Myquillyn Smith is all about embracing reality--especially when it comes to decorating a home bursting with kids, pets, and all the unpredictable messes of life. In The Nesting Place, Myquillyn shares the secrets of decorating for real people--and it has nothing to do with creating a flawless look to wow your guests and everything to do with making peace with the natural imperfection and joy of daily living. Drawing on her years of experience creating beauty in her 13 different homes and countless seasons of life, Myquillyn will show you how to think differently about the true purpose of your home, and simply and creatively tailor it to reflect you and your unique style--without breaking the bank. Full of simple steps, practical advice, and beautiful, full-color photos, The Nesting Place gives you the tools you need to: Cultivate a home that works for you and your family Transform your home into a place that's inviting and warm for family and friends Discover your own personal style There is beauty in embracing the lived-in, loved-on, and just-about-used-up aspects of our homes and our daily lives--let Myquillyn show you how. Praise for The Nesting Place: This book made me look at every room in my house differently, with a new lens of creativity and beauty and possibility. It inspired me to reclaim my home as sacred space, ripe with opportunities to celebrate and create memories and moments. --Shauna Niequist, New York Times bestselling author of Present Over Perfect and I Guess I Haven't Learned That Yet This highly personal account about embracing imperfection and finding contentment in your home is like sitting down with a good friend and talking about the stuff that really matters. The Nesting Place is full of approachable ideas, encouragement, and a whole lot of heart. --Sherry Petersik, home blogger; bestselling author of Young House Love

Delicious Places Gestalten,2019-03-28 Contemporary food goes way beyond avocado and quinoa salads. Delicious Places presents the new wave of cafés, restaurants and entrepreneurs that are writing a fresh chapter on culinary culture. Food culture has come a long way. New restaurants, bars and cafés are born out of fresh ideas that, with a clever twist, lead to an unprecedented culinary experience that balances location and concept--and ultimately influences a new world of food. Delicious Places collects the examples that execute the business idea in the best possible way. Single-dish restaurants, traditional -pasticcerias, fisherman cooperatives with the freshest produce or high-end restaurants in the mountains. They offer a unique experience that starts the moment you set foot in the door and spans from the interiors to the branding, and behind the scenes to the supply chains and sustainable procedures. Take a seat at the table and feast your senses one by one--the mind will follow.

Civil War Places Gary W. Gallagher, J. Matthew Gallman, 2019-02-08 Much has been written about place and Civil War memory, but how do we personally remember and commemorate this part of our collective past? How do battlefields and other historic places help us understand our own history? What kinds of places are worth remembering and why? In this collection of essays, some of the most esteemed historians of the Civil War select a single meaningful place related to the war and narrate its significance. Included here are meditations on a wide assortment of places--Devil's Den at Gettysburg, Hollywood Cemetery in Richmond, the statue of William T. Sherman in New York's Central Park, Burnside Bridge at Antietam, the McLean House in Appomattox, and more. Paired with a contemporary photograph commissioned specifically for this book, each essay offers an unusual and accessible glimpse into how historians think about their subjects. In addition to the editors, contributors include Edward L. Ayers, Stephen Berry, William A. Blair, David W. Blight, Peter S. Carmichael, Frances M. Clarke, Catherine Clinton, Stephen Cushman, Stephen D. Engle, Drew Gilpin Faust, Sarah E. Gardner, Judith Giesberg, Lesley J. Gordon, A. Wilson Greene, Caroline E. Janney, Jacqueline Jones, Ari Kelman, James Marten, Carol Reardon, Aaron Sheehan-Dean, Brenda E. Stevenson, Elizabeth R. Varon, and Joan Waugh.

The Scary Places Map Book Barbara G. Hennessy, Erwin Madrid, 2012 A whimsical tour of seven spooky locations introduces basic map-reading skills and highlights fun-filled points of interest, from Dracula's Castle to Dr. Frankenstein's laboratory, on maps of such places as the Wicked Woods, a Ghostly Galleon and the Western Terror-tories. By the author of *The Once Upon a Time Map Book*.

Breathless Jennifer Niven, 2022-05-03 From the #1 New York Times bestselling author of *All the Bright Places* comes an unforgettable summer novel, set on an island off the coast of Georgia, about a sensitive girl ready to live her bravest life--sex, love, heartbreak, and all. Before: With graduation on the horizon, budding writer Claudine Henry is focused on three things: college in the fall, become a famous author, and the ever-elusive possibility of sex. She doesn't even need to be in love--sex is all she's looking for. Then her dad drops a bombshell: he and Claude's mom are splitting up. Suddenly, Claude's entire world feels like a lie, and the ground under her feet anything but stable. After: Claude's mom whisks them both away to a remote, mosquito-infested island off the coast of Georgia, a place where the two of them can start the painful process of mending their broken hearts. It's the last place Claude can imagine finding her footing, but then Jeremiah Crew happens. Miah is a local trail guide with a passion for photography, and a past he doesn't like to talk about. He's brash, enigmatic, and even more infuriatingly, he's the only one who seems to see Claude for who she wants to be. So when Claude decides to sleep with Miah, she tells herself it's just sex--exactly what she has planned. There isn't enough time to fall in love, especially if it means putting her already broken heart at risk. Compulsively readable and impossible to forget, Jennifer Niven's luminous new novel is an insightful portrait of a young woman determined to write her own next chapter--sex, resilience, mosquito bites, and all.

All the Bright Places Jennifer Niven, 2016-09-13 NOW A NETFLIX FILM, STARRING ELLE FANNING AND JUSTICE SMITH! The New York Times bestselling love story about two teens who find each other while standing on the edge. And don't miss *Take Me with You When You Go*, Jennifer Niven's highly anticipated new book with bestselling author David Levithan! Theodore Finch is fascinated by death. Every day he thinks of ways he might kill himself, but every day he also searches for—and manages to find—something to keep him here, and alive, and awake. Violet Markey lives for the future, counting the days until graduation, when she can escape her small Indiana town and her aching grief in the wake of her sister's recent death. When Finch and Violet meet on the ledge of the bell tower at school—six stories above the ground— it's unclear who saves whom. Soon it's

only with Violet that Finch can be himself. And it's only with Finch that Violet can forget to count away the days and start living them. But as Violet's world grows, Finch's begins to shrink. . . . "A do-not-miss for fans of Eleanor & Park and The Fault in Our Stars, and basically anyone who can breathe." —Justine Magazine "At the heart—a big one—of All the Bright Places lies a charming love story about this unlikely and endearing pair of broken teenagers." —The New York Times Book Review "A heart-rending, stylish love story." —The Wall Street Journal "A complex love story that will bring all the feels." —Seventeen Magazine "Impressively layered, lived-in, and real." —Buzzfeed

In-between Places Diane Glancy, 2005 There is a map you decide to call a book. A book of the territories you've traveled. A map is a meaning you hold against the unknowing. The places you speak in many directions. For Diane Glancy, there are books that you open like a map. In-between Places is such a book: a collection of eleven essays unified by a common concern with landscape and its relation both to our spiritual life and to the craft of writing. Taking readers on a trip to New Mexico, a voyage across the sea of middle America, even a journey to China, Glancy has crafted a sustained meditation on the nature and workings of language, stories, and poems; on travel and motion as metaphors for life and literature; and on the relationships between Native American and Judeo-Christian ways of thinking and being in the world. Reflecting on strip mines in Missouri (as long as there is anything left to take, human industry will take it) and hog barns in Iowa (writing about them from the hogs' perspective), Glancy speaks in the margins of cross-cultural issues and from the places in-between as she explores the middle ground between places that we handle with the potholder of language. She leaves in her wake a dance of words and the structures left after the collision of cultures. A writer who has often examined her native heritage, Glancy also asks here what it means to be part white. What does whiteness look like viewed from the other, especially when that other is also within oneself? And in considering the legacy of Christianity, she ponders how it is when the Holy Ghost enters your life like a brother-in-law you know is going to be there a while. Insightful and provocative, In-between Places is a book for anyone interested in a sense of place and in the relationship between religion and our stance toward nature. It is also a book for anyone who loves thoughtful writing and wishes to learn from a modern master of language.

The Wild Places Robert Macfarlane, 2009-07-02 Are there any genuinely wild places left in Britain and Ireland? Or have we tarmacked, farmed and built ourselves out of wildness? In his vital, bewitching, inspiring classic, Robert Macfarlane sets out in search of the wildness that remains.

Places Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Places**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

While this might not be the Places full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Places eBooks, including some popular titles.

FAQs About Places Books

What is a Places PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Places PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Places PDF?** Editing a PDF can be

done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Places PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Places PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
