*The Pocket* Barbara Burman,Ariane Fennetaux,2020-04-24 A New York Times Best Art Book of 2019 “A riveting book . . . few stones are left unturned.”—Roberta Smith’s “Top Art Books of 2019,” The New York Times This fascinating and enlightening study of the tie-on pocket combines materiality and gender to provide new insight into the social history of women’s everyday lives—from duchesses and country gentry to prostitutes and washerwomen—and to explore their consumption practices, sociability, mobility, privacy, and identity. A wealth of evidence reveals unexpected facets of the past, bringing women’s stories into intimate focus. “What particularly interests Burman and Fennetaux is the way in which women of all classes have historically used these tie-on pockets as a supplementary body part to help them negotiate their way through a world that was not built to suit them.”—Kathryn Hughes, The Guardian “A brilliant book.”—Ulinka Rublack, Times Literary Supplement

**Out of the Pocket** Kirk Herbstreit,2022-08-02 This powerfully intimate, plain-spoken memoir about fathers and sons, fortitude, and football from the face and voice of college football—Kirk Herbstreit—is not just “a window into the game, but also a peek into what makes him special: his heart” (David Shaw, head coach, Stanford University). Kirk Herbstreit is a reflection of the sport he loves, a reflection of his football-crazed home state of Ohio, where he was a high school star and Ohio State captain, and a reflection of another Ohio State football captain thirty-two years earlier: his dad Jim, who battled Alzheimer’s disease until his death in 2016. In Out of the Pocket, Herbstreit does what his father did for him: takes you inside the locker rooms, to the practice fields, to the meeting rooms, to the stadiums. Herbstreit describes how a combination of hard work, perseverance, and a little luck landed him on the set of ESPN’s iconic College GameDay show, surrounded by tens of thousands of fans who treat their Saturdays like a football Mardi Gras. He takes you into the television production meetings, on to the GameDay set, and into the broadcast booth. You’ll live his life during a football season, see the things he sees, experience every chaotic twist and turn as the year unfolds. Not to mention the relationships he’s established and the insights he’s learned from the likes of coaches and players such as Nick Saban, Tim Tebow, Dabo Swinney, and Peyton Manning, as well as his colleagues, including Chris Fowler, Rece Davis, and his “second dad,” the beloved Coach Lee Corso. Yes, Kirk Herbstreit is the undeniable face and voice of college football—but he’s also a survivor. He’s the quiet kid who withstood the collapse of his parents’ marriage. The boy who endured too many overbearing stepdads and stepmoms. The painfully shy student who always chose the last desk in the last row of the classroom. The young man who persevered through a frustrating Ohio State playing career. The new college graduate who turned down a lucrative sales job after college to pursue a “no way you’ll make it” dream career in broadcasting. Inspiring and powerful, Out of the Pocket “proves the importance of perseverance and family” (Peyton Manning).

**A Little Pretty Pocket-book** John Newbery,2009 John Newbery (1713-1767) was a British publisher of books who first made children's literature a sustainable and profitable part of the literary market. He also supported and published the works of Christopher Smart, Oliver Goldsmith and Samuel Johnson. In honour of his achievements in children's publishing, the Newbery Medal was named after him. By 1740 he had started publishing books in Reading, Berkshire; his first two publications were an edition of Richard Allestree's The Whole Duty of Man and Miscellaneous Works Serious and Humorous in Verse and Prose. In 1743, Newbery left Reading, putting his stepson John Carnan in charge of his business there, and established a shop in London. The first book he published there was A Little Pretty Pocket-Book in 1744. Scholars have speculated that Oliver Goldsmith or Giles and Griffith Jones wrote one of Newbery's best-selling stories, The History of Little Goody Two-Shoes. This was Newbery's most popular book, going through 29 editions between 1765 and 1800. Newbery also published a series of books written by Tom Telescope that were wildly popular, going through seven editions between 1761 and 1787 alone.
