*All about Poop* Kate Hayes,2012-09 Have you ever wondered all about poop? Why our bodies make such stinky goop? And where does it go after we wipe when the poop is flushed into a pipe? So begins the adventure of an inquisitive little boy and his charming dog as they discover how poop is formed and where it ends up. With humorous rhymes, children learn about the digestive system, septic tanks, sewage plants, and even proper bathroom etiquette. The observations are from many years and many places I have had the opportunity to visit as I've traveled throughout the US and other countries. The difference is the people who can find the humor in the event and are willing to share.

**The Shit Book** Thomas N. Bainter,2011-11-04 This book is about shit. Not the shit you have in your closet or those lying around the house or the shit in your car, but it is about shit. The stuff that comes out of your body when you have to go to the bathroom. Not the stuff that comes out the front side but the stuff that comes out of your butt. It doesn't matter how poor you are, how rich you are, how ugly you are, or how beautiful you are. It doesn't matter if you are skinny or overweight. And no matter what you may think, your shit does stink sometimes. This book is for all of you who have ever admired your dirty deed.
