Praise Sara Cate,2023-02-14 She's a good girl, but she's falling for the wrong man. Broken down by her emotionally neglectful ex, all Charlie Underwood wants is someone to tell her she's good enough. Then she stumbles into a new job with a boss who brings her to her knees-literally. As an owner of the Salacious Players' Club, Emerson Grant knows exactly what he wants and isn't shy about his particular tastes. But when he mistakes Charlie for a candidate to be his new submissive instead of his son's ex-girlfriend, he immediately tries to correct the situation. He offers Charlie a job as his secretary and nothing more... Yet now that Charlie has seen a glimpse of what can happen when she's honest about what she wants, she makes it clear that all she wants is Emerson. He might be twice her age and her ex-boyfriend's dad, but he's also the only man who can give her everything she desires. How far will she go to hear his approval?

Praise Warfare Daniel C. Okpara,2017-10 Continual heartfelt praise may look insignificant in the midst of so many issues and battles confronting you at the moment, but that is the weapon that confounds your enemy and gives you the victory you deserve. You've Done Prayer Warfare, Which is Great. But there's More - Praise Warfare! Praise is the Completeness of Prayer. If everything else fails, Praise will not. It's time to take your eyes away from what's not done, see what's ahead and praise God from your heart. Praise will change your life. It will connect you to the supernatural and provoke all kinds of miracles for you. I'm not talking about the superficial praise and worship we have these days. I'm not talking about going to church to sing, raise hands and dance. Those are great, but praise extends far from mere singing on Sunday mornings. What we feel on Sunday mornings are on many occasions, emotions, not real praise. And while that is great, we need to take praise beyond that. You've tried prayer warfare, which is great. We teach and do that in our home and the church all the time. But there's more. PRAISE. It's time to challenge your situation with heartfelt praise. David was a man who faced so many battles in His life. But despite that, a greater part of his life was dedicated to praising God. He wrote 75% of the Book of Psalms, generally called the book of praise. No wonder he won all his battles. In this book, I want to help you see why you need to choose praise from your heart henceforth. Sometimes, prayer may fail. But praise will never fail because true praise is the habitation of God. It's time to encounter the supernatural by wilful praise. This book contains great teachings and motivations to empower you to praise. it also contains a 5-Day 'Praise Your Way to Victory and Breakthrough' Devotional. Get ready for supernatural encounter today as you chose to praise.

Praise Andrew McGahan,2005-09-01 Praise is an utterly frank and darkly humorous novel about being young in the Australia of the 1990s. A time when the dole was easier to get than a job, when heroin was better known than ecstasy, and when ambition was the dirtiest of words. A time when, for two hopeless souls, sex and dependence were the only lifelines. 'McGahan's book is a bracing slap in the face to conventional platitudes and hypocrisies.' - The Australian 'Praise is one of those books that takes a hefty bite out of a piece of subject matter, chews it to a pulp and then spits it out.' - Peter Craven 'A tour de force... revelation of life in the slow lane of drugs and sex and alcohol.' - The Weekend Australian Winner of The Australian/Vogel Literary Award and the Commonwealth Writers' Prize for Best First Book in the Pacific Region. Shortlisted for the Victorian Premier's Literary Award, the Adelaide Festival Awards for Literature and the Canada-Australia Literary Award.

God's Praise and God's Presence Gabriele G. Braun,2020-06-19 The main aim of this book is to provide an answer to the question: is there a connection between God's people's praise and God's presence? The central argument is that Scripture in both Testaments testifies to a correlation between human praise and divine presence. This hypothesis has been investigated in the light of contemporary Christian worship culture and the ensuing need for further biblical studies, which represents the background for this investigation. The study achieves the above aim by applying biblical theology as a discipline and canonical and intertextual models as a method.
