How to Pray R. A. Torrey, 2007-10-01 The intelligent child of God must be driven to say, 'I must pray, pray, pray. I must put all my energy and all my heart into prayer. Whatever else I do, I must pray.' Stunning and forthright, R.A. Torrey's little book on prayer is a reflection of the writer who once had it said about him, One wonders if there has ever lived a man who did so many things well for Christ. Torrey deals with the key elements of life-changing prayer, such as praying in the Spirit, abiding in Christ, obstacles to prayer, the best times to pray, seeking revival through prayer, and more. Torrey outlines a practical strategy for living life in conversation with God. Moody Classics Of all the factors influencing our spiritual growth and development, pivotal books play a key role. Learning from those who have walked the path and fought the fight brings wisdom and strengthens resolve. And hearing the familiar chords of kingdom living sung by voices from other times can penetrate cultural barriers that limit our allegiance to the King. To this end, Moody Publishers is honored to introduce the first six volumes in what is to be an ongoing series of spiritual classics. Selected for their enduring influence and timeless perspective, these new editions promise to shape the lives of spiritual pilgrims for generations to come.

With his trademark style of getting right to the heart of theological concepts through practical, witty, and memorable examples from everyday life, Scot invites readers to explore: How Jesus prayed, How the Psalms teach us to pray, How Orthodox Christians pray, How Roman Catholics pray, How Anglicans pray, How *The Divine Hours* of Phyllis Tickle teaches us to pray, And, how praying with the church is an essential part of spiritual formation.
