The Protector Jordan Ford, He's tasked with protecting a celebrity's daughter, but with a stalker on the loose and a young woman bent on pretending she's not famous, his job is nearly impossible. This job was supposed to be easy. Babysit Indigo Shaw while she attends her first semester of college. How hard can that be? Sure, I'm not officially certified, and I lied to get the job, but that shouldn't make a difference. I've spent most of my life looking out for my twin brother—I'm pretty well trained. But no one warned me about how stubbornly independent Indigo can be. All she wants to do is move to this little college town and pretend to be "normal" like everybody else. She's even making me fake a relationship so no-one will suspect I'm her bodyguard. The problem is... she can never be normal because she's a freaking standout. With those beautiful eyes and her rare smiles, it's impossible not to watch her every move. And I'm starting to worry that I'm not the only one who's doing that. My grandpa always told us to protect the ones we love, but he never taught me how to protect someone I'm falling in love with. It's weird how the stakes suddenly seem a million times higher. The Protector is the third standalone book in a thrilling NA romance series. If you like protective guys, heart-pounding tension and a simmering fake-dating romance, then you'll love Jordan Ford's gripping novel.

★★★★★ Absolutely wonderful, well written, and realistic characters. I adored Indy and Brody. Laure, Book Reviewer ★★★★★ Filled with suspense, drama, a lot of twists and turns and a little romance, Jordan Ford has written what I can undoubtedly say, is my favorite book of the year so far. Renee, Book reviewer. ★★★★★ To say that this book was amazing from beginning to end wouldn't do it any justice. The Protector was beyond amazing and kept giving me crazy happy vibes. I enjoyed every minute of it and didn't want to put it down or for it to end. Cathy, Book reviewer.

The Protector: A Detective Oliver Rousseau Novel Cynthia Townley, 2013-08-22 The Protector is the third installment in the much anticipated exciting new series featuring Detective Oliver Rousseau and his wife, Marin. As in all of the Rousseau novels, Oliver will have to peel back the layers to get to the truth. The story is crisp, fast-paced, and the plot convoluted and innovative. Don't miss book one in the series Trained To Kill, and book two, Unsuspecting. Although recommended you read them in order each book is independent of the other. In 1989, two women from Panama's high-corruption era under the reign of General Manuel Noriega are offered immunity for testifying in Washington D.C. against the infamous Dictator and his right-hand man, Colonel Soto, for their multitude of senseless crimes against Americans. Whisked away to the U.S., the women are put under the protection of the U.S. Marshals Witness Security Program where they have been for the past twenty-four years. Then Colonel Soto is released from a Panamanian prison for time served, and within days the deputy assigned to protect the women is murdered and it quickly becomes apparent the colonel is bent on revenge. In a private meeting with Quest, Oliver is tasked with finding the women and keeping them safe but what he uncovers in his search is far more sinister than revenge. Show less

The Protector (The Taskforce Series, Book 1) MarliSS Melton, 2024-03-05 Discover the Cost of Freedom and the Power of Love in The Protector, Book One in the Taskforce Series, a Romantic Military Suspense Novel from MarliSS Melton In the serene embrace of the Blue Ridge Mountains, former Navy SEAL Ike Calhoun thought he had escaped the shadows of the War on Terror. But destiny intervenes when an old friend calls, catapulting him back into a world he thought he'd left behind. A woman marked by her father's legacy in Afghanistan, Eryn McClellan isn't just the ISAF general's daughter; she's the focus of a high-stakes game played by ambitious federal agents and a crazed jihadist. The only safe place for her is in Ike's remote cabin, where her unsettling presence disrupts his self-imposed isolation. Ike instructs Eryn in ways to defend herself and, yet, with her grace and

resilience, it is she who dismantles the walls around Ike's heart, allowing him to feel again. As the FBI's strategies turn riskier—using Eryn as bait to catch the extremist—a fierce protective instinct awakens in Ike Calhoun. Compelled to shield the general's daughter at any cost, Ike finds in Eryn not just a mission, but a burning motivation to confront his past and protect a future that suddenly seems worth fighting for. Father, The Family Protector James B. Stenson, 2017-03-31 In *Father, The Family Protector*, Educator James Stenson explores how fathers exercise their powerful and particularly masculine contribution to family life. His research comes from more than twenty years of working with families from two highly successful independent secondary schools for boys that he helped establish, The Heights School in Washington D.C., and Northridge Preparatory School in Chicago. As headmaster, he made it his business to know hundreds of families intimately studying their family lives, watching their children grow into maturity, very often successfully, but sometimes not. Through countless conversations with fathers and mothers, he tried to account for the differences, looking for patterns of family life among those parents who triumphed with their children. What did these successful men and women have in common? What did they manage to do right? Most important: what could other parents learn from their experience? This wisdom of fatherhood is what this book is all about. It explains the main obstacles in today's society that undercut a father's teaching role, and tells men what they could do to overcome them. Then within this framework, James Stenson spells out how successful fathers deal with their children in the more crucial areas: family rules, discipline, schooling, sports, recreation, the media, and ongoing teamwork with one's wife. In short, this book provides the guidance that will help any father to carry out a serious responsibility - that of protector of his family. Listen to author James Stenson speak about Successful Fathers.
