Darice Bailer

Flight of the Puffin Ann Braden, 2022-08-30 One small act of kindness ripples out to connect four kids in this stirring novel by the author of the beloved *The Benefits of Being an Octopus*. Libby comes from a long line of bullies. She wants to be different, but sometimes that doesn't work out. To bolster herself, she makes a card with the message *You are amazing*. That card sets off a chain reaction that ends up making a difference in the lives of some kids who could also use a boost—be it from dealing with bullies, unaccepting families, or the hole that grief leaves. Receiving an encouraging message helps each kid summon up the thing they need most, whether it's bravery, empathy, or understanding. Because it helps them realize they matter—and that they're not flying solo anymore.

The Puffin Mike P. Harris, Sarah Wanless, 2011-11-21 A comprehensive monograph on the Atlantic Puffin. With its colourful beak and fast, whirring flight, this is the most recognisable and popular of all North Atlantic seabirds. Puffins spend most of the year at sea, but for a few months of the year they come to shore, nesting in burrows on steep cliffs or on inaccessible islands. Awe-inspiring numbers of these birds can sometimes be seen bobbing on the sea or flying in vast wheels over the colony, bringing fish in their beaks back to the chicks. However, the species has declined sharply over the last decade; this is due to a collapse in fish stocks caused by overfishing and global warming, combined with an exponential increase in Pipefish (which can kill the chicks). The Puffin is a revised and expanded second edition of Poyser's 1984 title on these endearing birds, widely considered to be a Poyser classic. It includes sections on their affinities, nesting and incubation, movements, foraging ecology, survivorship, predation, and research methodology; particular attention is paid to conservation, with the species considered an important 'indicator' of the health

of our coasts.

Puffins Julie Murray, 2014-09-01 Dive into the Arctic waters with the puffin! Engaging text and oversized, striking photos invite readers to travel to the Arctic Circle and learn about the puffin's body structure, diet, life cycle, social behavior, habitat, predators, and ways of defense. Simple, labeled maps highlight the animal's home territory. Background information about the Arctic is also given, as well as threats to the puffin's survival. The book closes with a page of kid-friendly facts. Readers are left with a deeper understanding of this amazing and fragile region and the incredible puffin! Table of contents, glossary, and index included. Aligned to Common Core Standards and correlated to state standards. Big Buddy BOOKS is an imprint of ABDO Publishing Company.

The Puffins Are Back Gail Gibbons, 2019-01-15 The beloved Atlantic Puffin was nearly extinct, till some enterprising scientists came to its rescue... Gail Gibbons introduces readers to the fascinating lives of puffins and puffin conservation. Puffins along the coast of Maine were once hunted to near-extinction. Now, through a careful breeding program, scientists eagerly await the puffins' return each year to hatch their young. With cheerful illustrations and clear text, Gail Gibbons explains the conservation program and the life cycle of this amazing bird. According to The Washington Post, Gail Gibbons, has taught more preschoolers and early readers about the world than any other children's writer-illustrator. She has published more than 100 informational titles, all fully vetted by experts. Her many honors include The Washington Post/Children's Book Guild Nonfiction Award and the NSTA Outstanding Science Trade Book Award.

Puffins Ruth Owen, 2013-01-15 A puffin's colorful beak is its most unusual physical feature. Readers will fall in love with this little black and white bird while learning about the ways it has adapted to its frigid environment. Easy-to-follow text and colorful photographs make this a truly

exciting read.

Puffins Ann Squire,2006 Ideal for today's young investigative reader, each A True Book includes lively sidebars, a glossary and index, plus a comprehensive To Find Out More section listing books, organizations, and Internet sites. A staple of library collections since the 1950s, the new A True Book series is the definitive nonfiction series for elementary school readers.

Puffin Martin Jenkins,2022-10-25 Fascinating facts and engaging text introduce young ornithologists to the puffin by following one diligent pair as they nurture their new chick.--

Do Puffins Ever . . .? Fran Hodgkins,2020-04-15 Puffins are funny. With their round little bodies and stubby wings, combined with a brightly colored beak, they are one of the most appealing birds. Just looking at a puffin can make you happy. This entertaining and informative book tells you everything you really want to know about puffins, answering the kinds of questions kids always ask, such as: Do puffins have teeth? Do they always have such colorful beaks? Are they related to penguins? and Why are they called puffins, anyway?

Atlantic Puffins Megan Borgert-Spaniol,2019-01-01 This title takes readers to Atlantic puffin habitats to understand why Atlantic puffins are at risk, what humans are doing to make matters worse, and the ways humans can help to save Atlantic puffins and ultimately, Earth. Sidebars, maps, and a glossary enhance readers' understanding of this topic. Additional features include a table of contents, an index, and a fact sheet. Aligned to Common Core Standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO.

Project Puffin Stephen W. Kress,Derrick Z. Jackson,2015-04-28 Project Puffin is the inspiring story of how a beloved seabird was restored to long-abandoned nesting colonies off the Maine coast. As a young ornithology instructor at the Hog Island Audubon Camp, Dr. Stephen W.

Kress learned that puffins had nested on nearby islands until extirpated by hunters in the late 1800s. To right this environmental wrong, he resolved to bring puffins back to one such island—Eastern Egg Rock. Yet bringing the plan to reality meant convincing skeptics, finding resources, and inventing restoration methods at a time when many believed in “letting nature take its course.” Today, Project Puffin has restored more than 1,000 puffin pairs to three Maine islands. But even more exciting, techniques developed during the project have helped to restore rare and endangered seabirds worldwide. Further, reestablished puffins now serve as a window into the effects of climate change. The success of Dr. Kress's project offers hope that people can restore lost wildlife populations and the habitats that support them. The need for such inspiration has never been greater.

Nothing Like a Puffin Sue Soltis, Bob Kolar, 2011-09-13 A narrator sets out to prove that there is nothing exactly like a puffin but discovers that many things, including a newspaper and a helicopter, are a little bit like one and that a penguin is very much like a puffin.

Puffin's Homecoming Darice Bailer, 1995-04-01 Follows the activities of an Atlantic Puffin as he returns to the island where he was born, meets his mate, and raises a lively chick.

Little Puffin's First Flight Jonathan London, 2015-03-02 Follow precious Little Puffin through his first year of life as his parents protect and prepare him for life on his own. From the safety of the little chick's nest to his clumsy attempts at flight, Van Zyle's paintings depict Little Puffin's adventures through a variety of perspectives, from close-up portraits to sweeping action scenes. Jonathan London's lyrical prose imparts a reverence for wildlife, endearing the puffin chick—Sea Parrot, Underwater Acrobat, Clown of the Ocean—to the reader and creating a suspenseful read-aloud.

Puffin Jim Tilly,1993-07 A newly hatched albino puffin, blown from his nest by a storm, seeks the help of other animals in determining what he is.

Wee Peter Puffin Jane D. Weinberger,1984 Describes the animal migration of a puffin to a Maine island where he mates and finds fish for his new family.

There Once was a Puffin Florence Page Jaques,1995 A lonely puffin finds someone to play with.

The Puffin Keeper Michael Morpurgo,2022-02-15 From bestselling author Michael Morpurgo comes a beautifully illustrated classic story about a lighthouse keeper, a daring rescue and puffins, for fans of *War Horse* and *The One and Only Ivan*. As a child, Allen is saved from a nautical disaster by Benjamin Postlethwaite, a solitary lighthouse keeper. Years later, Allen returns to the lighthouse, and the two nurse an injured young puffin back to health. When Allen is called up to fight in World War Two, he's not sure he'll see his mother or Benjamin again, but his fond memories of his time at the lighthouse keep him going, even through prison camp. Allen and Ben's enduring friendship over the years is the basis for this story about friendship, art, war and an incredibly adorable puffin. From masterful storyteller Michael Morpurgo and world-class illustrator Benji Davies comes this truly beautiful tale which will enchant readers of all ages.
