**The Quick** Lauren Owen, 2014-06-17 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SLATE • Includes an exclusive conversation between Lev Grossman and Lauren Owen For fans of Anne Rice, *The Historian*, and *The Night Circus*, an astonishing debut, a novel of epic scope and suspense that conjures up all the magic and menace of Victorian London 1892: James Norbury, a shy would-be poet newly down from Oxford, finds lodging with a charming young aristocrat. Through this new friendship, he is introduced to the drawing-rooms of high society and finds love in an unexpected quarter. Then, suddenly, he vanishes without a trace. Alarmed, his sister, Charlotte, sets out from their crumbling country estate determined to find him. In the sinister, labyrinthine London that greets her, she uncovers a hidden, supernatural city populated by unforgettable characters: a female rope walker turned vigilante, a street urchin with a deadly secret, and the chilling "Doctor Knife." But the answer to her brother's disappearance ultimately lies within the doors of the exclusive, secretive Aegolius Club, whose predatory members include the most ambitious, and most bloodthirsty, men in England. In her first novel, Lauren Owen has created a fantastical world that is both beguiling and terrifying. *The Quick* will establish her as one of fiction's most dazzling talents. Look for special features inside. Join the Random House Reader's Circle for author chats and more. "A suspenseful, gloriously atmospheric first novel, and a feast of gothic storytelling that is impossible to resist."—Kate Atkinson "A cracking good read . . . Owen takes the gothic conventions of the vampire novel in a refreshing new direction."—Deborah Harkness, author of *A Discovery of Witches* and *The Book of Life* "A good old-fashioned vampire novel . . . What fun."—The New York Times Book Review (Editor's Choice) "The Quick is that rare book that reviewers and readers live for: both plot- and character-driven, a stay-up-all-night reading romp. . . . This is elegant, witty,

force-of-nature writing.”—The Dallas Morning News “The book’s energy, its wide reach and rich detail make it a confident example of the ‘unputdownable’ novel.”—The Economist “A seamless blend of Victorian London and rich imagination.”—Tana French, author of *In the Woods* “A thrilling tale . . . This book will give you chills even on a hot day.”—Minneapolis Star Tribune “Stylishly sinister . . . will have you sleeping with the lights on.”—O: The Oprah Magazine “A sly and glittering addition to the literature of the macabre.”—Hilary Mantel, author of *Wolf Hall* “A big, sly bucketful of the most tremendous fun . . . [Owen] weaves what’s here with what’s beyond as easily as J. K. Rowling does.”—Slate “[An author of] prodigious gifts . . . Owen captures Dickens’s London with glee and produces a number of characters Dickens would be happy to call his own.”—Pittsburgh Post-Gazette

*Conversational Haitian Creole Quick and Easy* Nitzany Yatir, 2019-01-26 Have you always wanted to learn how to speak Haitian Creole but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If you want to learn complicated grammar rules, or to speak perfectly proper and precise Creole, this book is not for you. However, if you need to actually hold a conversation while on a trip to Haiti, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With *Conversational Haitian Creole Quick and Easy*, all you need

are fifty-two pages. Learn Haitian Creole today, not tomorrow, and get started now!

**Quick, Fast, and in a Hurry** Tavon Wison,2017-04-08 Quick, fast and in a hurry was only a motto used by the young and swift group, known as the Rrari Girlz. The group originated in San Antonio, Texas after a Puerto Rican beauty by the name of Lacia introduced the squad of girls to an entirely new hustle-car-jacking. Each girl played an important role in their new hustle. The money was good and the fast life was amazing, but their job becomes more and difficult with every car they steal. When life seems good and the girls are at the height of their careers, they're tipped off by an anonymous source. Will the Feds catch up to them, or will they overcome the dent successfully? With as close as the girls are, it might be hard to believe who to trust, even though the culprit could only be an envious associate. Find who the lucky person is who decides to think for only themselves.

**The Quick** Katrina Roberts,2005 The Quick is a book of essences. Katrina Roberts's large-spirited and exhilarating poetry is at once celebratory and elegiac, lyric and narrative, striving to divine what's at the quick of this fleeting existence we share. Anchored in many ways by the long poem Cantata, which chronicles her pregnancy and the birth of her son, the book turns and turns its kaleidoscopic lens, settling now on origins and creation myths, now on Greek or Welsh gods, now on a painting by Vermeer or on an article from the daily news, all slipping together to illuminate our coming to consciousness, our coming to be. The poems ask how one might reconcile one's simple joys with the world's larger concerns. An inquiry of this depth cannot fail to encounter grief, but it is a grief tempered and transcended by the acceptance of ongoing life, as well as a consistently outward-focused eye and a passion for language. Sparked by Roberts's sharp imagery and daring cadences, this is a fresh and savvy collection, informed by science, myth, music, philosophy, and etymology, all braided within a sinuous narrative line that runs from sorrow to rich celebration.
