

# Round

JR Anderson

**Round** Jennifer Ward,2020-09-29 From award-winning author Jennifer Ward and celebrated artist Lisa Congdon in her debut picture book comes a lyrical, rhyming exploration of the many round things that can be found in nature. Nature all around is round... Take a spin through the seasons in this thoughtful and meditative picture book that explores roundness in the natural world. There are round birds’ nests and eggs in the spring, round raindrops falling from the sky in the summer, round apples filling the trees in the fall, and round snowflakes covering the ground in winter—and so much more! Little ones will love this stunning read-aloud that is certain to intrigue and inspire them to start looking all around outside for things that are round.

**Round** Joyce Sidman,2017-03-07 If you look closely, you will find that the world is bursting, swelling, budding, and ripening with round things awaiting discovery—like eggs about to hatch, sunflowers stretching toward the sun, or planets slowly spinning together for billions of years. Whimsical and imaginative, this poetic ode to all that is round and full of wonder by the Newbery Honor-winning author and poet Joyce Sidman, with illustrations by the two-time New York Best Illustrated Book award recipient Tae Eun Yoo, inspires curiosity and wonder for this (round) little earth we call home.

**Our House is Round** ,2019 This book guides young readers through a smartly narrated conversation illuminating the concept of global connection and environmental cause and effect. This book teaches the 'whys' behind earth conversation in a colourful, positive way that encourages maturity, responsibility and problem solving discussion.

*Round Is a Tortilla* Roseanne Greenfield Thong,2014-02-25 In this lively picture book, children discover a world of shapes all around them: rectangles are ice-cream carts and stone metates, triangles are slices of watermelon and quesadillas. Many of the featured objects are Latino in origin, and all are universal in appeal. With rich, boisterous illustrations, a fun-to-read rhyming text, and an informative glossary, this playful concept book will reinforce the shapes found in every child's day! Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

**The Round House** Louise Erdrich,2012-10-02 Winner of the National Book Award • Washington Post Best Book of the Year • A New York Times Notable Book From one of the most revered novelists of our time, an exquisitely told story of a boy on the cusp of manhood who seeks justice and understanding in the wake of a terrible crime that upends and forever transforms his family. One Sunday in the spring of 1988, a woman living on a reservation in North Dakota is attacked. The details of the crime are slow to surface because Geraldine Coutts is traumatized and reluctant to relive or reveal what happened, either to the police or to her husband, Bazil, and thirteen-year-old son, Joe. In one day, Joe's life is irrevocably transformed. He tries to heal his mother, but she will not leave her bed and slips into an abyss of solitude. Increasingly alone, Joe finds himself thrust prematurely into an adult world for which he is ill prepared. While his father, a tribal judge, endeavors to wrest justice from a situation that defies his efforts, Joe becomes frustrated with the official investigation and sets out with his trusted friends, Cappy, Zack, and Angus, to get some answers of his own. Their quest takes them first to the Round House, a sacred space and place of worship for the Ojibwe. And this is only the beginning. The Round House is a page-turning masterpiece—at once a powerful coming-of-age story, a mystery, and a tender, moving novel of family, history, and culture.

The World is Round Tony Rothman,1978

**Long Way Round** Ewan McGregor,Charley Boorman,Robert Uhlig,2004 It started as a daydream. Poring over a map of the world at home one quiet Saturday afternoon, Ewan McGregor - actor and self-confessed bike nut - noticed that it was possible to ride all the way round the world, with just one short hop across the Bering Strait from Russia to Alaska. It was a revelation he couldn't get out of his head. So he picked up the phone and called Charley Boorman, his best friend, fellow actor and bike enthusiast. 'Charley,' he said. 'I think you ought to come over for dinner...'From London to New York, Ewan and Charley chased their shadows through Europe, the Ukraine, Kazakhstan, Mongolia and Russia, across the Pacific to Alaska, then down through Canada and America. But as the miles slipped beneath the tyres of their big BMWs, their troubles started. Exhaustion, injury and accidents tested their strength. Treacherous roads, unpredictable weather and turbulent politics challenged their stamina. They were chased by paparazzi in Kazakhstan, courted by men with very large guns in the Ukraine, hassled by the police, and given bulls' testicles for supper by Mongolian nomads. And yet despite all these obstacles they managed to ride over 20,000 miles in four months, changing their lives forever in the process. As they travelled they documented their trip, taking photographs, and writing diaries by the campfire. Long Way Round is the result of their adventures - a fascinating, frank and highly entertaining travel book about two friends riding round the world together and, against all the odds, realising their dream.

Removable Type Phillip H. Round,2010-10-11 In 1663, the Puritan missionary John Eliot, with the help of a Nipmuck convert whom the English called James Printer, produced the first Bible printed in North America. It was printed not in English but in Algonquian, making it one of the first books printed in a Native language. In this ambitious and multidisciplinary work, Phillip Round examines the relationship between Native Americans and printed books over a two-hundred-year period, uncovering the individual, communal, regional, and political contexts for Native peoples' use of the printed word. From the northeastern woodlands to the Great Plains, Round argues, alphabetic literacy and printed books mattered greatly in the emergent, transitional cultural formations of indigenous nations threatened by European imperialism. Removable Type showcases the varied ways that Native peoples produced and utilized printed texts over time, approaching them as both opportunity and threat. Surveying this rich history, Round addresses such issues as the role of white missionaries and Christian texts in the dissemination of print culture in Indian Country, the establishment of national publishing houses by tribes, the production and consumption of bilingual texts, the importance of copyright in establishing Native intellectual sovereignty (and the sometimes corrosive effects of reprinting thereon), and the significance of illustrations.

*Weave a Circle Round* Kari Maaren,2017-11-28 Madeleine L'Engle meets Stranger Things in this debut YA-friendly fantasy adventure about how the unexpected can move in next door

**The Great Round World and what is Going on in it** ,1900

In the Midnight Room Laura McBride,2018-08-21 “If McBride is trying to prove—that if you change one life, you change the world—she succeeds magnificently.”—Booklist From the author of the acclaimed novel *We Are Called to Rise* comes a “jewel of a novel” (BookPage) about four vivid and complicated women in Las Vegas whose lives become connected by secrets, courage, tragedies, and small acts of kindness. Fun-loving and rebellious, twenty-one-year-old June Stein abandons the safe world of her New Jersey childhood for edgy 1950s Las Vegas. For the next 60 years, June will dare to live boldly. She will upend conventions, risk her heart and her life, rear a child, lose a child, love more than one man, and stand up for more than one woman. June’s story will intertwine with those of three unlikely strangers: a one-time mail order bride from the Philippines, a high school music teacher, and a young mother from Mexico working as a hotel maid. Knit together around June’s explosive secret, they forge a future that none of them foresee. This jubilant, compassionate novel explores the unexpected ways that life connects us, changes us, and even perfects us. A powerful story of lust and of hope, of redemption and of compassion, *In the Midnight Room* is a smart, sagacious novel about womanhood, family bonds, and how we live in America now.

**Circle Round** Anne Sibley O'Brien,2021-10-26 A circle of children ask others to join in their play and soon find out that inclusion is irresistible! From the author of *I'm New Here* and *Someone New* comes an inspiring new story of inclusion. One child in a park waves over a second child. Two children then wave over a third. Counting from one to ten, a growing circle of children see new faces outside the group and invite them over. Children of different abilities, ages, genders, and races demonstrate how easy it can be to expand your group, extend yourself, and welcome new friends.

**Agriculture in the Uruguay Round** R.C. Hine,K.A. Ingersent,A.J. Rayner,1993-11-26 Agriculture was a major item on the agenda of the Uruguay Round of multilateral trade negotiations under the auspices of the General Agreement on Tariffs and Trade (GATT), launched in 1986. In this specially commissioned volume the national positions on agriculture taken up by the major players during the course of these negotiations are

set out and analysed, country by country, by a team of internationally renowned experts. The editors have selected and ordered the studies to provide a coherent assessment and synthesis of the main issues and areas of controversy raised by the negotiations. Examination of the reasons for the holding of different national perspectives on the issue of agricultural policy and trade reform helps to explain why reaching international agreement in this area of the GATT negotiations has been so elusive.

Merry-Go-Round Ruth Heller,1998-02-23 Perfect for introductory grammar lessons! What is a noun? Explore language and discover the uses of nouns and their many grammatical forms from proper nouns to common nouns to abstract nouns. “Heller explores types of nouns: common, proper, abstract, concrete, compound, collective, singular, plural, and possessive... Its lush, exuberant full-color artwork will grab kids' attention.”—Booklist “With humor, style, and succinct, admirable precision, Heller summarizes everything most people will ever need to know about this particular area of grammar. ... A treasure.”—Kirkus Reviews “To say that Heller has a way with words is to understate a multifaceted talent... The rhymed text of this book is as witty and smooth as its predecessors ... Rarely does a book offer children so much to look at, listen to and learn.”—Publishers Weekly “Striking graphic design with large clear objects in bold colors overflowing each double-page spread make the book a visual treat. The use of bold type for all the nouns is particularly pleasing and will make for easy reading aloud... Those who have found the others in the series successful will want this one.”—School Library Journal About the Explore! series: Dedicated to helping children learn a variety of nonfiction subjects, the Explore series uses pitch-perfect rhyming text and brilliantly illustrated images to make learning fun. Books in the series: Explore Language! 1. Behind the Mask: A Book About Prepositions 2. Cache of Jewels: And Other Collective Nouns 3. Fantastic! Wow! and Unreal!: A Book About Interjections and Conjunctions 4. Kites Sail High: A Book About Verbs 5. Many Luscious Lollipops: A Book About Adjectives 6. Mine, All Mine!: A Book About Pronouns 7. Merry-Go-Round: A Book About Nouns 8. Up, Up and Away: A Book About Adverbs Explore Nature! 1. Animals Born Alive and Well: A Book About Mammals and Their Young 2. Chickens Aren't the Only Ones: A Book About Animals Who Lay Eggs 3. The Reason for a Flower: A Book About Flowers, Pollen, and Seeds 4. Plants that Never Ever Bloom: A Book About Fungi, Ferns, and Other Plants Without Flowers

**WTO and the Doha Round ,**

**The Round Table ,1867**

**The Moon Is Always Round** Jonathan Gibson,2019-09-23 Even young children want answers to the hard questions about God and suffering. In *The Moon Is Always Round*, seminary professor and author Jonathan Gibson uses the vivid imagery of the moon to explain to children how God’s goodness is always present, even when it might appear to be obscured by upsetting or difficult circumstances. In this beautiful, full-color illustrated book, he allows readers to eavesdrop on the conversations he had with his young son in response to his sister’s death. Father and son share a simple liturgy together that reminds them that, just as the moon is always round despite its different phases, so also the goodness of God is always present throughout the different phases of life. A section in the back of the book offers further biblical help for parents and caregivers in explaining God’s goodness to children. Jonathan Gibson reminds children of all ages that God’s goodness is present in the most difficult of times, even if we can’t always see it.

**All the Year Round ,1860**

**Round About the Earth** Joyce E. Chaplin,2012-10-30 In this first full history of around-the-world travel, Joyce E. Chaplin brilliantly tells the story of circumnavigation. *Round About the Earth* is a witty, erudite, and colorful account of the outrageous ambitions that have inspired men and women to circle the entire planet. For almost five hundred years, human beings have been finding ways to circle the Earth—by sail, steam, or liquid fuel; by cycling, driving, flying, going into orbit, even by using their own bodily power. The story begins with the first centuries of circumnavigation, when few survived the attempt: in 1519, Ferdinand Magellan left Spain with five ships and 270 men, but only one ship and thirty-five men returned, not including Magellan, who died in the Philippines. Starting with these dangerous voyages, Joyce Chaplin takes us on a trip of our own as we travel with Francis Drake, William Dampier, Louis-Antoine de Bougainville, and James Cook. Eventually sea travel grew much safer and passengers came on board. The most famous was Charles Darwin, but some intrepid women became circumnavigators too—a Lady Brassey, for example. Circumnavigation became a fad, as captured in Jules Verne’s classic novel, *Around the World in Eighty Days*. Once continental railroads were built, circumnavigators could traverse sea and land. Newspapers sponsored racing contests, and people sought ways to distinguish themselves—by bicycling around the world, for instance, or by sailing solo. Steamships turned round-the-world travel into a luxurious experience, as with the tours of Thomas Cook & Son. Famous authors wrote up their adventures, including Mark Twain and Jack London and Elizabeth Jane Cochrane (better known as Nellie Bly). Finally humans took to the skies to circle the globe in airplanes. Not much later, Sputnik, Gagarin, and Glenn pioneered a new kind of circumnavigation— in orbit. Through it all, the desire to take on the planet has tested the courage and capacity of the bold men and women who took up the challenge. Their exploits show us why we think of the Earth as home. *Round About the Earth* is itself a thrilling adventure.

*Circle Round* Starhawk,2020-09-15 In our rushed, stressed society, it's sometimes difficult to spend meaningful time as a family. Now Starhawk, Diane Baker, and Anne Hill offer new ways to foster a sense of togetherness through celebrations that honor the sacredness of life and our Mother Earth. Goddess tradition embraces the wheel of life, the never-ending cycle of birth, growth, love, fulfillment, and death. Each turn of the wheel is presented here, in eight holidays spanning the changing seasons, in rites of passage for life transitions, and in the elements of fire, air, water, earth, and spirit. *Circle Round* is rich with songs, rituals, craft and cooking projects, and read-aloud stories, as well as suggestions for how you can create your own unique family traditions. Here are just some of the ways to make each event in the cycle of life more special: Mark Summer Solstice by making sweet-smelling herb pillows for good dreams Send a teenager off to college with the Leaving Behind and Carrying With rituals Comfort an injured child with the Tree of Life meditation Commemorate a loved one by planting or donating a tree As a one-of-a-kind resource for people of many faiths and beliefs, *Circle Round* will be a beloved companion in your home for years to come.
