**Word Rummy** Gary Disch,2007-05 Play cards on the page! These word puzzles capture all the fun and challenge of rummy--it's a winning combination, with no partners needed. The goal is to find as many seven-letter words as possible in a 52-letter deck": to do that, combine a GROUP of 3 or 4 of a kind with a RUN of 3 or 4 cards in every grid. Cards can be re-used from one word to the next, but not within the same word. And capitalized, foreign words, and variant spellings do not count. Aces are worth one point, face cards 10, and the others are worth their value.

**Gin Rummy** George Monkland, 2013-04-16 A handy companion for any fan of this classic card game.

*Gin Rummy for Complete Beginners* Robert Ticker, 2021-01-11 Gin Rummy or Gin is a traditional card matching game that requires 2 players and a standard 52 playing card deck with Kings high and Aces low. In Gin Rummy, cards are worth their numerical value with Aces worth 1 and face cards worth 10. The objective of Gin Rummy is to be the first to reach 100 points. Before game play can begin, a dealer must be selected. Each player draws one card from a shuffled deck. The player with the lowest card becomes the dealer. The dealer shuffles the deck and passes out 10 cards alternately to each player. The remaining cards are placed faced down in the center of the group to

form the stock. The top card of the stock is flipped face up and placed next to the stock to form the discard pile. The player opposite of the dealer has the option to play first by taking the top card of the discard pile. If they choose to pass, the dealer has the choice to take the top card of the discard pile. If they also choose to pass, the other player begins the game by taking the top card from the stock pile. From the first draw onward, a player must pick up a card from either the stock or the discard pile at the beginning of their turn and remove one card from their hand to the discard pile at the end of their turn. The general goal is to get rid of deadwood by melding as many cards as you can in order to go Knock or go Gin. Deadwood are cards not in a meld. If no player can reach Knock or Gin by the time the stock pile has two cards left, no points are awarded. Get your copy today by scrolling up and clicking Buy Now to get your copy today
