*Scattered Pictures* Zaid Shākir,2005 This literary release seeks to engage readers in meaningful dialogue, communal reflection, and social and spiritual change.Scattered Picturesis an anthology of essays, which discuss difficult and oftentimes controversial topics. In these turbulent times, these are issues that if left un-addressed, could continue to spiral downwards into serious political, social and religious discord. This shining book will appeal to all readers interested in critical solutions for a harmonious understanding across divides in humanity and is an innovative guide for students at both the high school and college levels. One of the most respected and influential Muslim scholars in the West, Imam Shakir is also a former member of the US Air Force and a Political Science professor. With long-standing dedication to the human community, Imam Shakir has helped to shape a better understanding of the conflicts we face. He has forged campaigns for human rights and social justice, and his devotion stands in helping to build and reinforce intellectual and spiritual roots, so that we as a global community may begin to adopt solution-oriented strategies.

*In Service to the Senator* Shakir Rashaan,2021-03-30 Sometimes, politics make the strangest of bedfellows...and enemies. Terrell Warren is a rising star within the ranks of the Democratic Party. Buoyed his former heroic exploits in Desert Storm, the two-term senator has ascended quickly, currently being vetted as a part of the party's presidential ticket in the upcoming election cycle, entering rarified air as an African-American politician. He's charismatic, devilishly handsome, and possesses both the pedigree and the type of bipartisan support that could have him sitting in the Oval Office as Commander-in-Chief in the near future. Even his unconventional marriage to the stunning Kianna Warren doesn't seem to sway the public, as rumors from media circuits continue to swirl around their alternative proclivities. After all, who wouldn't want to surrender and be in service to the powerful, irresistible statesman? He has managed to claim the American public's imagination, providing the catalyst as the face of the wave of the future of the party. Unfortunately, there are forces at work that wish to derail the inevitable, and they will stop at nothing to ensure that Senator Warren is discredited. Kianna's unexpected abduction takes him off the campaign trail, as the mysterious organization taking credit for her abduction has made one rather extraordinary demand—one that threatens to revert American foreign policy back to the previous century's "Cold War" history. The ultimatum is clear—either comply with the demands, or his wife will be killed. In Service to the Senator is the latest explosive tale from best-selling author Shakir Rashaan, where a race against the clock might mean the difference between life and death.

*Remember Me To Lebanon* Evelyn Shakir,2015-02-01 Evelyn C. Shakir paints tales that are rich in history and background. She sets her stories in different eras, from the 1960s to the present, peopled with Lebanese women of different ages, sometimes writing letters, often reminiscing, looking back as far as the turn of the century. In different ways, these first and second-generation women struggle with feminist issues overshadowed by the demands of dual cultures. In Young Ali a teenager tries to listen to her beloved father's time-honored tales of males in friendship and marriage. Aggie of House Calls is a deceased matriarch who returns to haunt her family with reminders of the customs she fought to uphold while alive. Shakir's other heroines include a thrice-divorced thirty-year-old woman quibbling with a modern matchmaker, an elderly non-Lebanese woman who spies on Muslim neighbors in the wake of 9/11, and a traditional wife and mother who thinks she has found a route out of Old World womanly duties. Many of the authors's women grapple with reclaiming or abandoning ancestral demands, and finessing age-old male-female relationships. In Oh, Lebanon a war-haunted Lebanese-born woman willfully departs from the mores of her upbringing, with surprising results. With agile humor and emotional truth, Shakir offers multiple perspectives on Lebanese women trying to change roles in a new landscape without surrendering cultural identity.

**The Devil's All-American** Shakir Rashaan,2021-05-25 If you took a look at my life, you'd swear I had it all... I'm the best player on the best team in college basketball and a lock to be the top pick in the NBA Draft. I was on the fast track to being college basketball royalty, and nothing was going to stop me from being one of the best ever. Well, nothing except a tragic accident on the court that resulted in my worst nightmare. In the blink of an eye, my basketball life was hanging by a thread—until he came along with an offer I couldn't refuse. I knew his offer came with strings attached, but what I didn't know was what I gave up to get my life back. In hindsight, I shouldn't have done what I did, but it was too late to turn back now. I'm Keenan Ellis, and I'm the Devil's All-American...

**Business, Angels, and the Natural Law of Justice** Abid Shakir,2010-08-24 As a teenager, I always wanted to own my own business, but had no idea as to how to get started. After finishing high school in 1966 I worked as a merchant seaman for two and a half years. In 1969 I was drafted into the United States Army, where I served two years; one year was spent in Vietnam as a Infantry Soldier. After serving in the military, I got a job driving tractor trailer trucks long distances. During that time, I had a continuing desire to own my own business. I thought I needed a large amount of money to get started; but realized later that was not the case.

*Teaching Arabs, Writing Self* Evelyn Shakir,2013-11-01 Evelyn Shakir's witty, wise, and beautifully written memoir explores her status as an Arab American woman, from the subtle bigotry she faced in Massachusetts as a second-generation Lebanese whose parents were not only foreign but eccentric, to the equally poignant blend of dislocation and homecoming she felt in Bahrain, Syria, and Lebanon, where she taught American literature to university students. She effortlessly combines personal anecdote with cultural, political, and historical background, and is incapable of stereotyped thinking: one of the book's many pleasures is the diversity she finds among the people she encounters in the Middle East, including not only students, but cab drivers, storekeepers, and the guys who make the spinach pies at the bakery down the street from her apartment. As Shakir explores her own identity, she leads the reader to an appreciation of the richness and complexity of being Arab American (or any mixed heritage) in an increasingly small world.

*Land Of No Pity* Toni T-Shakir,2017-04-27 Elijah "Li'l Nine" Hassahn born into the gritty environs of South Central Los Angeles in the late 1970s, is ripe to be molded by the first generation of the Crip movement. As a product of the first family of the Rollin 90s Neighborhood Crips, Elijah is forced to adapt to circumstances beyond his control. Shaped by poverty and pain, Elijah takes lessons of survival from his street-savvy uncles, Big 9-Lives and Cannon, and navigates the school of hard knocks to the upper echelon of the Los Angeles underworld, where murder is currency and trauma a constant companion. Elise Cortez, beautiful, fearless, and deadly, is making her own mark in the L.A. underworld. In her ongoing mission to take back everything she feels was taken from her and quench her burning rage, her world collides with Elijah's to form an unholy alliance created by fate and vengeance. The City of Lost Angels wraps all in its wicked embrace. Will Elijah succumb to his fate in the streets, or will his choices crush the innocence he once knew and threaten his humanity?

*A Threshold Crossed* Omar Shakir, 2021 The widely held assumption that the Israeli occupation of Palestinian territory is a temporary situation and that the 'peace process' will soon bring an end to Israeli abuses has obscured the reality on the ground today of Israel's entrenched discriminatory rule over Palestinians. A single authority, the Israeli government, rules primarily over the area between the Jordan River and Mediterranean Sea, populated by two groups of roughly equal size, methodologically privileging Jewish Israelis while repressing Palestinians, most severely in the Occupied Palestinian Territory (OPT), made-up of the West Bank, including East Jerusalem, and Gaza. Drawing on years of human rights documentation, case studies and a review of government planning documents, statements by officials and other sources, [this report] examines Israel's treatment of Palestinians and evaluates whether particular Israeli policies and practices in certain areas amount to the crimes against humanity of apartheid and persecution.--Page 4 of cover.

**Contemporary Iraqi Fiction** Shakir Mustafa, 2018-01-31 The first anthology of its kind in the West, Contemporary Iraqi Fiction gathers work from sixteen Iraqi writers, all translated from Arabic into English. Shedding a bright light on the rich diversity Iraqi experience, Shakir Mustafa has included selections by Iraqi women, Iraqi Jews now living in Israel, and Christians and Muslims living both in Iraq and abroad. While each voice is distinct, they are united in writing about a homeland that has suffered under repression, censorship, war, and occupation. Many of the selections mirror these grim realities, forcing the writers to open up new narrative terrains and experiment with traditional forms. Muhammad Khodayyir's surrealist portraits of his home city, Basra, in an excerpt from Basriyyatha and the magical realism of Mayselun Hadi's "Calendars" both offer powerful expressions of the absurdity of everyday life. Themes range from childhood and family to war, political oppression, and interfaith relationships. Mustafa provides biographical sketches for the writers and an enlightening introduction, chronicling the evolution of Iraqi literature.

**Neverwraith** Shakir Rashaan, 2023-08-29 Bel-Air meets Cloak & Dagger in this explosive and innovative paranormal debut... Being the new kid is always gonna land you in it. Yasir Salah isn't like the other guys in his new suburban Georgia high school. Lately, he can feel something shifting in his body. Raw. Edgy. Volatile. Like his eyes changing colors and heat on his skin when some alpha bro comes for him...or how just a grin from the gorgeous, untouchable girl at school sends vibrations shooting through his entire body. Only it's not just being at a new school. It's a new town. New rules. New flow. And everything feels way smaller than his ex-life in Atlanta. All he can do is what he's been told: keep a low profile and try to not be noticed...and keep his anger under control. But they never warned him. They never told him what he is. And they sure as hell didn't tell him that the world is gonna need him.

*Where I'm Coming From* Imam Zaid Shakir, 2010-12 The past year has been a trying one for Muslims in the United States. The steady drone of anti-Islamic sentiment, growing since the tragic events of September 11, 2001, was catalyzed by a series of unfortunate incidents. We could mention among them the Fort Hood shootings, the failed attempt to detonate a bomb aboard an American-bound aircraft over Detroit, Michigan, the failed bomb attempt at Times Square in New York, the manufactured controversy surrounding the Ground Zero Mosque and the Qur'an burning event organized by a nondescript Florida pastor. Collectively, these and other events helped to amplify the voices of anti-Islamic bigots to a sometimes frightening pitch. Imam Zaid Shakir has written essays in response to many of the issues referred to above. This is a printed collection of some of those writings. This slender volume might prove beneficial to readers who are looking for insight into the ideas and personalities shaping the news, especially those readers who are not exposed to an Islamic perspective on the events of the day.

*Bint Arab* Evelyn Shakir, 1997-08-26 Shakir tells the long neglected story of the bint arab--the Arab woman--in the United States. Weaving together a survey from the late 19th century to the present, she focuses on each generation's negotiation between traditional Arab values and the social and sexual liberties permitted women in the West. Interspersing oral histories, Shakir challenges stereotypes and creates a unique and fascinating portrait of an often misunderstood group.
