

SUBWAY

Torin Reid

Between the Lines Uli Beutter Cohen, 2021-11-09 From the acclaimed creator of Subway Book Review, *Between the Lines* gloriously takes to the underground and showcases in over 170 interviews what moves us forward—a thrilling ride as unexpected as New York City itself. “Subway Book Review has changed how we look at books.” –Forbes “[Beutter Cohen’s] rosy view of the subway is a refreshing contrast.” –The Cut, New York magazine “Subway Book Review is one of the few purely good things on the internet.” –Esquire For the better part of a decade, Uli Beutter Cohen rode the subway through New York City’s underground to observe society through the lens of our most creative thinkers: the readers of books. *Between the Lines* is a timely collection of beloved and never-before-published stories that reflect who we are and where we are going. In over 170 interviews, Uli shares nuanced insights into our collective psyche and gives us an invaluable document of our challenges and our potential. Complete with original photography, and countless intriguing book recommendations, *Between the Lines* is an enthusiastic celebration of the ways stories invite us into each other’s lives, and a call to action for imagining a bold, empathetic future together. Meet Yahdon, who reads *Dapper Dan: Made in Harlem* and talks about the power of symbols in fashion. Diana shares how Orlando shaped her journey as a trans woman. Saima reads *They Say, I Say* and speaks about the power of her hijab. Notable New Yorkers open up about their lives and reading habits, including photographer Jamel Shabazz, filmmaker Katja Blichfeld, painter Devon Rodriguez, comedian Aparna Nancherla, fashion editor Lynn Yaeger, playwright Jeremy O. Harris, fashion designer and TV personality Leah McSweeney, designer Waris Ahluwalia, artist Debbie Millman, activist Amani al-Khatahtbeh, and esteemed authors such as Jia Tolentino, Roxane Gay, Ashley C. Ford, Eileen Myles, Min Jin Lee, and many more.

Subway City Michael W. Brooks, 1997 Traces the development of the subway from its inception to its decline as an overcrowded and dangerous part of city life - Explores how it has been represented in film and art - Gives women's experiences of the subway - Examines the city's racial tensions - Skyscrapers - Spatial layout of the city - Urban space.

Subway Story Julia Sarcone-Roach, 2011-10-11 Never was there a subway car who loved her job more than Jessie. From morning to night she carried all sorts of people all sorts of places—to work and school and World's Fairs, over bridges and through tunnels—sometimes she even took a pigeon along for the ride! But as time passed, sleek new silver cars began to take over the tracks, banishing Jessie to an abandoned lot. What will she do with no passengers to carry? And where will she go now that she's no longer welcome on the tracks? Based on the true story of 1960's-era subway cars that are now being used to create artificial reefs in the Atlantic, this stunningly illustrated second book from Julia Sarcone-Roach is sure to delight scuba diving historians and kids alike.

Subway Art Martha Cooper, Henry Chalfant, 1984 Traces the history of New York graffiti, shows a variety of painted subway cars, and describes the graffiti writers and how they work.

Subway Larry Dane Brimner, 2004 A history of the early subways.

The Subway Chronicles Jacquelin Cangro, 2006-08-29 Some seven million people board the New York City subway every

day, each one with a story to tell. The Subway Chronicles collects twenty-seven of the tales, dramas and comedies that unfold during the daily commute. From the “mole people” living in the subway tunnels, to the transit employees working behind the scenes, to the locals and tourists riding shoulder-to-shoulder in harmony, discord, or indifference, The Subway Chronicles offers a kaleidoscope of perspectives on this most public of spaces. Prominent New York writers weigh in: Jonathan Lethem confesses his childhood subway sins Colson Whitehead offers mass-transit tips for newcomers to the city Francine Prose recalls the thrill and apprehension of riding alone as a teenage girl Calvin Trillin pokes fun at the classic New York tendency to be skeptical about everything Stan Fischler delights in memories of riding the open-air train cars to Coney Island as a boy Equal parts hilarious, poignant, and heartbreaking, The Subway Chronicles is a journey into New York’s underground with some of today’s most loved writers.

Count on the Subway Paul DuBois Jacobs, Jennifer Swender, 2014-05-13 1 MetroCard, Momma and me. Down 2 flights—to catch the 3. 4 turnstiles, singers 5. A rumble, a screech . . . the train arrives! This bright, young counting book is a delightful trip through the New York City subway system. Hand in hand, child and mother see colorful subway signs and funny passengers, watch trains screeching by, and make new friends. With bold illustrations and a playful, rhyming text, this is not only a counting book, but also a tribute to New York and a sweet story of a child and parent navigating the city together.

Subway Christoph Niemann, 2011-06-14 Speed. Color. Sound. Numbers. Maps. Connections. Navigation. Subway systems may be specific to certain cities around the world, but the pure thrill of a subway ride is universal to all young children. Christoph Niemann’s graphically elegant and playful picture book is a tour de force for preschoolers and a stellar addition to the canon of books about trains, trucks, planes, and automobiles. Based on the author’s own underground adventures with his young boys—chronicled for adult readers in Niemann’s New York Times blog, *Abstract City*—this innovative picture book is an invitation down underground, where a system of trains and tracks delivers millions of riders to their destinations each day. “Underneath the city is this beautifully simple system of letters, numbers, and colors. The trains and stations are huge and impressive but also comforting, because nothing ever changes. My boys are in charge; they can read the signs, navigate the grid, and they always know what happens next.”—Christoph Niemann

The New York Subways Lesley A. DuTemple, 2002-10-01 Traces the history of the underground transportation system in New York City, discussing the politics involved, how it was financed, the men who built it, and the construction techniques.

The Secret Subway Shana Corey, 2016-03-08 From an acclaimed author and a New York Times Best Illustrated artist comes the fascinating, little-known—and true!—story of New York City’s first subway. New York City in the 1860s was a mess: crowded, disgusting, filled with garbage. You see, way back in 1860, there were no subways, just cobblestone streets. That is, until Alfred Ely Beach had the idea for a fan-powered train that would travel underground. On February 26, 1870, after fifty-eight days of drilling and painting and plastering, Beach unveiled

his masterpiece—and throngs of visitors took turns swooshing down the track. The Secret Subway will wow readers, just as Beach's underground train wowed riders over a century ago. A New York Public Library Best Book for Kids, 2016

Art and the Subway Tracy Fitzpatrick, 2009 Explores artistic production surrounding the world's most famous public transportation system, from just before its opening in 1904 onwards. Using images, this work offers perspectives on ways in which the subway has been used as a subject about which to make art, as a site within which to make art, and as a canvas upon which to make art.

The New York City Subway System Ronald A. Reis, 2009 Teeming with a population of 3.5 million at the end of the 19th century, the island of Manhattan couldn't meet the city's demand for rapid transit with its horse-drawn trolleys and elevated train lines. New York City needed a subway system. After four years of digging and diverting miles of utilities and tunneling under the Harlem River, the city's residents celebrated a new era in mass transit on October 27, 1904, with the opening of a nine-mile subway route. In the century to come, the New York subway would grow and expand to a system that runs 24 hours a day, seven days a week, with 6,400 cars, 468 stations, a daily ridership of 4.5 million, and 842 miles of track - longer than the distance from New York to Chicago. Politics, graffiti, and unbelievable construction challenges combined to make the building and running of the New York subway system one of the America's greatest civic undertakings.

Under the Sidewalks of New York Brian J. Cudahy, 1988 This work recounts the history of the New York subway. It is detailed, offers historical anecdotes and covers new technology. It also encompasses the tram systems, and the PATH trains linking New York to New Jersey.

The New York City Subways' Motormans' Rant Torin Reid, 2019-11-29 Have you ever REALLY wanted to know why things are the way they are, in today's New York City subway? Did you ever wish that some on the inside would just come out and talk frankly about the truths hidden within the subway? Well, lifelong rail enthusiast and 28 year veteran of the subway Torin Reid does just that. He takes a long and unblinking look at the New York subway as it never has been examined before. Mr. Reid, who is uniquely positioned to write this book, takes the time to look at the actions of the management, the employees and even the passengers in this information packed book about the subway. The reader will learn things and see angles that he or she never saw before. In this book Mr. Reid takes apart and exposes the overfunded subway capital plans, and tells you about the signal system so that the herd mentality about how these track signals perform can be seen in a more objective light, and so professional contractors can stop using the passengers and taxpayers' ignorance for their own greed. He shows the dynamics of a train delay and how a passenger can bypass these things with a little preparation. Rather than offer dry testimonials and prepared statements, Mr. Reid will take you next to a manager, train operator, and frustrated passenger so that all can learn the true position of the other. Mr. Reid also has notes within this book he will quickly touch upon Amtrak, Metro North, Long island, New Jersey Transit and other railroads as well. This book is 1/3 life experience and 2/3 research into the way of the New York City subways, it's employees and its' passengers, and it is enlightening and

well worth your time.

Beneath the Streets of Boston ,2005 Beckoning readers to explore the territory beneath Boston's streets, Joe McKendry explores a century-old world when Beantown designed and created the country's first subway. In stunning artwork and through a fascinating narrative, you will enter the subterranean realm of workers who dug miles of tunnels by hand. Using pick and shovels to create new routes, you'll discover how these workers burrowed deep below Boston Harbor, under Beacon Hill and the Old State House, and built the Longfellow Bridge to carry the trains over the Charles River to the center of Cambridge. You'll read lively first-hand accounts of the turn-of-the-century public's perception of the underground public transportation, including their fears (expressed fantastically through the gruesome image of a fanged and tentacled subway microbe), and learn how the system served as a model for the rest of the country in its ability to relieve traffic, mitigate congestion (which was even more severe a hundred years ago than today) and get people anywhere they wanted to go for only a nickel.

My Subway Ride Paul DuBois Jacobs, Jennifer Swender, 2004-08-18 Relates the sights and sounds of a subway ride through the boroughs of New York City.

Our Subway Baby Peter Mercurio, 2020-09-15 This gentle and incredibly poignant picture book tells the true story of how one baby found his home. Some babies are born into their families. Some are adopted. This is the story of how one baby found his family in the New York City subway. So begins the true story of Kevin and how he found his Daddy Danny and Papa Pete. Written in a direct address to his son, Pete's moving and emotional text tells how his partner, Danny, found a baby tucked away in the corner of a subway station on his way home from work one day. Pete and Danny ended up adopting the baby together. Although neither of them had prepared for the prospect of parenthood, they are reminded, Where there is love, anything is possible.

The Cincinnati Subway Allen J. Singer, 2003 Cincinnati emerged from a tumultuous 19th century as a growing metropolis committed to city planning. The most ambitious plan of the early twentieth century, the Cincinnati Subway, was doomed to failure. Construction began in 1920 and ended in 1927 when the money had run out. Today, two miles of empty subway tunnels still lie beneath Cincinnati, waiting to be used. The Cincinnati Subway tells the whole story, from the turbulent times in the 1880s to the ultimate failure of Cincinnati's White Elephant. Along the way, the reader will learn about what was happening in Cincinnati during the growth of the subway—from the Courthouse Riots in 1884 to life in the Queen City during World War II.

City Beneath Us New York Transit Museum, 2004-12-14 Reproduces photographic prints from the collection of the New York Transit Museum.

Underground Woman Marian Swerdlow, 1998 A white woman in a mostly minority male workplace, Swerdlow helped edit a newsletter, *Hell on Wheels*, and tried to organize for better working conditions, confronting the Kafkaesque Transit Authority bureaucracy and complacent union leadership. This book presents her account that is laden with anecdotes that range from the funny to the absurd.

As recognized, adventure as skillfully as experience more or less lesson, amusement, as capably as arrangement can be gotten by just checking out a books **SUBWAY** after that it is not directly done, you could give a positive response even more going on for this life, around the world.

We find the money for you this proper as capably as simple way to acquire those all. We offer **SUBWAY** and numerous books collections from fictions to scientific research in any way. in the middle of them is this **SUBWAY** that can be your partner.

SUBWAY Introduction

SUBWAY Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. SUBWAY Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. SUBWAY : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for SUBWAY : Has an extensive collection of digital content, including books, articles,

videos, and more. It has a massive library of free downloadable books. Free-eBooks SUBWAY Offers a diverse range of free eBooks across various genres. SUBWAY Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. SUBWAY Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific SUBWAY, especially related to SUBWAY, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to SUBWAY, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some SUBWAY books or magazines might include. Look for these in online stores or libraries. Remember that while SUBWAY, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers

eBook lending services. Many libraries have digital catalogs where you can borrow SUBWAY eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the SUBWAY full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of SUBWAY eBooks, including some popular titles.

FAQs About SUBWAY Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable

platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. SUBWAY is one of the best book in our library for free trial. We provide copy of SUBWAY in digital format, so the resources that you find are reliable. There are also many Ebooks of related with SUBWAY. Where to download SUBWAY online for free? Are you looking for SUBWAY PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search

around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another SUBWAY. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of SUBWAY are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with SUBWAY. So depending on what exactly you are

searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with SUBWAY To get started finding SUBWAY, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with SUBWAY So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading SUBWAY. Maybe you have knowledge that, people have search numerous times for their favorite readings like this SUBWAY, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. SUBWAY is available in our book collection an online access to it is set as public so you can download it

instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, SUBWAY is universally compatible with any devices to read.
