Half Bad Sally Green,2015-01-13 The inspiration for the Netflix series *The Bastard Son & The Devil Himself* “An enthralling fantasy in the Harry Potter tradition.”—Time magazine “A bewitching new thriller.”—The Wall Street Journal In a modern-day England where two warring factions of witches live alongside humans, one sixteen-year-old boy is trapped between the two sides. Nathan's father is the world's most powerful and cruel witch, and his mother is dead. Both groups of witches see Nathan as their greatest threat—or their greatest weapon. Trapped in a cage, beaten and handcuffed, he must escape before his seventeenth birthday, at which point he will receive three gifts from his father and come into his own as a witch—or else he will die. But how can Nathan find his father when his every action is tracked, when there is no one safe to trust, not even family, not even the girl he loves? In the tradition of Patrick Ness and Markus Zusak, *Half Bad* is a gripping tale of alienation and the indomitable will to survive, a story that will grab hold of you and not let go until the very last page. Now streaming on Netflix as *The Bastard Son & The Devil Himself*. Cover may vary.

The Keeper of Stories Sally Page, 2023-01-24 A charming, uplifting debut novel—full of humor and depth—that has taken readers around the world by surprise. Everyone has a story to tell. But does Janice have the power to unlock her own? She can't recall what started her collection. Maybe it was in a fragment of conversation overheard as she cleaned a sink? Before long (as she dusted a sitting room or defrosted a fridge) she noticed people were telling her their stories. Perhaps they had always done so, but now it is different, now the stories are reaching out to her and she gathers them to her ... Cleaner Janice knows that it is in people's stories that you really get to know them. From recently widowed Fiona and her son Adam to opera-singing Geordie, the quiet bus driver Euan, and the pretentious Mrs. "YeahYeahYeah" and her fox terrier, Decius, Janice has a unique insight into the community around her. When Janice starts cleaning for Mrs. B—a shrewd and prickly woman in her nineties—she finally meets someone who wants to hear her story. But Janice is clear: she is the keeper of stories, she doesn't have a story to tell. At least, not one she can share. Mrs. B is no fool and knows there is more to Janice than meets the eye. What is she hiding? After all, doesn't everyone have a story to tell?

Breakfast at Sally's Richard LeMieux, 2008-10-17 One day, Richard LeMieux had a happy marriage, a palatial home, and took \$40,000 Greek vacations. The next, he was living out of a van with only his dog, Willow, for company. This astonishingly frank memoir tells the story of one man's resilience in the face of economic disaster. Penniless, a failed suicide, estranged from his family, and living the vehicular lifestyle in Washington state, LeMieux chronicles his journey from the Salvation Army kitchens to his days with C—a philosopher in a homeless man's clothing—to his run-ins with Pastor Bob and other characters he meets on the streets. Along the way, he finds time to haunt public libraries and discover his desire to write. LeMieux's quiet determination and his almost pious

willingness to live with his situation are only a part of this politically and socially charged memoir. The real story of an all-too-common American condition, this is a heartfelt and stirring read.

"No go to Sally's" Sasha Aster,2014-02 When Sasha discovers her two-and-a-half-year old son is being physically abused by his childminder, she assumes the child protection authorities will spring into action and have this woman brought to justice or at least bar her from working with children. She was wrong. No go to Sally's is the true story of one mother's fight against the system to have her child's voice heard. With actual letters and interview transcripts, the story of this family's ordeal is essential reading for every parent and anyone who works with children. It shows how easy it is to become a childminder and how hard it is to expose a bad one. It is an insight of value to all parents into the challenges of making an allegation of child abuse. It is a guide to the practicalities of taking on the child-protection authorities when they fail in their duties. It is an overview of the people and organizations parents need to know about when making a complaint. It is written by a journalist applying all her skills and forensic approach to detail. No go to Sally's won't just make you cry; it will make you angry and determined that this never happens to you and your child.

A Place Like This Sally W Buffington,2021-07-27 Summers on The Cape in A Place Like This When newly engaged Sally Buffington is introduced to Craigville, she meets an expansive Cape Cod cottage that is virtually a family member itself. She quickly finds herself competing for airtime among the talkative, assured band of brothers and her new mother-in-law-the cottage's lively and confounding matriarch. Sally, a Cape Cod local, soon wonders how she'll ever maintain her independence, let alone her sense of self when the day's agenda and every detail is already set in stone. But, she navigates her new life with quiet persistence and a boundless curiosity that guides her to explore life through the creative lens of her camera and her pen. Sally writes with a whimsical candor that is both honest and humorous. Through poetic prose and heart-felt reflection, A Place Like This reveals the beauty of Cape Cod and shows us that sometimes the simplest of moments bring us the most lasting joy.
