All We Can Save Ayana Elizabeth Johnson, Katharine K. Wilkinson, 2021-07-20 NATIONAL BESTSELLER • Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. “A powerful read that fills one with, dare I say . . . hope?”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it's clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it's a dynamic that sets us up for failure. To change everything, we need everyone. *All We Can Save* illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection and celebration of visionaries who are leading us on a path toward all we can save. Saved by a Song Mary Gauthier, 2021-07-06 A handbook for compassion... a Must-Read Music Book.” —Rolling Stone Country Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share. —Wally Lamb, author of *I Know This Much Is True* Gauthier has an uncanny ability to combine songwriting craft with a seeker's vulnerability and a sage's wisdom.” —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend

did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

Food Saved Me Danielle Walker, 2021-09 - National Bestseller - You can live a full, happy, and healthy life without ever feeling excluded or deprived. When doctors told Danielle Walker that food didn't cause her autoimmune disease and couldn't help control it, she set out to prove them wrong. Diagnosed with an extreme form of ulcerative colitis at 22, Danielle was terrified she'd never be able to eat all the wonderful, great-tasting foods she loved growing up or host warm, welcoming gatherings with family and friends. So when the medicine she was prescribed became almost as debilitating as the disease itself, Danielle took matters into her own hands, turned her kitchen into a laboratory, and set to work creating gut-healthy versions of the foods she thought she'd never be able to enjoy again. Three New York Times bestselling cookbooks later, Danielle has become a beacon of hope for millions around the world suffering from autoimmune diseases, food allergies, and chronic ailments. Now for the first time, with stunning transparency about the personal toll her illness took on her physically, emotionally, and spiritually, Danielle reflects on everything she's learned during her decade-long journey toward healing—including the connection between gut health and overall well-being, the development of her favorite recipes, and the keys for not simply surviving her autoimmune disease but thriving despite it. Through her resilience, Danielle tells a story that provides hope—hope that despite your ailments or hardships, you can live a full, happy, and healthy life without ever feeling excluded or deprived. *Food saved Danielle Walker. And it can save you, too.* Includes six fan-favorite recipes and the stories behind them!

Emergency Neil Strauss, 2009-03-10 Terrorist attacks. Natural disasters. Domestic crackdowns. Economic collapse. Riots. Wars. Disease. Starvation. What can you do when it all hits the fan? You can learn to be self-sufficient and survive without the system. ***I've started to look at the world through apocalypse eyes.*** So begins Neil Strauss's harrowing new book: his first full-length work since the international bestseller *The Game*, and one of the most original and provocative narratives of the year. After the last few years of violence and terror, of ethnic and religious hatred, of tsunamis and hurricanes—and now of world financial meltdown—Strauss, like most of his generation, came to the sobering realization that, even in America, anything can happen. But rather than watch helplessly, he decided to do something about it. And so he spent three years traveling through a country that's lost its sense of safety, equipping himself with the tools necessary to save himself and his loved ones from an uncertain future. With the same quick wit and eye for cultural trends that marked *The Game*, *The Dirt*, and *How to Make Love Like a Porn Star*, *Emergency* traces Neil's white-knuckled journey through today's heart of darkness, as he sets out to move his life offshore, test his skills in the wild, and remake himself as a gun-toting, plane-flying, government-defying survivor. It's a tale of paranoid fantasies and crippling doubts, of shady lawyers and dangerous cult leaders, of billionaire gun nuts and survivalist superheroes, of weirdos, heroes, and ordinary citizens going off the grid. It's one man's story of a dangerous world—and how to stay alive in it. Before the next disaster strikes, you're going to want to read this book. And you'll want to do everything it suggests. Because tomorrow doesn't come with a guarantee...

Saving Us Katharine Hayhoe, 2021-09-21 United Nations Champion of the Earth, climate scientist, and evangelical Christian Katharine Hayhoe changes the debate on how we can save our future in this nationally bestselling “optimistic view on why collective action is still possible—and how it can be realized” (The New York Times). Called “one of the nation’s most effective communicators on climate change” by The New York Times, Katharine Hayhoe knows how to navigate all sides of the conversation on our changing planet. A Canadian climate scientist living in Texas, she negotiates distrust of data, indifference to imminent threats, and resistance to proposed solutions with ease. Over the past fifteen years Hayhoe has found that the most important thing we can do to address climate change is talk about it—and she wants to teach you how. In *Saving Us*, Hayhoe argues that when it comes to changing hearts and minds, facts are only one part of the equation. We need to find shared values in order to connect our unique identities to collective action. This is not another doomsday narrative about a planet on fire. It is a multilayered look at science, faith, and human psychology, from an icon in her field—recently named chief scientist at The Nature Conservancy. Drawing on interdisciplinary research and personal stories, Hayhoe shows that small conversations can have astonishing results. *Saving Us* leaves us with the tools to open a dialogue with your loved ones about how we all can play a role in pushing forward for change.

Trying to Save Piggy Sneed John Irving, 2016-02-02 A commemorative hardcover edition of the only collection ever published of the celebrated novelist's shorter works. Here is a treat for devoted fans of John Irving. First published twenty years ago, *Trying to Save Piggy Sneed* contains a dozen short works by the author, beginning with three memoirs. The longest of the memoirs is *The Imaginary Girlfriend*, his candid account of his twin careers in writing and wrestling, which, as the *Denver Post* observed, is filled with anecdotes that are every bit as hilarious as the antics in his novels . . . [and] combines the lessons of both obsessions. The middle portion of the book is fiction. Over a career that spans thirteen novels, these are the six stories that Mr. Irving considers finished. Among

them is *Interior Space*, for which he won the O. Henry Award. In the third and final section are three homages: one to Günter Grass and two to Charles Dickens. To each of the twelve pieces, he has contributed author's notes, which provide some perspective on the circumstances surrounding the writing of each piece. For readers who prefer a hardcover, this commemorative edition is a book to treasure. For new readers, it is a perfect introduction to the author of works as moving and mischievous as *The World According to Garp*, *A Prayer for Owen Meany*, and *In One Person*. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Save It for Later Nate Powell, 2021-04-06 From Nate Powell, the National Book Award-winning artist of *March*, a collection of graphic nonfiction essays about living in a new era of necessary protest—now with sixteen pages of new material In seven interwoven comics essays, author and illustrator Nate Powell addresses living in an era of what he calls “necessary protest.” *Save It for Later: Promises, Parenthood, and the Urgency of Protest* is Powell’s reflection on witnessing the collapse of discourse in real-time while illustrating the award-winning trilogy *March* by Congressman John Lewis and Andrew Aydin, this generation’s preeminent historical account of nonviolent revolution in the civil rights movement. Powell highlights both the danger of normalized paramilitary symbols in consumer pop culture and the roles we play individually as we interact with our communities, families, and society at large. Each essay tracks Powell’s journey from the night of the election—promising his four-year-old daughter that Trump will never win—to the reality of the authoritarian presidency, protesting the administration’s policies, and navigating the complications of teaching his children how to raise their own voices in a world that is becoming increasingly dangerous and more and more polarized. While six of the seven essays are new, unpublished work, Powell has also included “About Face,” a comics essay first published by Popula Online that swiftly went viral and inspired him to write *Save It for Later*. The seventh and final essay was written after the 2020 presidential election, and examines the outcome of that contest in relation to the events of the last four years, with a particular focus on the COVID-19 pandemic and global protests in the wake of the murder of George Floyd. The updated paperback comes out just in time for the 2022 midterm elections and includes bonus content featuring a conversation between Powell and Derf Backderf, the New York Times–bestselling author of *My Friend Dahmer* and *Kent State*, where they discuss the militarization of civilian spaces and the aftermath of the January 6th insurrection. As Powell moves between subjective and objective experiences raising his children—depicted in their childhood innocence as imaginary anthropomorphic animals—he reveals the electrifying sense of trust and connection with neighbors and strangers in protest. He also explores how to equip young people with tools to best make their own noise as they grow up and help shape the direction and future of this country.
