Book of Wise Sayings W. A. Clouston,2019-11-21 Book of Wise Sayings by W. A. Clouston is an interesting peek into Eastern philosophy and thought. It is a collection of quotes and sayings to help with the trials and tribulations of everyday life. Excerpt: The enemies which rise within the body, hard to overcome should manfully be fought: he who conquers these is equal to the

conquerors of worlds. If passion gaineth the mastery over reason, the wise will not count thee amongst men. Dost thou desire that thine own heart should not suffer, redeem thou the sufferer from the bonds of misery.

Powerful Short Quotes & Sayings Mazimum C

Jerri,2020-11-12 Quotes are very powerful. On the surface, they are just a bunch of words but when you ponder over them they reveal powerful ideas that resonate with your very core. I mean someone did quote these words for a reason:).Personally, one of the biggest reasons why I love quotes is because of how relatable they can be. Quotes tend to be simplistic and easy to remember and they echo what is in our hearts. Plus I think quotes are very effective to better yourself because they help your mind focus on particular topics at a time. Unlike other literary tools quotes, and short quotes, in particular, give you the ability to concentrate on one idea with no outside distractions.So whether it's for self-motivation, your next t-shirt design or simply for your Instagram bio, this collection of short quotes is full of powerful ideas packed into tiny little packages of words. They have made a profound positive impact in my life and I'm sure they will make one in yours as well.

More Jamaica Old-Time Sayings Edna Bennett,2010-11 Jamaicans, like others around the world, often experience a tugging at the heart that can only be assuaged by pleasant

memories. In her collection of old Jamaican proverbs, Edna Bennett shares the powerful messages and folk wisdom of the Jamaican people, conveying not only the mellowness of nostalgia, but also the gentleness of the island culture. Led by a desire to keep her culture alive, Bennett urges others to take five, cock up yu foot, and 'member what yu old people used to say as she offers collective wisdom presented in Jamaican dialect with English translations. Unforgettable sayings gathered from over three hundred years of Jamaican history include ban' yu belly (be prepared for hardships), cotton tree fall dung, nanny goat jump over it (when the mighty falls, the humblest may take advantage of him), and yu se' man face, yu nuh se' 'im heart (you cannot tell a man's true feelings by the look on his face). More Jamaica Old-Time Sayings will spur memories, transport Jamaicans back to the roots of their culture, and encourage others to not live their lives like a kitchen without a knife, but to focus on the whetstone of Jamaican wisdom.

Book of Wise Sayings United States,W. A. Clouston,2018-07-04

When a man has reached middle-age he generally feels with

tenfold force the truth of those sayings of the wise which he learned in his early years, and has cause to regret, as well as wonder, that he had not all along followed their wholesome teaching. For it is to the young, who are about to cross the threshold of active life, that such terse convincing sentences are more especially addressed, and, spite of the proverbial heedlessness of youth, there will be found many who are not deaf to this kind of instruction, if their moral environment be favourable. But, even after the spring-time of youth is past, there are occasions when the mind is peculiarly susceptible to the force of a pithy maxim, which may tend to the reforming of one's way of life. There is commonly more practical wisdom in a striking aphorism than in a round dozen of goody books--that is to say, books which are not good in the highest sense, because their themes are overlaid with commonplace and wearisome reflections.
