*SCION: A Secure Internet Architecture* Adrian Perrig, Pawel Szalachowski, Raphael M. Reischuk, Laurent Chuat, 2017-10-13 This book describes the essential components of the SCION secure Internet architecture, the first architecture designed foremost for strong security and high availability. Among its core features, SCION also provides route control, explicit trust information, multipath communication, scalable quality-of-service guarantees, and efficient forwarding. The book includes functional specifications of the network elements, communication protocols among these elements, data structures, and configuration files. In particular, the book offers a specification of a working prototype. The authors provide a comprehensive description of the main design features for achieving a secure Internet architecture. They facilitate the reader throughout, structuring the book so that the technical detail gradually increases, and supporting the text with a glossary, an index, a list of abbreviations, answers to frequently asked questions, and special highlighting for examples and for sections that explain important research, engineering, and deployment features. The book is suitable for researchers, practitioners, and graduate students who are interested in network security.

**Scion of Cyador** L. E. Modesitt, Jr., 2001-12-09 A sequel to Magi'i of Cyador, lancer officer Lorn finds himself victimized by his own youthful prowess. Only the death of the Emperor sets him and all of Cyad back on a healthy path.

**The Scion 1** S. D. Johnson, 2017-11 At the age of thirteen Yoli was groomed to be the new Scion for The Shore Delegation. Shortly after her eighteenth birthday, her life is in jeopardy as she is kidnapped and is forced to find herself struggling to survive, find her purpose, and her truth, outside of the ocean side walls of The Shore Delegation. She comes face to face with the other delegations; the barbaric Hilltop Delegation, the mysterious people of The Bottoms, and the gruesome people of The Pit. Her sheltered life will be turned upside down as she strives to become the next Scion. This first book in the Scion series is captivating and extremely engaging. You can see, feel and smell the environment and the character descriptions leap out of the page so much that you begin to see the characters of the book around you everywhere you go. This book will keep you on the edge of your seat, pulling you in as you crave the next installment in the series. -Didymus Mentor, Gang Specialist, Minister, Artist and Co-Owner of S.O.E Kingdom

**Scion** Bryant R. Camareno, 2021-01-14 Fiorello. What is the mystery behind this word, and what is its sinister connection that binds a terrorist hiding in the Middle East, a serial killer in London, and a deranged woman and her American companion on the run in Europe? Fiorello. The genesis of this word began in 1978, when a secret experiment within the confines of the Vatican walls set forth a chain of events that would either validate the tenets of Christian faith . . . or destroy it.

**Blood Scion** Deborah Falaye, 2022-03-08 "Equal parts soaring fantasy, heart-pounding action, and bloody social commentary, Blood Scion is a triumph of a book." –Roseanne A. Brown, New York Times bestselling author of A Song of Wraiths and Ruin This is what they deserve. They wanted me to be a monster. I will be the worst monster they

ever created. Fifteen-year-old Sloane can incinerate an enemy at will—she is a Scion, a descendant of the ancient Orisha gods. Under the Lucis’ brutal rule, her identity means her death if her powers are discovered. But when she is forcibly conscripted into the Lucis army on her fifteenth birthday, Sloane sees a new opportunity: to overcome the bloody challenges of Lucis training, and destroy them from within. Following one girl’s journey of magic, injustice, power, and revenge, Deborah Falaye’s debut novel, inspired by Yoruba-Nigerian mythology, is a magnetic combination of *Children of Blood and Bone* and *An Ember in the Ashes*.

**Scion Companion** Joseph Carriker, Jennifer Lawrence, Jesse Heinig, Dean Shomshak, David Nurenberg, Ned Coker, 2009-02 A resource book for Scion, containing three new pantheons: the Tuatha de Dannan, the Celestial Bureaucracy and the Devas ; new boons, knacks and birthrights for Scions ; new storyteller advice and antagonists to use in your cycle ; the World at War, a new background for playing Scion in World War II--Page 4 of cover

Split Adam: Scion Saga Book 2 Calix Leigh-Reign, 2017-07-31 The SCION SAGA SERIES resumes with Adam struggling to pick up the pieces of his youth after having lost both his biological and adoptive fathers to the Iksha. Discovering that someone he'd once despised may now be the only living link to his biological mother, encourages him to fight aggressively through psychological counseling while Carly's robbed of her human right to grieve her parents due to her leadership role among the Descendants, though her budding relationship with Jo provides much needed solace. With the Iksha momentarily neutralized, the Descendants have bravely decided to join life on the surface by moving from their underground safe house in International Falls to Piure. The biokenretic Hexacuh casted around the City, meant to protect them, proves to be a double-edged sword when a lurking evil is discovered trapped within the City limits. As graduation approaches, many teen woes weigh heavily on Adam's mind, seemingly causing it to fracture into dual personalities. After his symptoms grow beyond his control, Carly leaves in search of answers but returns with a cure that's beyond what anyone could've expected, forcing Adam to face a part of himself that he never thought he'd live to see.

**The Complete Guide to SCION** Laurent Chuat, Markus Legner, David Basin, David Hausheer, Samuel Hitz, Peter Müller, Adrian Perrig, 2022-05-16 When the SCION project started in 2009, the goal was to create an architecture offering high availability and security for basic point-to-point communication. In the five years since the publication of SCION: A Secure Internet Architecture, this next-generation Internet architecture has evolved in terms of both design and deployment. On the one hand, there has been development of exciting new concepts and systems, including a new global time-synchronization system, an inter-domain approach for bandwidth reservations called COLIBRI, and Green Networking, which allows combating global climate change on three fronts. On the other hand, SCION is now also in production use by the Swiss financial ecosystem, and enables participants such as the Swiss National Bank, the Swiss provider of clearing services (SIX), and all Swiss financial institutes to communicate securely and reliably with each other via the Secure Swiss Finance Network. This unique guidebook provides an updated description of SCION's main components, covering new research topics and the most recent deployments. In particular, it presents in-depth discussion of formal verification efforts. Importantly, it offers

a comprehensive, thorough description of the current SCION system: Describes the principles that guided SCION's design as a secure and robust Internet architecture Provides a comprehensive description of the next evolution in the way data finds its way through the Internet Explains how SCION can contribute to reducing carbon emissions, by introducing SCION Green Networking Demonstrates how SCION not only functions in academic settings but also works in production deployments Discusses additional use cases for driving SCION's adoption Presents the approaches for formal verification of protocols and code Illustrated with many colorful figures, pictures, and diagrams, allowing easy access to the concepts and use cases Assembled by a team with extensive experience in the fields of computer networks and security, this text/reference is suitable for researchers, practitioners, and graduate students interested in network security. Also, readers with limited background in computer networking but with a desire to know more about SCION will benefit from an overview of relevant chapters in the beginning of the book.

**Chased By The Light** L.P. Dillon ,2021-10-04 Aubrey Miller is off to College and more than ready to leave her small town and the cheating ex that resides there. After being accepted into the most prestigious sorority at Murston College, Aubrey is confident that this is exactly where she is meant to be. At the sorority welcome party, Aubrey meets the man of her dreams. Jesse is everything her scummy ex-boyfriend could never be. There is only one small problem, Jesse's cousin Chase thinks that he claimed her first. Aubrey isn't about to let some Neanderthal from the dark ages tell her who can and can not date. Just who does he think he is? Chase Walker is a full-blooded werewolf and the future Alpha of the Murston pack. Jesse and Chase have been best friends since childhood, but are now willing to lay down their lives for Aubrey. A little on the dramatic and obsessive side, but fate and their frenzied animal instincts can do that. Who can she trust with her heart? One man she loved at first sight, the other, no matter how hard she tries to ignore, he pulls heavy on her heart. Is it possible to love two men at the same time? Secrets begin to shed as quickly as clothing, while love and laughter turn into heartbreak and tears. With so many mysteries, not only at Murston, but also within her own family, who can she trust? Is she ready for the truth? Better yet, are you?

The Edict of Scion Erin Madison,2020-08-28 Maia hasn't told anyone she's the long-lost princess betrothed to Prince Connor. She especially can't tell them now that she's used her secret magic to ingrain herself into his elite school.She desperately wants to meet him, just once... But her romantic hopes are crushed when she finds out that he's immune to her magic... He actually hates her. He hates everyone. And NO ONE hates Maia. It's impossible... *Scion of the Fox* S. M. Beiko,2017-10-17 As the winter ice begins to thaw, the fury of a demon builds Ñ all because one girl couldn't stay dead . . . Roan Harken considers herself a typical high school student Ñ dead parents, an infected eyeball, and living in the house of her estranged, currently comatose grandmother (well, maybe not so typical) Ñ but she's uncovering the depth of the secrets her family left behind. Saved from the grasp of Death itself by a powerful fox spirit named Sil, Roan must harness mysterious ancient power . . . and quickly. A snake-monster called Zabor lies in wait in the bed of the frozen Assiniboine River, hungry for the sacrifice of spirit-blood in exchange for keeping the flood waters at bay. Thrust onto an ancient battlefield, Roan soon realizes that to maintain the balance of the world, she will have to sacrifice more than her life in order to take her place as Scion of the Fox. American Gods meets Princess Mononoke in this powerful first installment of a trilogy sure to capture readers's imaginations everywhere.
