Make Change Shaun King, 2020 Activist and journalist Shaun King reflects on the events that made him one of the most prominent social justice leaders of our time and lays out a clear action plan for you to join the fight--with a foreword from Bernie Sanders

The Diary of a Bookseller Shaun Bythell, 2018-09-04 A WRY AND HILARIOUS ACCOUNT OF LIFE AT A BOOKSHOP IN A REMOTE SCOTTISH VILLAGE Among the most irascible and amusing bookseller memoirs I've read. --Dwight Garner, New York Times Warm, witty and laugh-out-loud funny...--Daily Mail The Diary of a Bookseller is Shaun Bythell's funny and fascinating memoir of a year in the life at the helm of The Bookshop, in the small village of Wigtown, Scotland--and of the delightfully odd locals, unusual staff, eccentric customers, and surreal buying trips that make up his life there as he struggles to build his business . . . and be polite . . . When Bythell first thought of taking over the store, it seemed like a great idea: The Bookshop is Scotland's largest second-hand store, with over one hundred thousand books in a glorious old house with twisting corridors and roaring fireplaces, set in a tiny, beautiful town by the sea. It seemed like a book-lover's paradise . . . Until Bythell did indeed buy the store. In this wry and hilarious diary, he tells us what happened next--the trials and tribulations of being a small businessman; of learning that customers can be, um, eccentric; and of wrangling with his own staff of oddballs (such as ski-suit-wearing, dumpster-diving Nicky). And perhaps none are quirkier than the charmingly cantankerous bookseller Bythell himself turns out to be. But then too there are the buying trips to old estates and auctions, with the thrill of discovery, as well as the satisfaction of pressing upon people the books that you love . . . Slowly, with a mordant wit and keen eye, Bythell is seduced by the growing charm of small-town life, despite --or maybe because of--all the peculiar characters there.

Rules of Summer Shaun Tan, 2017-06 Describes the relationship between two young boys, whose friendship is tested by difficult situations. Rules are broken, with surprising consequences, but eventually friendship is restored. A sophisticated picture book.

SHAUN'S ONE TRUE LOVE STORY shaun hall,

Life After a Terrible Relationship Shaun "54" Smith, 2014-04-25 "I don't care how long it takes. Just come back to me." That's how much of a hopeless romantic Brent Howard was. A good-looking man, Brent never had any problem attracting women, but he did have a problem with attracting trouble. Have you ever been in a terrible relationship? Have you found yourself wanting to pull away, but just not being able to? Of course, nobody wants to be lonesome. "But there is a big difference between being lonely and being alone," Shaun "54" Smith aptly puts it. Brent Howard wanted love. He wanted it so badly, but does love want him back? Anybody can love, but not everybody is lucky enough to love the right person. Could Brent be one of the lucky ones?

Confessions of a Bookseller Shaun Bythell, 2020-04-07 A funny memoir of a year in the life of a Scottish used bookseller as he stays afloat while managing staff, customers, and life in the village of Wigtown. Inside a Georgian townhouse on the Wigtown highroad, jammed with more than 100,000 books and a portly cat named Captain, Shaun Bythell manages the daily ups and downs of running Scotland's largest used bookshop with a sharp eye and even sharper wit. His account of one year behind the counter is something no book lover should miss. Shaun drives to distant houses to buy private libraries, meditates on the nature of independent bookstores ("There really does seem to be a serendipity about bookshops, not just with finding books you never knew existed, or that you've been searching for, but with people too."), and, of course, finds books for himself because he's a reader, too. The next best thing to visiting your favorite bookstore (shop cat not included), *Confessions of a Bookseller* is a warm and welcome memoir of a life in books. It's for any reader looking for the kind of friend you meet in a bookstore. Praise for Shaun Bythell and *Confessions of a Bookseller* "Something of Bythell's curmudgeonly charm may be glimpsed in the slogan he scribbles on his shop's blackboard: "Avoid social interaction: always carry a book." --The Washington Post "Bythell's wicked pen and keen eye for the absurd recall what comic Ricky Gervais might say if he ran a bookshop." --The Wall Street Journal "Irascibly droll and sometimes elegiac, this is an engaging account of bookstore life from the vanishing front lines of the brick-and-mortar retail industry. Bighearted, sobering, and humane." --Kirkus Reviews "Amusing and often cantankerous stories [that] bibliophiles will delight in, and occasionally wince at." --Publishers Weekly

Shaun's Salvation K. C. Wells, 2022-01-06 Romance is the last thing Shaun wants, but what if it's exactly what he needs - and deserves? A selfless son barely holding on Shaun doesn't have much of a life. When he's not working in the restaurant in Portland, Maine, he's home looking after his dad, who has dementia. The only people he sees on a regular basis are his coworkers, and Nathan, his dad's in-home nurse, except he and Shaun are like ships that pass in the night. And on those dark nights when Shaun feels so alone, thoughts of Nathan are all he has to cling to. A caring nurse It didn't take Nathan five minutes to know Shaun is a special guy. He's dealt with enough indifferent families to recognize Shaun has and will always put his dad first. That's why Nathan is willing to go above and beyond - Shaun is worth it. Nathan's attraction to him has to go on the back burner, not that Shaun has noticed: Shaun's focus is all on his dad. Maybe it's time for Nathan to convince Shaun he can keep that focus and still have a life - a life that includes love.

Shaun the Sheep: The Beast of Soggy Moor Martin Howard, 2015-02-10 AAARRROOOooo! What's making that hair-raising howl? Can Bitzer the sheepdog and his flock find the beast - before it finds them? One dark, misty night at Mossy Bottom Farm, a starving creature creeps silently through the farmyard, waiting to feed. Well, actually, it's just Bitzer the sheepdog with a growling stomach, holding his clipboard as he checks on the flock and chickens. But wait?--what's that howl that's making his fur stand on end? Is it Shaun the sheep playing one of his pranks? The Farmer practicing his trombone? Suddenly the moon appears, and there it is: a hulking shadow on the side of the barn that must be the outline of a ... beast! Are they all doomed, or can Bitzer and his crew concoct a plan that's so madcap it just might work?
