

**Sid**

**Sid Cooper**

**Sid Porter** William Post,2017-08-07 Sid Porter was raised in and around Junction, Texas. He fell in love when he was twelve years old with a woman thirty years his senior. When he was nineteen, she hired Sid, and he worked for her for two years. She then had to let him go because of a draught. Although she loved Sid like a son, she only realized that she was in love with him after they parted. Sid traveled to Mexico, where he embraced the land and its people. He wrote love letters to his sweetheart every week he was gone. The letters melted her heart, and later she wrote him to come home and that she would marry him. The marriage lasted two blissful years, but then tragedy struck. At an early age, Sid apprenticed with a doctor who also treated animals. Sid worked with him from the age of twelve until he was eighteen. This gave him a background in medicine that led to a career as a medical doctor. The book takes Sid through many adventures and some loves. Sids many friends make him realize that one of Gods greatest gifts is the friendship of others. Visit Posts website and see the covers of several of his books: [NovelsbyWilliamPost.com](http://NovelsbyWilliamPost.com).

You'll Be Sor-ree! Sid Phillips,2012-04-03 Sid Phillips, a World War II Marine Corps hero featured in HBO®'s The Pacific, offers up an invaluable firsthand account of the war against Japan. A mortarman with H-2-1 of the legendary 1st Marine Division, Sid was only seventeen years old when he entered combat with the Japanese. Some two years later, when he returned home, the island fighting on Guadalcanal and Cape Gloucester had turned Sid into an Old Timer by Marine standards, and more: he left as a boy, but came home a man. These are his memoirs, the humble and candid tales that Sid collected during a Pacific odyssey spanning half the globe, from the grueling boot camp at Parris Island, to the coconut groves of Guadalcanal, to the romantic respite of Australia. Sid recalls his encounters with icons like Chesty Puller, General Vandergrift, Eleanor Roosevelt, and his boyhood friend, Eugene Sledge. He remembers the rain of steel from Japanese bombers and battleships, the brutality of the tropical elements, and the haunting notion of being expendable. This is the story of how Sid stood shoulder to shoulder with his Marine brothers to discover the inner strength and deep faith necessary to survive the dark, early days, of World War II in the Pacific.

Sid! Sid Hartman,Patrick Reusse,2007-05-15 In this memoir, the Dean of Twin Cities sports journalism looks back on his memorable career and the stories he has covered. Sid Hartman has been at the center of Minnesota sports for more than sixty years, getting the inside scoop from players, coaches, owners, and his many "close personal friends." This fascinating tell-all reveals Sid's life and career, from his days as a newspaper boy in Minneapolis and his first scoops as a cub reporter with the Minneapolis Tribune, to his place as a true Minnesota legend. From his controversial role as de facto general manager of the Minneapolis Lakers to his fight to save the Twins, Sid has been in the thick of the local sports scene at all levels. In these pages, sports fans will be privy to Sid's insight into hundreds of events and legendary figures, from Bud Grant and Bob Knight to Kirby Puckett and Kevin Garnett. As one of the most widely read and listened-to sports journalists in the Midwest for over half a century, Sid's impact has been felt by fans from all walks of life, including renowned figures such as Tom Brokaw and Walter Mondale, who called Sid "one of America's hardest-working, most widely read sportswriters." Join Sid and his cast of thousands, and enjoy their outrageous stories—and learn some Minnesota sports history in the process. This updated edition includes Sid's reminiscences on the past decade of Minnesota sports, including the resurgent Twins, the rocky Vikings, and his always-beloved Gophers.

*Did Sid?* Paul Robins,2013-03-18 It's 1980. The capitol of California is experiencing a curious crime wave, and all the clues point to Sid Bigler. An insecure deli owner is transformed into an equally insecure private detective as Sid scrambles to prove to the police, the press, and his girlfriend, that he's innocent. Somebody did it, Did Sid?

**Six Dinner Sid** Inga Moore,2012-12-06 This original picture book classic has sold over 250,000 copies and is in the Daily Telegraph's top 50 children's books of all time. Sid has six owners, lives in six houses and has six dinners a day. Life is just about purrfect . . . Sid is a cat who is addicted to having six meals a day and glories in this lifestyle. Manipulative, persuasive and a charmer he has wrapped everybody round his little paw - each owner believes that Sid belongs to them only... until

the day he is found out! '... much loved.' The Bookseller

**Sid Sanford Lives!** Daniel Ford, 2017 Sid's story starts idyllically, as all love stories do, when Sid meets his future best friend, and off-and-on lover, Jocelyn during a backyard Wiffle ball game. The pair stumbles through an awkward relationship while surviving the touchstones of growing up--graduating high school, leaving for college, and finding that first job. Sid's relentless chase for Constance, his college sweetheart, causes Jocelyn to dramatically sever their friendship. The next day, a solemn detective wakes up Sid from the haze of a one-night stand to tell him that a cold-blooded criminal murdered Jocelyn, putting an end to the carefree, recklessly ambitious life Sid had envisioned in his youth. A grim series of events leads him overseas, into the bottle, and finally back home to a supportive and colorful family that tries to put back the pieces.

**It Looked so Good in the Window** Sid Cooper, 2008-11-03 One night while we were performing at the club, Tommy Dorsey himself came in with an entourage of his people. When Tommy's group went thru the room we were deep into an arrangement of mine, of a popular war song called, On a Wing and a Prayer. they all slowed down a moment to hear what we were doing I was excited. Upon returning to our hotel, I found a note in my box. I just about fainted. It said please come by the stage door to see me, signed Lou Zito ? manager of the T.D. Orchestra. Can you imagine the excitement in my brain? Wow! It was like an explosion. He told me that Tommy wanted to see me about joining the band. I was totally tongue tied. He took me to Tommy's dressing room. There he was as big as life and he asked me to join his band. There you go that dream Ethel had came true. And so my journey in the wonderful world of big bands really began.

**Sid Brooks' Tales from the San Diego Chargers Locker Room** Sid Brooks, Gerri Brooks, 2006 During his 27-year tenure with the San Diego Chargers, equipment manager Sid Brooks kept over 5,000 football players from appearing naked before their cheering fans. The first African-American to hold the job of equipment manager in the NFL, Brooks' job was to see that each player left the locker room in uniform. But the means to that end was far more complicated -- and outrageous -- than one would believe. Sid Brooks' Tales from the Chargers Locker Room takes the reader aboard the elevator to B2, the basement of Qualcomm Stadium, where the Chargers locker room is housed. In that basement, the equipment department and trainers, affectionately known as dungeon rats, ran the Chargers locker room. There, Sid Brooks became caretaker for all who crossed its threshold. The locker room would be damp, dark, and quiet before the coffee and doughnuts arrived, before the arrogant swagger of the players and boom boxes, high-fives, and back-slapping brought the joint to life. Here Sid recreates that environment with tales from within the locker room, the team hotel, and the field of play, featuring stories about Chargers greats like Dan Fouts, Charlie Joiner, Kellen Winslow, Louie Kelcher, John Jefferson, Rodney Harrison, and Junior Seau. Sid recounts stories unique to a life spent working behind the scenes in the Chargers locker room. With an eye for detail, he recounts tales of spies sent out to capture the opposing team's playbooks; the night the lights went out on Don Schula; wild cab rides with Fouts, Joiner, and Winslow; the zany pre-game rituals and idiosyncrasies of Russ Washington, Wilbur Young, Pat Curran, Woodrow Lowe, and others; rivalries born not on the playing field, but at the dominoes table; and plenty of pranks and good-natured ribbing. Rarely does a book offer more than a passing glance at what makes a football team a family. But Chargers fans can rejoice, because Sid Brooks not only introduces the family, h

**Kurt and Sid** Roy Smiles, 2009-09-02 April 1994. A man sits alone in an attic extension on the cusp of becoming a Seattle suicide statistic. This man is no 'number and name' to be reported in a local newspaper. He is an icon, albeit a reluctant one. Kurt Cobain, the frontman of Nirvana, is about to pull the trigger of the gun in his hand and join the leagues of rock star deaths down the ages. Without invitation, Kurt has the curious company of a man purporting to be the Sex Pistols' Sid Vicious, Kurt's hero. Roy Smiles' witty and beautifully poignant new play explores exactly what it means to dice with death when being alive proves to be all too painful and peace seems elusive...

**Sid-izens United** Sid Rosenberg, 2022-09-06 The legendary radio personality and equal-opportunity offender delivers authentic and unapologetic takes on the state of everything—from politics to sports, and pop culture to fitness—all with his inimitable style and humor. "Sid Rosenberg writes the way he

talks: fast and blunt. His book is entertaining and provides the reader insight into a guy who hit the bottom but pulled himself up to great success. You'll get your money's worth and more." —Bill O'Reilly, *Media Guy Phonies and frauds, beware*. Whether you're an athlete, entertainer, or politician—Sid Rosenberg leaves nobody unscathed. Sid helps navigate the tough topics of today, clearly laying out his thoughts and opinions in the one-of-a-kind style and charm that has made him one of the top radio and TV talents in the country. He also provides a "call-to-action" to the reader with his Sid-izen Solutions at the end of each hot-topic chapter. "Every person is born with a filter between their brain and their mouth. Sid Rosenberg was born without one. Anything he thinks of he says. Love him or hate him...he's the real deal." —Chazz Palminteri A must-read for the politically incorrect, *Sid-izens United: Salacious Spiels, Stories, Suggestions, and Solutions to Withstand a Woke World* captures Sid at his best—showing once again why his radio show reaches millions of devoted Sid-izens each week. "Sid Rosenberg is New York personified—caustic, unfiltered, hilarious, and with a huge heart. The bad boy of radio dispenses ripping tales about fame, sport, and politics in his new book. But the sweet bonus is the wisdom he learned from the school of hard knocks on how to succeed at marriage and fatherhood." —Miranda Devine "I've known Sid since he was a customer service agent for a company nobody ever heard of. The fact that I would care what he has to say about world politics or society as a whole is as shocking to me as it is to you, but here I am laughing and crying while hearing his unmistakably unique voice in my ears as I turn the pages of this book. Sid's a talented creator, an unapologetic and gifted performer in a sea of copycats and unoriginal thoughts. He simply stands out. We share some of the same demons and I'm beyond proud to see him overcome them and succeed as he has and become the father and man that his dad would be so proud of. I have no idea what a Sid-izen is, and I'm terrified now that I might be one." —Craig Carton

**Sid's Story** Sid Vogel, Karen Vogel, 2019-06-08 A poignant, funny and insightful diary about the challenges of aging from two generational perspectives. Sid Vogel, age 95, completed a autobiography started 22 years earlier, sharing his Brooklyn childhood, WWII military, telecommunications career and suburban family memories. Karen Vogel, his daughter, chose to blog the challenges of being a parental caregiver over Sid's last decade. As a professional patient advocate, Karen offers tips and resources for others going through this common, yet often tumultuous transition. Sid and Karen journal their stories as intertwined, yet unique experiences that will make you smile, tear up, and ultimately celebrate the messiness of aging in America.

**The Complete Furnigore Parables** Sid Weiskirch, 2023-04-26 About the Author Sid Weiskirch is ninety years old and does not have Alzheimer's disease. He has used biofeedback exercises for sixty years to stop migraine headaches. He is a retired marketing professional with a four-year degree in marketing from Roosevelt University in Chicago. In his spare time, he enjoys playing table tennis.

**Sid** Anita Feng, 2015-09-08 What would the life of Buddha look like if it were lived today? Anita Feng has crafted in Sid a delightful jewel that captures both the classic story of the Buddha, as well a deeply personal and familiar reflection of the story in a contemporary retelling. Sid weaves the traditional tale of Siddhartha, the Buddha-to-be with the story of Sid, an everyman who finds himself waking up amid the reality of work and family life in the modern world. Returning to the standard tale with careful consideration of the relationships in Buddha's life—to his wife, parents, and child—Feng's narrative embodies the Mahayana perspective of living one's enlightenment in the world. Beautifully told in poetic prose, Sid teaches that the key to the story of the Buddha's life is that the story could be about any of us. Includes beautiful black and white illustrations, created especially for this book.

**Sid and Sol** Arthur Yorinks, 1991-03 Sol the giant's world-shaking yelling and laughter drive the world's people to advertise for a giant killer, but the only applicant for the job is a short fellow named Sid.

*Honest Sid* Ronald Probst, 2013-07-17 If you're going to live outside the law, you'd better be honest. This seeming paradox was the operating principle of Sid Probst's life. Guileless and endlessly optimistic, he was known as Honest Sid around his stomping ground of New York's Broadway. Sid wasn't a tough guy, or even a bad guy. He just never had the patience for the straight life, grinding out a living at some monotonous desk job. He was the quintessential American dreamer,

always sure that the good life was just one big score away, a man who never stopped believing in his own good luck, even when the evidence said otherwise. He had all the tools, he was charming, good-looking, quick-witted and decent, but he had an obsession he couldn't escape. Honest Sid is the story of an American archetype as seen through the eyes of his son, Ronald, who loved him, and who almost lost him. It follows Sid's adventures in the world of bookies and bettors, fighters and fixers, players and suckers set against the often-romanticized backdrop of Depression-era New York. It is also the passionate tale of the great and tempestuous love between Sid and his wife Sally, and of his son Ronald whom he idolized.

**A Simple Life: A Story of Sid Oakley** Kathy Norcross Watts, 2007-04-17 Sid Oakley often sat before a low-burning fire, sipping coffee, waiting expectantly for someone visiting his Cedar Creek Gallery to pause and chat. A master potter and respected painter, Oakley nurtured creativity in those in whom he saw a passion for their craft. It was for that reason that Kathy Norcross Watts asked him if she could write his biography. He agreed, but the first day they talked he told her of a little girl who was sent home from his childhood school because she was black. She had been born into a white family. She was sent away from the town, and he never saw her again. Find Mildred, he told Watts. A Simple Life recounts the friendship that grew between Oakley and Watts as she documented his life and looked for Mildred. Just five months before he died, Oakley took Mildred back home and showed her the little bit of history that he could. A Simple Life shows that Oakley's life was not simple. It shows that every single person matters.

**Slick Sid** Simone Blake, 2009-05-08 Sid, a man with dreams but no way of achieving them until Amiee decides to change both their lives. Using mob money Amiee sets Sid on a journey which sees him succeed in the world of bodybuilding. However, the mob boss wants his money back and dispatches Fatso to Boston to hunt the pair down. Unable to find Amiee he concentrates on Sid but cannot believe the bodybuilder of the same name is the skinny Sid from San Diego. In achieving fame Sid falls foul of other contestants, five of whom band together to dispose of him. This they attempt to do with hilarious consequences. Married to Angelica, who has the brains that Sid lacks, and with a growing family Sid is happy and contented. Soon to retire from bodybuilding, the Romano family moved to a larger home and increase their staff. With the imminent marriage of their maid Daisy to Max, their new butler, the course of their lives and events bring a number of unexpected surprises. Over time Angelica begins to notice a change in her husband but cannot put her finger on what it is.

Sid Says John Macalpine Siddall, 2008-10-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

**Sid the Squid and the Search for the Perfect Job** David G. Derrick, 2010 With the help of his friend Alice, Sid the giant squid tries many jobs including firefighter, cook, and window washer, in the search for the perfect one.

**The One and Only Sid - Celebrating Minnesota Icon Sid Hartman** Minneapolis Star Tribune, 2020-11-21 Only a very few individuals in a profession can be called icons. Sid Hartman was one of them. From a humble start selling newspapers on the street in 1928, Hartman would go on to write about sports for the Minneapolis Star Tribune for the ensuing decades. At age 100 he was still writing three columns a week, his final one appearing on October 18, 2020 - the day he died. He became one of the most influential and popular figures ever to use a typewriter, and later computer, for his livelihood. He also became a popular radio personality for WCCO and for 20 years was a panelist on a Sunday night TV show. If Minnesotans referred to Sid, there was no doubt who they were talking about, much the same as the first-name status of the greatest of those he covered, men like Kirby and Harmon and Bud. Celebrate the life and times of a Minnesota legend with this beautiful tribute book from the award-winning staff of the Minneapolis Star Tribune. The perfect holiday gift for Minnesota sports fans.
