Eric Burns

Smoke Dan Vyleta, 2016-05-24 Readers of the Harry Potter series and Jonathan Strange and Mr. Norrell are sure to be mesmerized by Dan Vyleta's thrilling blend of historical fiction and fantasy, as three young friends scratch the surface of the grown-up world to discover startling wonders—and dangerous secrets. “Dan Vyleta writes with intricacy and imagination and skillful pacing; never once would I have considered putting his book down. In the manner of both a Dickens novel and the best young adult adventure stories (the Harry Potter series among them). . . his ending, which I wouldn't dare reveal here, is a real firecracker.”—Jennifer Senior, The New York Times

Welcome to a Victorian England unlike any other you have experienced before. Here, wicked thoughts (both harmless and hate-filled) appear in the air as telltale wisps of Smoke. Young Thomas Argyle, a son of aristocracy, has been sent to an elite boarding school. Here he will be purged of Wickedness, for the wealthy do not Smoke. When he resists a sadistic headboy's temptations to Smoke, a much larger struggle beyond the school walls is revealed. Shortly thereafter, on a trip to London, Thomas and his best friend witness events that make them begin to question everything they have been taught about Smoke. And thus the adventure begins... You will travel by coach to a grand estate where secrets lurk in attic rooms and hidden laboratories; where young love blossoms; and where a tumultuous relationship between a mother and her children is the crucible in which powerful passions are kindled, and dangerous deeds

must be snuffed out in a desperate race against time.

Smoke Ellen Hopkins, 2015-02-03 After the death of her abusive father and loss of her beloved Ethan and their unborn child, Pattyn runs away, desperately seeking peace, as her younger sister, a sophomore in high school, also tries to put the pieces of her life back together.

Holy Smoke John Shelton Reed, Dale Volberg Reed, 2016-06-30 North Carolina is home to the longest continuous barbecue tradition on the North American mainland. Now available for the first time in paperback, *Holy Smoke* is a passionate exploration of the lore, recipes, traditions, and people who have helped shape North Carolina's signature slow-food dish. A new preface by the authors examines the latest news, good and bad, from the world of Tar Heel barbecue, and their updated guide to relevant writing, films, and websites is an essential. They trace the origins of North Carolina 'cue and the emergence of the heated rivalry between Eastern and Piedmont styles. They provide detailed instructions for cooking barbecue at home, along with recipes for the traditional array of side dishes that should accompany it. The final section of the book presents some of the people who cook barbecue for a living, recording firsthand what experts say about the past and future of North Carolina barbecue. Filled with historic and contemporary photographs showing centuries of North Carolina's barbeculture, as the authors call it, *Holy Smoke* is one of a kind, offering a comprehensive exploration of the Tar Heel barbecue tradition.

Tree of Smoke Denis Johnson, 2007-09-04 Once upon a time there was a war . . . and a young American who thought of himself as the Quiet American and the Ugly American, and who wished to be neither, who wanted instead to be the Wise American, or the Good American, but who eventually came to witness himself as the Real American and finally as simply the Fucking American. That's me. This is the story of Skip Sands—spy-in-training, engaged in Psychological Operations against the Vietcong—and the disasters that befall him thanks to his famous uncle, a war hero known in intelligence circles simply as the Colonel. This is also the story of the Houston brothers, Bill and James, young men who drift out of the Arizona desert into a war in which the line between disinformation and delusion has blurred away. In its vision of human folly, and its gritty, sympathetic portraits of men and women desperate for an end to their loneliness, whether in sex or death or by the grace of God, this is a story like nothing in our literature. Tree of Smoke is Denis Johnson's first full-length novel in nine years, and his most gripping, beautiful, and powerful work to date. Tree of Smoke is the 2007 National Book Award Winner for Fiction.

Black Smoke Adrian Miller, 2021-04-05 Across America, the pure love and popularity of barbecue cookery have gone through the roof. Prepared in one regional style or another, in the South and beyond, barbecue is one of the nation's most distinctive culinary arts. And people aren't just eating it; they're also reading books and articles and watching TV shows about it. But why is it,

asks Adrian Miller—admitted 'cuehead and longtime certified barbecue judge—that in today's barbecue culture African Americans don't get much love? In *Black Smoke*, Miller chronicles how Black barbecuers, pitmasters, and restauranteurs helped develop this cornerstone of American foodways and how they are coming into their own today. It's a smoke-filled story of Black perseverance, culinary innovation, and entrepreneurship. Though often pushed to the margins, African Americans have enriched a barbecue culture that has come to be embraced by all. Miller celebrates and restores the faces and stories of the men and women who have influenced this American cuisine. This beautifully illustrated chronicle also features 22 barbecue recipes collected just for this book.

Where There's Smoke 2: Terra Little, 2013-06-01 A father's work is never really done. Then again, neither is a lover's. After a few ups and downs, Alec Smoke Avery and Anne Phillips have found a rhythm they can both groove to, and they've made a love connection. But just when they think they can finally settle down, their past comes back to haunt them in ways they never imagined. Smoke's former flame is stalking him, and she's determined to have him all to herself. That's the last thing Smoke needs while he's trying to deal with Anne's emotional baggage and convince her that he's all the man she needs. Anne suspects that Smoke is still stepping out on her, and when things get tense, she decides to do a little stepping out of her own. Away at Kentucky State on a basketball scholarship, their son, Isaiah, has become motivated to straighten out his life, but his nemesis, Hood, isn't done wreaking havoc. His sudden appearance on campus is jeopardizing Isaiah's scholarship and his life. Things go from bad to worse when, in the midst of a heated lover's quarrel, Smoke and Anne commit the perfect crime to save their son and themselves. When the smoke clears, truths will have to be told, and Anne will have to accept that she and Smoke are more alike than she cares to admit. Terra Little takes readers on a roller coaster ride of emotions in this story of a very real, very dysfunctional family.

Clearing the Smoke Institute of Medicine, Board on Health Promotion and Disease Prevention, Committee to Assess the Science Base for Tobacco Harm Reduction, 2001-10-17 Despite

overwhelming evidence of tobacco's harmful effects and pressure from anti-smoking advocates, current surveys show that about one-quarter of all adults in the United States are smokers. This audience is the target for a wave of tobacco products and pharmaceuticals that claim to preserve tobacco pleasure while reducing its toxic effects.

Clearing the Smoke addresses the problems in evaluating whether such products actually do reduce the health risks of tobacco use. Within the context of regulating such products, the committee explores key questions: Does the use of such products decrease exposure to harmful substances in tobacco? Is decreased exposure associated with decreased harm to health? Are there surrogate indicators of harm that could be measured quickly enough for regulation of these products? What are the public health implications? This book looks at the types of products that could reduce harm and reviews the available evidence for their impact on various forms of cancer and other major ailments. It also recommends approaches to governing these products and tracking their public health effects. With an attitude of healthy skepticism, Clearing the Smoke will be important to health policy makers, public health officials, medical practitioners, manufacturers and marketers of reduced-harm tobacco products, and anyone trying to sort through product claims.

Smoke Dorianne Laux, 2013-12-20 Dorianne Laux's long-awaited third book of poetry follows her collection, *What We Carry*, a finalist for the 1994 National Book Critics Circle Award for Poetry. In *Smoke*, Laux revisits familiar themes of family,

working class lives and the pleasures of the body in poetry that is vital and artfully crafted—poetry that gets hard in the face of aloofness, in the words of one reviewer. In *Smoke*, as in her previous work, Laux weaves the warp and woof of ordinary lives into extraordinary and complex tapestries. In *The Shipfitter's Wife*, a woman recalls her husband's homecoming at the end of his work day: Then I'd open his clothes and take the whole day inside me—the ship's gray sides, the miles of copper pipe, the voice of the foreman clanging off the hull's silver ribs. Spark of lead kissing metal. The clamp, the winch, the white fire of the torch, the whistle, and the long drive home. And in the title poem, Laux muses on her own guilty pleasures: Who would want to give it up, the coal a cat's eye in the dark room, no one there but you and your smoke, the window cracked to street sounds, the distant cries of living things. Alone, you are almost safe . . .

With her keen ear and attentive eye, Dorianne Laux offers us a universe with which we are familiar, but gives it to us fresh. Dorianne Laux is the author of two previous collections of poetry from BOA Editions, Ltd., and is co-author, with Kim Addonizio, of *The Poet's Companion: A Guide to the Joys of Writing Poetry* (W.W. Norton, 1997), chosen as an alternate selection by several bookclubs. Laux was the judge for the 2012 A. Poulin, Jr. Poetry Contest, and is a tenured professor in the creative writing program at the University of Oregon. Laux lives in Eugene, Oregon.

Blue Smoke Nora Roberts, 2021 Pursuing a career as an arson investigator after a fire destroys her

Smoke Anna Beguine, 2007-08 Rosemary Ames is committing suicide one slow masochistic step at a time during the coldest winter on record. Until, that is, she witnesses a murder. Rose is the only one to survive seeing the killer's face. The cops want her under protection. Her sometimes boyfriend wants her in his bed. And the killer? He has plans for her too. Because Rose is his key to a tangled labyrinth of stone, where unimaginable power waits to be grasped by beings far more-and less-than human. Rose's only safety might be Michael Constantius. He says he's in love with her. He says she's safe. But Michael's keeping secrets too. He knows what lies under the city, and he seems to know more than he should about what makes Rose tick. In fact, he seems obsessed with her. And just a little bit scary...What do you do when you find out you want to live just as someone is trying to kill you? And what can you do when you find out monsters are real?

Holy Smoke John Shelton Reed, Dale Volberg Reed, 2009-11-30 North Carolina is home to the longest continuous barbecue tradition on the North American mainland. Authoritative, spirited, and opinionated (in the best way), Holy Smoke is a passionate exploration of the lore, recipes, traditions, and people who have helped shape North Carolina's signature slow-food dish. Three barbecue devotees, John Shelton Reed, Dale Volberg Reed, and William McKinney, trace the origins of

North Carolina 'cue and the emergence of the heated rivalry between Eastern and Piedmont styles. They provide detailed instructions for cooking barbecue at home, along with recipes for the traditional array of side dishes that should accompany it. The final section of the book presents some of the people who cook barbecue for a living, recording firsthand what experts say about the past and future of North Carolina barbecue. Filled with historic and contemporary photographs showing centuries of North Carolina's barbeculture, as the authors call it, Holy Smoke is one of a kind, offering a comprehensive exploration of the Tar Heel barbecue tradition.

Burned Ellen Hopkins, 2013-09-10 Seventeen-year-old Pattyn, the eldest daughter in a large Mormon family, is sent to her aunt's Nevada ranch for the summer, where she temporarily escapes her alcoholic, abusive father and finds love and acceptance, only to lose everything when she returns home.

Smoke Meili Cady, 2015-03-24 Combining the excess of *The Bling Ring* with the intimacy of *Blow* and the charm of *Catch Me If You Can*, an outrageous, entertaining and true story of an aspiring young actress' ill-fated friendship and unwitting

alliance with a drug smuggling “heiress.” Aspiring actress Meili Cady left small-town Washington State for the glamorous lure of Los Angeles. Young and alone, she was struggling to make her big break. Then she met Lisette Lee. Calling herself the “Korean Paris Hilton,” Lisette claimed she was a model and a Korean pop star, lived in a \$1.2 million dollar apartment in West Hollywood, owned a fleet of luxury cars, and flitted from one red-carpet event to the next. The connection was instant. Meili was enchanted by her friend’s extravagant lifestyle, while Lee claimed Meili was the real thing in a town full of phonies. Soon, the financially strapped Meili became her friend’s personal assistant—and found herself sucked into an audacious criminal enterprise. But when Meili finally realized what she was a part of it was too late—she was in too deep, caught in a terrifying relationship with a manipulative and abrasive con artist smuggling millions of dollars of pot into the Midwest. Trapped in a precarious criminal world of money, drugs, and dangerous secrets, Meili struggled to understand the line between truth and lie. A once naive girl who fell down the rabbit hole, she could only watch helplessly as it all came crashing down around her. *Smoke* is her story—an electrifying tale of vice, corruption, hubris, and lost innocence as shocking and entertaining as *The Wolf of Wall Street* and *Bringing Down the House*.

Blowing Smoke Rud Istvan, 2014-10-14 From the Foreword by Prof. Judith Curry of Georgia Tech: "Istvan's insightful and incisive writing in *Blowing Smoke* tackles a diverse array of topics related to climate and energy that are highly relevant to the current public debate. His writing is accessible to the public who may not have the inclination, the time, or the ability to dig deep into the literature and emerge with a simple factual 'big picture'... *Blowing Smoke* is an
