

Sounders

Jim Whiting

The Sound and the Glory Matt Pentz,2019-03-05 A unique and comprehensive look at the Seattle Sounders franchise and its storied run for the Cup The Seattle Sounders were a sensation from the start, attracting crowds of sizes unlike any MLS team had ever seen. By the 2016 season, Seattle was averaging more than 42,000 fans per home game, the most of any soccer team in the Western Hemisphere, and more than behemoths like Chelsea F.C. and A.C. Milan overseas. But, for all of its early consistent success, Seattle had yet to actually win the league. In order to reach the ambitious goals the club set for itself, the Sounders needed the jolt of a championship. To get there would require tumult previously unknown to a club built on stability, a clash of egos, and a title run so unlikely it could hardly have been scripted. This is a Cinderella story for all MLS fans and every Sounder at heart.

Seattle Sounders Jeff Savage,2018-08-01 The Seattle Sounders are one of the most popular teams in Major League Soccer (MLS). Fans fill the stadium at every game, and the Sounders have broken many records for game attendance. Discover more about the team through photos of the action and engaging storylines in this thrilling title.

Seattle Sounders FC Anthony K. Hewson,2021-08-01 This title introduces soccer fans to the history of one of the top MLS clubs, Seattle Sounders FC. The title features informative sidebars, exciting photos, a timeline, team facts, a glossary, and an index. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABDO.

Cascadia Clash Geoffrey C. Arnold,2013-02-19 For decades, the Seattle Sounders and the Portland Timbers have met on the pitch to battle for territorial respect and Pacific Northwest dominance. Though the kits have changed, the intensity of this epic rivalry between the neighboring clubs and their passionate and unruly supporters has not. Drawing on interviews and deep

research, veteran sportswriter Geoffrey C. Arnold takes a behind-the-scenes look at the villains and champions, chants and tifos, bragging rights and blowups that define this feud. Join the March to the Match and celebrate with chainsaw antics as Cascadia Clash chronicles the Flounders versus Portscum tradition from its 1975 beginnings in the North American Soccer League to its current status as Major League Soccer's greatest grudge match.

Sounders FC, Authentic Masterpiece Mike Gastineau, 2013 It sounds like the start of a great joke: A minor-league sports executive, one of the richest men in the world, a stand-up comedian, and a Hollywood movie producer conspire to start a soccer team. But what Adrian Hanauer, Paul Allen, Drew Carey, and Joe Roth did when they started the Seattle Sounders FC was no joke. They meticulously planned the launch of the Major League Soccer (MLS) franchise with an eye toward some lofty goals. Then they stood back in amazement as they rocketed far beyond those goals buoyed by a team that ignored its expansion label and a fan base that wildly embraced them. Through interviews with key executives, athletes and fans, author Mike Gastineau tells the story leading up to the launch of Sounders FC, the MLS expansion franchise whose seemingly overnight success has captured the attention of the Seattle sports community, sports and entertainment executives, soccer followers across the country and the national news media. In *Sounders FC Authentic Masterpiece*, readers will learn: * How a money-losing soccer club rocketed from the ranks of the minor leagues to Major League Soccer drawing sell-outs and regularly topping 50,000 fans per match.* The unique relationships between the eclectic group of seasoned sports executives, Hollywood celebrities and bar room soccer fans who came together to build a sports culture that validated Major League Soccer in Seattle and across the country.* The personalities of the players and coaches who took different paths to the team and turned their diversity into a winning team starting on opening night. Gastineau communicates to readers the entire

history of events that led to the Sounders FC launch beginning with the role soccer fans played in securing a professional football stadium for the Seattle Seahawks. Also emphasized in the book are the soccer fans, bar owners and soccer subculture that existed in Seattle and was waiting to be acknowledge by mainstream professional sports leaders and media. The book also details how that soccer subculture directly impacted one of the biggest deals in MLS history, the signing of superstar Clint Dempsey in 2013. This is a story of sports, business, culture, timing, and luck. It demonstrates how powerful business people were able to check their egos and embrace their customers all for the sake of the fans, the city, and a soccer culture desperate to embrace a sports team that treated them with respect.

Sounder William H. Armstrong,2011-07-12 This powerful Newbery-winning classic tells the story of the great coon dog Sounder and his family. An African American boy and his family

rarely have enough to eat. Each night, the boy's father takes their dog, Sounder, out to look for food. The man grows more desperate by the day. When food suddenly appears on the table one morning, it seems like a blessing. But the sheriff and his deputies are not far behind. The ever-loyal Sounder remains determined to help the family he loves as hard times bear down. This classic novel shows the courage, love, and faith that bind a family together despite the racism and inhumanity they face in the nineteenth-century deep South. Readers who enjoy timeless dog stories such as *Old Yeller* and *Where the Red Fern Grows* will find much to love in *Sounder*, even as they read through tears at times.

Soccer Dreams Clare Hodgson Meeker, 2011 *Soccer Dreams* weaves together a fictional tale about a boy from Kenya who moves to Seattle and helps his soccer coach build a winning team, with real-life strategy and teamwork tips from the current MLS Seattle Sounders FC. The book includes profiles and full-color photographs of the Sounders FC players, along with black-and-white illustrations of the story.

Seattle Sounders FC Marty Gitlin, 2018 The Seattle Sounders were born in 2009. And they wasted no time becoming perhaps the greatest franchise in Major League Soccer. They have certainly been the most popular. The love from their fans has resulted in the largest attendance in each of their first eight seasons. Soccer is a passion in Seattle! That passion was rewarded in 2016. That is when the Sounders captured their first MLS crown. This book takes readers into the action. It places them on the field for a Fredy Montero goal and Kasey Keller save. It brings them closer to the 40,000 fans that stream into CenturyLink Field for every home game. It allows them to feel the excitement of a Seattle playoff victory. Just as the Sounders have been a winner every season, the reader can be a winner by learning all about one of the finest sports franchises ever.

Seattle Sounders FC Anthony K Hewson, 2020-08 Soccer has

long been the most popular sport around the world. American interest in the game has never been higher. And Major League Soccer is the most successful US soccer league in history. Learn more about the Seattle Sounders FC, who won the MLS Cup in 2016 and 2019! Title includes a timeline, fast facts, a glossary, further readings, online resources, and an index.

Seattle Sounders Jim Whiting, 2018-08-28 A chronicle of the people, matches, and world events that shaped the North American men's Washington state soccer team known as Seattle Sounders FC, from its founding in 2009 to today.

Ionospheric Sounders in Aircraft Robert W. Gowell, Roger W. Whidden, 1968 Investigation of ionospheric phenomena over large areas of the world has been pursued by Air Force Cambridge Research Laboratories since 1953 by means of ionospheric sounders carried in large aircraft. Technical details of the first airborne ionospheric sounding system utilizing a modified C-3A Automatic Ionosphere Recorder in a JKC-97 aircraft, are described briefly. Emphasis is given to the limitations and special considerations connected with an airborne ionospheric sounder such as adequate antenna, types of interference, power, effects of temperature and vibration, and peculiarities of airborne data. Mutual operation with other projects on the aircraft conducting various photometric measurements, is discussed in regard to the severe rf interference produced by the ionospheric sounder. (Author).

Eternal Blue Adrian Webster, 2015-09-18 The Sounders in the 70's. Over forty years ago, the team that put down the roots for the MLS team which stands today. Hear the history from the

Sounder's team captain, referred to as The Shadow, Adrian Webster. Adrian Webster brought a great work ethic and passionate play to the NASL Sounders. Those were the days of playing at Memorial Stadium before sell-out crowds of 17,000 who literally hung over the field on those steeply-graded stands while hanging on every kick from the home side. It seems like a lifetime away, yet the memories are still fresh. Webster and his mates doing the impossible in 1977, a season that seemed to flat line but then turned into the Sounders' first deep playoff run. 58,000 fans cheering as Jocky Scott headed home the winner and Adrian's club defeated the LA Aztecs and George Best. Then came the big day, an event which all true Sounders fans set their spiritual clocks by. Soccer Bowl '77 and Pele's last match, the league final against Webster's Sounders. GoalWa - David Falk The MLS home opener display, also known as TOHBL (Tonight Our History Becomes Legend) carried multiple messages, including the statement that we were bringing a proud history into a new league where we would continue to our legacy of winning. Additionally, it set the stage for our presence in the league by reminding some of the MLS people back in the New York offices that did not, initially, want the Seattle MLS team named as such, and to respect our history. We have also done displays honoring past players and coaches, such as the Decades of Dominance display and the 40th Anniversary Book Shelf display. Going forward, ECS will continue to let everyone know that the Seattle Sounders have been a very important part of many people's lives for more than 40 years - not just in the Puget Sound area, but all over the world. Seattle Sounders FC Richard Morrison, Chad Mack, 2010
Relive the truly remarkable first season of the Seattle Sounders Football Club with this photographic journey through the team's home games. Both Avid Sounders fans, the authors capture the magnetic spirit of the game from the sidelines, as the city rallies

around its new talented team. Starting with the first day of practice with the new coach, Sigi Schmid, through the first wins against the New York Red Bulls and Real Salt Lake andamp;— as Fredy Montero and Kasey Keller show their brilliant abilities on the field as play-makers and team members andamp;— the personality of this young soccer club shakes shape. Quickly, the fans solidify their loyalty to the team in expressive ways (banners, costumes, songs, and rallies in the streets outside the stadium). Commemorating the infectious inaugural season, the first joys of the club live on in this book.
