*Service Is a Superpower* Louie Gravance, 2020-04-07 Louie Gravance is often referred to as the guy that can make the Disney

service concepts actually work outside of Disney. For over twenty-five years at the Walt Disney Company, Louie enjoyed a distinguished career with Disney theme parks, designing everything from live-entertainment experiences to customer service training programs through the Disney Institute in Orlando, Florida. At only twelve years old, he began working in California as a stage, film, and television actor and would go on to appear in movies, sitcoms, and over thirty-five national television commercials. In 1987, Gravance was offered a summer job with one of the entertainment industry's most successful providers of magical customer experiences, Disney theme parks, beginning as a comic at Disneyland in Anaheim, California and soon thereafter embarking on a nearly three-decade adventure at the Walt Disney World Resort in Orlando, Florida. Following his hugely effective tenure in Orlando, Gravance left Disney to pursue other opportunities and soon amassed even more success working as a consultant, customer service speaker, and corporate culture guru. Louie has designed multimillion-dollar service campaigns for companies such as Bank of America, ING Financial, Choice Hotels, Nikon, and The American Council of Independent Laboratories. Gravance is the recipient of the Disney Partners in Excellence Award and the Spirit of Disney Award and has been recognized internationally as a leading keynote speaker on the topic of customer service and employee engagement.

been only too well-earned by such Gleaners as Seeker Doyce Marbon's stepson Vesey, who nearly succeeded in bringing down both the Seekers Veritas and the eumedicos, the two organizations primarily responsible for the well-being of the people of Canderis. Having thus been made aware that the Gleaners are secretly building their power, the Seekers are sworn to find and put an end to this threat. But Doyce's Bondmate, the catlike ghatta called Khar, has a much more personal mission to fulfill, to break through the mind barriers which Doyce created as protection against a terrifying attack by Vesey. For although Vesey was defeated by Doyce and the united minds of eight ghatti, Doyce has remained in shock for months, trapped within her own mind's protective barriers. But now the Seekers Veritas have need of her services once again, and, recovered or not, she and Khar must join a mission to the neighboring realm of Marchmont. For someone seems bent on creating dissension between Canderis and Marchmont. And even the truth-reading skills of the Seekers may not be enough to unravel the twisted threads of a conspiracy that could see Canderis and its neighbor hopelessly caught in a devastating war...
