Just Getting Started Tony Bennett, Scott Simon, 2016-11-15 "For my money, Tony Bennett is the best singer in the business, the best exponent of a song. He excites me when I watch him. . . . He moves me. He's the singer who gets across what the composer has in mind, and probably a little more." – Frank Sinatra "As breezy and meaningful as one of his trademark songs as readers learn about the man by the company he kept and the heroes he worships. Bennett's ethereal still lifes and landscape paintings adorn this simple yet profound and gracious homage."– Booklist Tony

Bennett was one of our most vibrant musicians ever to grace the stage. In his previous book, *Life Is a Gift*, Tony reflected on the lessons he learned over the years. In *Just Getting Started*, he pays homage to the remarkable people who inspired those lessons. In his warm and inviting voice, Tony talks about who and what have enriched his own life, including Charlie Chaplin, Judy Garland, Dr. Martin Luther King, Jr., Cole Porter, Amy Winehouse, Fred Astaire, Lady Gaga, members of his family, significant places, and more. *Just Getting Started* chronicles the relationship Tony enjoyed with each one of these legends, entertainers, humanitarians, and loved ones, and reveals how the lessons and values they imparted have invaluable shaped his life. As enchanting and unforgettable as his music, *Just Getting Started* is a beautiful compilation of reflections every Bennett fan will treasure, and a perfect introduction for those just getting to know this remarkable star and humanitarian.

The Book That Started It All

Anonymous, 2013-09-03 An extraordinary reproduction of the original working manuscript of the Big Book of Alcoholics Anonymous, with an introduction and notes by a panel of celebrated AA historians. *The Book That Started It All* offers fresh insights into the history and foundation of the revolutionary Alcoholics Anonymous program. Reproduced in this elegant gift edition, the original working manuscript is the missing link in our understanding of what transpired between AA founder Bill Wilson's first draft of Alcoholics Anonymous and the first published edition. In

January 1939, Wilson and other AA founders distributed 400 copies of his typed manuscript to everyone they could think of who might be concerned with the problem of alcoholism, to test out the program. As the loan copies were returned, suggestions for revision were considered and written out in colored pencil on one master copy that was eventually submitted for publication. The many changes made in black, green, and red on page after page are shown here in their original form, revealing the opinions, debates, and discussions that went into making the Big Book.

From Innocent to Cobra to Dreams to Dysone, we reveal how some of the UK's biggest businesses got off the ground, and those very first steps taken by their founders.
