Show Stopper Hayley Barker,2017-06 Set in a near-future England where the poorest people in the land must watch their children be taken by a travelling circus - to perform at the mercy of hungry lions, sabotaged high wires and a demonic ringmaster. The ruling class visit the circus as an escape from their structured, high-achieving lives - pure entertainment with a bloodthirsty edge. Ben, the teenage son of a draconian government minister, visits the circus for the first time and falls instantly in love with Hoshiko, a young performer. They come from harshly different worlds - but must join together to escape the circus and put an end to its brutal sport.

Showstopper! G. Pascal Zachary,2014-04-01 This "inside account captures the energy—and the madness—of the software giant's race to develop a critical new program. . . . Gripping" (Fortune Magazine). Showstopper is the dramatic, inside story of the creation of Windows NT, told by Wall Street Journal reporter G. Pascal Zachary. Driven by the legendary David Cutler, a picked band of software engineers sacrifices almost everything in their lives to build a new, stable, operating system aimed at giving Microsoft a platform for growth through the next decade of development in the computing business. Comparable in many ways to the Pulitzer Prize-winning book *The Soul of a New Machine* by Tracy Kidder, Showstopper gets deep inside the process of software development, the lives and motivations of coders and the pressure to succeed coupled with the drive for originality and perfection that can pull a diverse team together to create a program consisting of many hundreds of thousands of lines of code.

The Crystal Stopper Maurice Leblanc,2022-08-03 A detective yarn that is a corker. Arsène Lupin in the greatest predicament of his career. Time Stoppers Carrie Jones,2016-05-05 Annie Nobody thought she was, well, nobody; living in a nowhere town where nothing goes her way. Day one at her newest foster home proves to be dreadful, too ... and things get even worse when she's chased by something big and scary that definitely wants to eat her. Luckily for Annie, not everything is what it seems, and she gets swept up – literally – by a sassy dwarf on a hovercraft snowmobile and taken to Aurora: a hidden, magical town on the coast of Maine. There, she finds a new best friend in Jamie Hephastion Alexander – who thought he was a normal kid (but just might be a troll) – and Annie discovers that she's not exactly who she thought she was, either. She's a Time Stopper, meant to protect the enchanted. Together, Annie and Jamie discover a whole new world of magic, power, and an incredible cast of creatures and characters. But where there's great power, there are also those who want to misuse it, and Aurora is under

siege. It's up to the kids to protect their new home, even if it means diving head first into magical danger. A thrilling adventure with heroes children will relate to – and more than a smattering of magic! A sensational new series to sweep you away, from bestselling YA author Carrie Jones. There is no time to lose!

The Crystal Stopper Maurice Leblanc, 2018-08-06T23:04:18Z Arsène Lupin's attempted robbery of the deputy Daubrecq has gone horribly wrong, leaving behind a murdered man and two of his accomplices in the hands of the police. Now he finds himself pulled into an ever more conspiratorial spiral as he attempts to gain leverage over the people who can free his men. Set before the events of the preceding 813, this again portrays Lupin in a much different light to the earlier books. At times almost coming to despair, this story shows him grappling with his personal morals whilst trying to do the best for those closest to him. The story was originally serialised in *Le Journal* in 1912, before being published as a novel in both the original French and this English translation by Alexander Teixeira de Mattos in 1913. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Now it's up to Lupin to save them from the guillotine. But to do it, he must not only evade Daubrecq, but also match wits with a ruthless blackmailer who holds incriminating evidence in a crystal stopper. "[Arsène Lupin] has taken his place in public estimation with Sherlock Holmes and other universally admired heroes of fictional crime." —The New York Times

Tales from Thimble Hall Mrs. Stopper's Bottle Malcolm Fawbert, 2010 Writer and artist Malcolm Fawbert writes a series of delightful children's tales in *Tales from Thimble Hall* based on a real, tiny cottage in England. Thimble Hall in the Peak District, England is a picturesque and tiny cottage. Children living at Thimble Hall ask for a story. Their mother tells them the story about how a Mrs. Stopper searches for the perfect thing to place on the middle of her mantelpiece. Mrs. Stopper discards some bottles one day. A wayward cat knocks a particular bottle out of a box. It rolls down the

street, into a river and on to the sea, eventually landing on a beach. A beachcomber finds the bottle and takes it home to build a model ship inside it. Are the bottle's travels over? Where does the bottle end up and will Mrs. Stopper ever find the perfect thing for her mantelpiece? Fawbert writes an exquisite and serendipitous tale that children will absolutely adore. With vivid and beautifully rendered illustrations, this book will become a favorite family read. Malcolm Fawbert lives with his wife in the U.K. His children are now grown and married. Mr. Fawbert has written and illustrated the stories he shared with his own children for his grandchildren and children world-wide to enjoy.

The Crystal Stopper Illustrated Maurice LeBlanc,2021-04-17 The two boats fastened to the little pier that jutted out from the garden lay rocking in its shadow. Here and there lighted windows showed through the thick mist on the margins of the lake. The Genghis Casino opposite blazed with light, though it was late in the season, the end of September. A few stars appeared through the clouds. A light breeze ruffled the surface of the water.

Stopper James Michaud,2016-10-24 Travis Greer can stop time. Something flip in his head and the world stops. He can see everything, touch things, move things around, but he has stepped out of the flow, at least for a little while. It's like wiggling your ears; some people can do it while most can't. Except this is a bit less frequent. There is only one other Stopper in the world. It first happened when he was five-years-old. His mother was standing right there, but she wouldn't look at him, no matter how he screamed and screamed. It scared him so badly that he repressed it for thirteen years. The second time it happened, when he was eighteen, was no less terrifying. He met Jane in college. She is a Rider; she doesn't stop time, but when a Stopper does it, she doesn't freeze. You're not the only one, she tells him. There is another, somewhere to the east. In Asia, maybe Russia. She decides Travis isn't going to do anything significant with his talent and she goes off to find the other one. Ten years later and Jane is back. The other Stopper is Ivan Partishev, she says. He's the Russian Defense Minister, and he's crazy. He wants to take over the world. He knows about you. He doesn't want another Stopper around to interfere. He's sending his Riders to kill you. We have to kill him first.
