The Success Book Tim Johnson, Tom Johnson, 2016-04-29 Success is often measured by financial successes and business achievements. The intention of this book is to help entrepreneurs, leaders and individuals to reflect and re-evaluate their current level of success, to see whether it is serving them or the people around them. Where their notions of what it is to be successful have come from, and whether they now feel appropriate to them. Authentic Success is by its very nature a personal journey of exploration and there are no rights or wrongs to each journey. What matters is whether it resonates with you. This book enables you to create a life path for yourself that is more harmonious for you to enjoy and experience, which in turn is more harmonious and satisfying for those around you. In that way we all could achieve more with less effort and less strife, which ultimately will help the world, become a slightly better place to live in. LID Publishing's popular Concise Advice Lab notebooks are designed to be quick and comprehensive brainstorming tools and skill-building resources for busy professionals. Ultimate Success Gerald J. McPhail, 2009-03 Everyone wants success. In times like these it is important to understand what success really is. There is a difference between good success and bad success. So, as we live and strive to achieve success, we can know that there are some God-given essentials to success. These essentials are laws or principles that must be practiced if we expect to experience that success God called good. These essentials are simple, but not necessarily easy. This book helps us understand success from God's word and provides a clear picture of how to experience good success as described in Joshua 1:1-9. This good success is the ultimate success we experience when practicing the following four essentials: 1-Hearing from God (HEAR IT), 2- Staying focused on what God says (SEE IT), 3- Following through on what God says to do (DO IT), and 4- Having faith in what God says (BELIEVE IT). Gerald J. McPhail, was born in Fayetteville, NC and raised in the Town of Wade, where he began learning of being an entrepreneur from his father. This country boy also learned from the many older people around him as he matriculated through E.E. Smith High School and Pfeiffer College. After being born again in 1982, he went on to receive a Masters of Public Administration (MPA) from the University of North Carolina at Chapel Hill. Gerald worked in local government for over 10 years. Having answered the call to ministry, he became founding pastor of Northeast Community Church and received his Masters of Divinity (MDiv) from Luther Rice Seminary. This Pastorprenuer is a cancer survivor, hotelier, real estate entrepreneur, and has served on many community boards. He is the father of four daughters and two grandchildren and has been married to Dr. Althea H. McPhail for over 23 years.

<https://lifestylebillionaireclub.com/foundations-of-success-2/>---How exactly do you craft the best life possible for yourself? You have to know what that life looks like. You define it for yourself by idealizing it in every area. Ask yourself, What would the perfect life look like for me in every major area of life? Once you have defined the ideal life for yourself you can begin to move towards it. Those who are happy in life have defined their dreams and desires and set goals for themselves. They count the cost required of them for accomplishing each dream, and they make sure that their dreams are their own, not someone else's imposed on them. Learn to know yourself. Know and define your core values in life, your virtues, your morals, and your purposes. What drives you. What upsets you. What do you count as injustice in this life? Make sure you don't do those things then, ever. In fact, make sure you are actively helping people avoid committing those injustices on any and every level of life and you will feel fulfilled. Know your WHY's for wanting success. Let them drive you and make sure they are worthy reasons. Learn to deal with unhappiness, worry, and stress. Discipline your disappointments and make your stress work for your benefit rather than against your health and well-being. Earn great amounts of money by understanding success is a responsibility and a blessing, but keep money your servant, never your master. Work with the right people and surround

yourself with those who will encourage and inspire you. Always be mentored in life, and always be a mentor. Find likeminded people to enjoy life with. Achieve big things, and strive for lofty goals, but keep your contentment in life, that life indeed, is a joy, not a stress. Any amount of achievement you get above and beyond your basic needs of shelter, food, and relationships should be a value added to your foundation. Don't set your foundation in the stars or it won't have anything to rest on. But if you set your foundation on earth and build to the stars, you can enjoy the view.
