Swords and Swordsmen Mike Loades,2010 Swords and Swordsmen chronicles the major developments in the sword's design, manufacture and use from Ancient Egypt to the American Civil War. Author Mike Loades traces the history of the sword in war and the evolution of the private duel. The book takes certain surviving swords as landmarks on this journey of discovery. Each can be linked to a specific individual, allowing each sword to be discussed in the social and military context of its time and forming the starting point for detours through other types of sword and contemporary developments in their design, manufacture and use. From Tutankhamun to General Custer, and including a chapter on the legendary samurai Uesugi Kenshin, this book charts the lives of warriors from many ages and cultures; men whose lives often depended on their skill with the sword. Illustrated with line drawings (many derived from old fight manuals) and dozens of photographs of surviving swords, Swords and Swordsmen celebrates these weapons as iconic works of art and powerful cultural symbols as well as examining the lethal practicality of their use.

Swords Ben Boos,2008-09-09 Describes the details of design and history of swords.

Girls with Swords Lisa Bevere,2014-02-18 A passionate call for Christian women to effectively wield the sword of their God-given feminine strength against any evil that threatens them and those they love. What if you discovered you have been entrusted with an invisible, invincible, and incorruptible weapon? Would you use it? In a day of worldwide trafficking, gendercide, discrimination, and other hostility against women, Lisa Bevere points to a biblical foundation to present a model of feminine strength that will empower women to live confidently. Drawing on the many references to swords throughout Scripture, the author constructs a revealing and compelling female paradigm that will impact every area of a woman's self identity, spiritual awareness, relationships, and life vision and mission. Long known for her passionate and articulate expression of biblical womanhood, Bevere presents fresh imagery--as enticing and strong as polished steel--to prepare women boldly for the challenges they face in today's world. It's not enough to just be wise and strong: Now a woman must know how to wield her sword. Creatively forging the imagery of swords, the Word of God, and the Cross, Girls with Swords will teach you: • How to speak the language of heaven on earth • What it means to intercede • What it means to carry your cross • What it means to be discerning • How to disarm the enemy • Why women are the enemy's target—and why God needs them to be heroes It's time to take up your sword and be a hero.

Age of Swords Michael J. Sullivan,2017-07-25 The gods have been proven mortal and new heroes will arise as the battle continues in the sequel to Age of Myth—from the author of the Riyria Revelations and Riyria Chronicles series. In Age of Myth, fantasy master Michael J. Sullivan launched readers on an epic journey of magic and adventure, heroism and betrayal, love and loss. Now the thrilling saga continues as the human uprising is threatened by powerful enemies from without—and bitter rivalries from within. Raithe, the God Killer, may have started the rebellion by killing a Fhrey, but long-standing enmities dividing the Rhunes make it all but impossible to unite against the common foe. And even if the clans can join forces, how will they defeat an enemy whose magical prowess renders them indistinguishable from gods? The answer lies across the sea in a faraway land populated by a reclusive and dour race who feel nothing but disdain for both Fhrey and mankind.

With time running out, Persephone leads the gifted young seer Suri, the Fhrey sorceress Arion, and a small band of misfits in a desperate search for aid—a quest that will take them into the darkest depths of Elan. There, an ancient adversary waits, as fearsome as it is deadly. Magic, fantasy, and mythology collide in Michael J. Sullivan’s Legends of the First Empire series: AGE OF MYTH • AGE OF SWORDS • AGE OF WAR

Sword of Lost Battles: Yonan and his loyal friend Uruk have proven themselves as formidable warriors in battle after battle. And now, only they can stop the dreaded Targi—the near-invincible warlock who leads the Darkness. To defeat him, Yonan and Uruk must find Targi’s only vulnerability—a weak point that takes them into the past and the legendary Lost Battle. Sword of Shadows: With Yonan and Uruk still missing in the past, the untrained witch Crytha learns that she alone must hold back the Darkness by countering the power of Laidan, the vile sorceress who has pledged herself to Targi. To overcome such a foe, Crytha will need the help of a lethal, legendary weapon that must be tamed before it can be used. And if she fails to tame the Sword of Shadows, all of Witch World may fall.
