Stone Tablets Wojciech Zukrowski, 2016-04-15 "A novel of epic scope and ambition."—Kirkus Reviews (starred review) An influential Polish classic celebrates 50 years—and its first English edition As *Stone Tablets* opens, Istvan Terey, a poet and World War II veteran, is serving as cultural attaché with the Hungarian embassy in Delhi just a few months before his country is torn apart by the Hungarian Uprising of 1956. He is personable and popular with Indians and Europeans, communists and capitalists, but his outspoken criticisms of corruption in the Hungarian government and the embassy threaten to undermine his career. Meanwhile, he has fallen in love with Margit, an Australian ophthalmologist working in India, who is still living through a tragedy of her own: her fiancé died under torture during World War II. Draining heat, brilliant color, intense smells, and intrusive animals enliven this sweeping Cold War romance. Based on the author's own experience as a Polish diplomat in India in the late 1950s, *Stone Tablets* was one of the first literary works in Poland to offer scathing criticisms of Stalinism, and was censored when it was first submitted for publication. Stephanie Kraft's translation opens this book for the first time to English-speaking readers. "A high-paced, passionate narrative in which every detail is vital."—Leslaw Bartelski Zukrowski is "a brilliantly talented observer of life, a visionary skilled at combining the concrete with the magical, lyricism with realism...a distinguished stylist."—Leszek Zulinski "A romance fraught with personal and political risk is at the core of this historically important yet previously untranslated novel by a Polish diplomat stationed in India during the Cold War...inspired by the author's own experiences, Zukrowski's precise descriptions of India are memorable, and there is a

certain throwback appeal to the depictions of diplomacy conducted through telegrams and glasses of whiskey. But it is Zukrowski's trenchant critique of Stalinism and political message, bold for its time, that make this novel truly noteworthy."—Booklist

The Emerald Tablets of Thoth-The-Atlantean, 2002 The Spiritual, Occult and Historical significance of the Emerald Tablets is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author, Thoth, a Master-Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language and Dr. Doreal, by use of his expertise as an Occultist and Master of time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school, accredited through the State of Colorado, and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully, the step by step progression all Seekers have searched for in their quest for Oneness with God, and for attainment of Cosmic Consciousness. Read, Believe or not, but read, and the vibration found therein will awaken a response in your soul.' - Doreal
