

Take

Madelyn Rosenberg

Take Jennifer Bradbury, 2023-06-06 In search of her missing father, Cara and her ex-boyfriend Nat venture into the Cascade Mountains, up a harrowing rock face, and navigate through time as they explore the impact of Pearl Harbor and its Japanese Incarceration Camps, Cara's family, and each other.

It Takes What It Takes Trevor Moawad, Andy Staples, 2020-02-04 Foreword by Seattle Seahawks quarterback Russell Wilson From a top mental conditioning coach—the world's best brain trainer" (Sports Illustrated)—who has transformed the lives and careers of elite athletes, business leaders, and military personnel, battle-tested strategies that will give you tools to manage and overcome negativity and achieve any goal. He knows how to win. More, he knows the many ways—subtle, brutal, often self-inflicted—we lose. As the most trusted mental coach in the world of sports, Trevor Moawad has worked with many of the most dominant athletes and the savviest coaches. From Nick Saban and Kirby Smart to Russell Wilson, they all look to Moawad for help finding or keeping or regaining their competitive edge. (As do countless business leaders and members of special forces.) Now, at last, Moawad shares his unique philosophy with the general public. He lays out lessons he's derived from his greatest career successes as well as personal setbacks, the game-changing wisdom he's earned as the go-to whisperer for elite performers on fields of play and among men and women headed to the battlefield. Moawad's motivational approach is elegant but refreshingly simple: He replaces

hardwired negativity, the kind of defeatist mindset that's nearly everybody's default, with what he calls neutral thinking. His own special innovation, it's a nonjudgmental, nonreactive way of coolly assessing problems and analyzing crises, a mode of attack that offers luminous clarity and supreme calm in the critical moments before taking decisive action. Not only can neutral thinking raise your performance level-it can transform your overall life. And it all starts, Moawad says, with letting go. Past failures, past losses-let them go. The past isn't predictive. If you can absorb and embrace that belief, everything changes. You'll instantly feel more calm. And the athlete-or employee or parent or spouse-who's more calm is also more aware, and more times than not ... will win.

My Soul to Take Rachel Vincent, 2009-08-01 She doesn't see dead people, but... She senses when someone near her is about to die. And when that happens, a force beyond her control compels her to scream bloody murder. Literally. Kaylee just wants to enjoy having caught the attention of the hottest guy in school. But a normal date is hard to come by when Nash seems to know more about her need to scream than she does. And when classmates start dropping dead for no apparent reason, only Kaylee knows who'll be next...

The Take Christopher Reich, 2018-01-16 From New York Times bestselling author Christopher Reich, an international spy thriller featuring Simon Riske: one part James Bond, one part Jack Reacher. Riske is a freelance industrial spy who, despite his job title, lives a mostly quiet life above his

auto garage in central London. He is hired to perform the odd job for a bank, an insurance company, or the British Secret Service, when he isn't expertly stealing a million-dollar watch off the wrist of a crooked Russian oligarch. Riske has maintained his quiet life by avoiding big, messy jobs; until now. A gangster by the name of Tino Coluzzi has orchestrated the greatest street heist in the history of Paris: a visiting Saudi prince had his pockets lightened of millions in cash, and something else. Hidden within a stolen briefcase is a secret letter that could upend the balance of power in the Western world. The Russians have already killed in an attempt to get it back by the time the CIA comes knocking at Simon's door. Coluzzi was once Riske's brother-in-arms, but their criminal alliance ended with Riske in prison, having narrowly avoided a hit Coluzzi ordered. Now, years later, it is thief against thief, and hot on their trail are a dangerous Parisian cop, a murderous Russian femme fatale, her equally unhinged boss, and perhaps the CIA itself. In the grand tradition of *The Day of the Jackal* and *The Bourne Identity*, Christopher Reich's *The Take* is a stylish, breathtaking ride.

Give and Take Adam Grant, 2014-03-25 A groundbreaking look at why our interactions with others hold the key to success, from the bestselling author of *Think Again* and *Originals* For generations, we have focused on the individual drivers of success: passion, hard work, talent, and luck. But in today's dramatically reconfigured world, success is increasingly dependent on how we interact with others. In *Give and Take*, Adam

Grant, an award-winning researcher and Wharton's highest-rated professor, examines the surprising forces that shape why some people rise to the top of the success ladder while others sink to the bottom. Praised by social scientists, business theorists, and corporate leaders, Give and Take opens up an approach to work, interactions, and productivity that is nothing short of revolutionary.

Take Away the A Michaël Escoffier, 2015-10 A word totally transforms if you take away just one letter - without the A, the beast is best. Without the W, the witch has an itch! This is an alphabet book like no other. An irreverent exploration not only of letters in their alphabetic order, but also of how they form words and communicate ideas. Packed with humour and wordplay, the author and illustrator effortlessly play off each other to enhance humour and meaning. Children will not be able to resist inventing imaginative examples of their own.

Take Command Joe Hart, Michael A. Crom, 2023-01-10 Take command of your future with this groundbreaking book from the experts who brought you *How to Win Friends and Influence People*. Take Command offers powerful tools and time-tested methods to help you live an intentional life by transforming how you approach your thoughts, emotions, relationships, and future. Filled with stories of everyday people and based on expert research and interviews with more than a hundred high-performing leaders, Take Command gives you the strategies you need to unlock your full potential and create the life you want. Written by

Joe Hart (CEO) and Michael Crom (Board Member) of Dale Carnegie & Associates, *Take Command* is a modern manual for personal development that will help anyone, at any age. It is structured around questions geared to encourage self-reflection, such as: -How do we use the power of mindset to deal with stress and anxiety, gain perspective on negative emotions, and build resilience? -Once we understand our inner lives, how do we create enriching, rewarding, and enduring relationships? -How do we deal with difficult people and manage conflict? -After mastering our thoughts and relationships, how do we live courageously and intentionally to build a vision that will bring out the best in ourselves and other people? For more than one hundred years, the wisdom of Dale Carnegie's *How to Win Friends and Influence People* has provided people around the world with richer, more fulfilling relationships and a happier way of life. Now, *Take Command* combines decades of Dale Carnegie's award-winning training and timeless principles—ones that have transformed the personal and professional lives of millions—into a master text that tells you everything you need to know about the art of human relations.

Take Your Eye Off the Ball 2.0 Pat Kirwan, David Seigerman, 2015-09-15 Renowned NFL analysts' tips to make football more accessible, colorful, and compelling than ever before More and more football fans are watching the NFL each week, but many of them don't know exactly what they should be watching. What does the offense's formation tell you about the play that's about to be run? When a quarterback throws a pass toward the sideline and

the wide receiver cuts inside, which player is to blame? Why does a defensive end look like a Hall of Famer one week and a candidate for the practice squad the next? These questions and more are addressed in *Take Your Eye Off the Ball 2.0*, a book that takes readers deep inside the perpetual chess match between offense and defense. This book provides clear and simple explanations to the intricacies and nuances that affect the outcomes of every NFL game. This updated edition contains recent innovations from the 2015 NFL season.

Take That Action! Chris Ekpekurede, 2015-09-07 If this book doesn't get you started on some profitable action right away, nothing else will! It debates your conscience for longstanding inaction and delivers you from yourself. No ordinary business guide, *Take That Action!* provides wisdom for building capacity and a blueprint for living wealthy. The author demystifies success when he defines it as "being genuinely happy with life." What a solid foundation this definition provides for the rest of the book. Whether you don't know what to do, have been trapped in long-term planning, or incapacitated by a failure, this book will bail you out. From managing business risks to unravelling difficult choices, from converting pennies to pounds to securing your future in retirement, *Take That Action!* is a gem for all success seekers. Written from personal experience, it is a collection of the author's best teachings on self-development and the pursuit of success. He is the author of five books with numerous accolades.

Take Charge of Bipolar Disorder Julie A.

Fast, John Preston, 2023-05-09 Revised and updated, Take Charge of Bipolar Disorder is a groundbreaking, comprehensive program to help those with bipolar disorder—and those who care about them—gain permanent control over their lives. Most people diagnosed with bipolar disorder are sent home with the name of a doctor and multiple prescriptions. However, few people with bipolar disorder are able to find long-term stability with medications alone. Bipolar disorder researcher and expert Julie A. Fast, who was diagnosed with the illness at age thirty-one, and specialist John Preston, PsyD, offer the pioneering Take Charge program used around the world to help readers promote stability, reduce mood swings, increase work ability, decrease health care costs, and improve relationships. The book guides those with bipolar disorder and their loved ones toward a comprehensive personal treatment plan by incorporating: Medications and bipolar-safe supplements Lifestyle changes that help manage bipolar symptoms naturally Behavior modifications that reduce and prevent symptoms Guidelines on assembling an effective support team By helping readers gather powerful strategies, Take Charge of Bipolar Disorder delivers a dynamic program to treat this difficult but ultimately manageable illness.

Tape's Rolling Take One Adrian

Kerridge, 2021-01-05 Adrian Kerridge has been part of the British recording industry for the past 50 years. His revolutionary and often forthright approach within the music industry has put him at

the centre of the recording world for half a century. As owner of the eminent Lansdowne Studios - birth place of the Dave Clark Five, and home to numerous household name artists and session stories as well as the cofounding father of the CADAC console brand - he witnessed first-hand the technological changes of an industry transitioning from analogue tape to multi-track to digital recording and editing in the 80s and forwards; was a forerunner in the 60s of the then experimental practice of direct injection – now widely employed by sound engineers and laid the foundations for a more modern upfront sound that was lacking in the 50s and early 60s. Renown for creating unique sonic signature for bands and other recording artists, Adrian's approach to recording was unlike anything the industry had seen in the years previous. He recorded hot while his contemporaries were more conservative in their approach. This book traces his personal journey from war time Britain to the swinging 60s taking in the technical and social changes that were to shape the way music was recorded. It tells the story of a choir boy from West London who fell in love with Jazz and landed a job at a music shop. A chance invitation to sit in on a studio recording of the Sydney Lipton band sparked in Adrian an interest that was to put him on a path from choir boy to the foremost Ears in the business. Adrian describes how his first job at IBC London, one of the UK's largest independent recording studios at the time, led him to work with the legendary and sometimes volatile Joe Meek. Working with Joe gave Adrian crucial insights into the talented

engineer's innovative techniques, which he describes in technical and personal detail, After a brief stint of National Service, Adrian returned to the recording industry but instead of resuming his old job at IBC he was offered a job alongside Joe Meek at a completely new London studio – Lansdowne Recording Studios – with producer Denis Preston, who ran his own Record Supervision jazz label. Adrian describes his experience of working with Joe and Denis, becoming responsible for his own sessions, and the studios' prolific output. He paints the picture of Joe's complex character, as well as his ground breaking and highly successful recording techniques. Joe's premature departure from Lansdowne meant Adrian suddenly found himself catapulted into the job of senior engineer and solely responsible for running the studios. It was during this time that Adrian, along with the Dave Clark Five, led the British invasion of the U.S. music scene in the 1960s pioneering new audio techniques using equipment considered primitive by today's standards. Adrian relates how in the early 1960s, the Dave Clark Five first came into the studio, and how his contribution to the band's development helped create their signature Tottenham Sound. He provides unique insights into the recording of numerous hits such as Glad All Over which resulted in huge success for the band knocking the Beatles' song I want to hold your hand off the top of the U.K. charts in January 1964, going on to sell 2.5M copies. Nowadays you can get a number one with 10-20,000 copies. He describes his intriguing experiences in Germany and Belgium, recording material for the KPM Music

Library and other music libraries.

Take It Easy, Vol 1 Talks on Zen Buddhism
Osho, 2023-03-07 Religion is the vast sky of existence. Reason is a tiny human phenomenon. The reason has to be lost, has to be dropped. Only by going beyond the mind does one start understanding what is. That's the radical change. No philosophy can bring that radical change – only religion. Religion is non-philosophic, anti-philosophic, and Zen is the purest form of religion. Zen is the very essence of religion. Hence it is irrational, it is absurd. If you try to understand it logically you will be bewildered. It can only be understood illogically. It has to be approached in deep sympathy and love. YOU CANNOT approach Zen through empirical, scientific, objective concepts. They all have to be dropped. It is a heart phenomenon. You have to feel it rather than think it. You have to BE it to know it. Being is knowing. And there is no other knowing.

Hit Men Don't Take Credit Cards Jennifer L. White, 2024-02-27 The book is about unsuccessful expectations, failed dreams, and over confident people who have lost their way in the world.

Desert Tortoise Incidental Take Permit Issuance, Washington County , 1995

Every Breath We Take Maya Ajmera, Dominique Browning, 2016-03-08 Clean air is essential for all living creatures—plants, animals, and people—to live healthy lives. Every Breath We Take is a positive, life-affirming look at clean air, with a subtle message about how air can be dirtied—and how it can be cleaned up. Photographs of beautiful children around the world exploring air through

touch, smell, sound, and sight underscore the importance of clean air to all life on earth. This is science that surrounds us. The first step to cherishing something is recognizing its importance and understanding why it is necessary. A portion of the proceeds from the sales of this book will be donated to Moms Clean Air Force, a national movement of over a half million moms, dads, and grandparents who are protecting the right of every child to breathe clean air.

We're Not Gonna Take It Dee Snider, 2020-06-02

This picture book of Dee Snider's classic song of empowerment and self-determination will strike a chord with kids everywhere. Oh we're not gonna take it No, we ain't gonna take it Oh we're not gonna take it anymore We're Not Gonna Take It is a playful picture book echoing 1980s hair band Twisted Sister's most popular antiestablishment anthem. As part of their triple-platinum album Stay Hungry, We're Not Gonna Take It spent fifteen weeks on the Billboard Hot 100 chart, reaching number twenty-one. With lyrics by Dee Snider and illustrations by Margaret McCartney, this picture book follows three toddlers on a mission to defy their parents, whether it be lunchtime, bath time, or bedtime. We're Not Gonna Take It is a story both parents and children can relate to, and a song they can enjoy together. Released in 1984, We're Not Gonna Take It is a signature rock anthem of the 1980s The song was a Hot 100 top forty hit and reached the top ten on the Billboard Mainstream Rock chart The album it appeared on, Stay Hungry, was the band's breakthrough and a US top twenty hit Its anthemic quality has propelled

the song to become a US pop culture touchstone The song has an iconic music video 'We're Not Gonna Take It' was a watershed moment in hard rock. It delivered a defiant song that originally shook up the establishment. --Christa Titus, Billboard 'We're Not Gonna Take It' is an indelible hit, whose instantly recognizable hook practically invites the listener to shout along. --Rachel Martin and Phil Harrell, NPR

Take Care Madelyn Rosenberg, 2018-01-01 This simple verse story relays that kindness to the world is as easy as planting trees, tending to flowers, and being nice to animals. And being kind to others can be as simple as choosing nice words and sharing a smile. Because the world belongs to all of us!

Give and Take Elly Swartz, 2019-10-15 Elly Swartz's *Give and Take* is a touching middle grade novel about family, friendship, and learning when to let go. Family has always been important to twelve-year-old Maggie: a trapshooter, she is coached by her dad and cheered on by her mom. But her grandmother's recent death leaves a giant hole in Maggie's life, one which she begins to fill with an assortment of things: candy wrappers, pieces of tassel from Nana's favorite scarf, milk cartons, sticks . . . all stuffed in cardboard boxes under her bed. Then her parents decide to take in a foster infant. But anxiety over the new baby's departure only worsens Maggie's hoarding, and soon she finds herself taking and taking until she spirals out of control. Ultimately, with some help from family, friends, and experts, Maggie learns that sometimes love means letting go. This

title has Common Core connections.

Double Take Kevin Michael Connolly, 2009-10-13

"Kevin Connolly has used an unusual physical circumstance to create a gripping work of art. This deeply affecting memoir will place him in the company of Jeanette Walls and Augusten Burroughs."

– Sara Gruen, author of *Water for Elephants*

"Charming ... Connolly recounts growing up a scrappy Montana kid—one who happened to be born without legs... [Double Take] makes for an empowering read." – People As featured on 20/20, NPR, and in the Washington Post: Kevin Connolly is a young man born without legs who travels the world—by skateboard, with his camera—on his "Rolling Exhibition," snapping pictures of peoples' reactions to him... and finds out along the way what it truly means to be human.

Triple Take Y Blak Moore, 2019-08-07 Have you

ever been betrayed by someone close to you?

Someone you love like a brother? Jonathan JC Collins has, by not one, but three of his best friends. After having to serve a lengthy prison sentence because of their disloyalty, he's out of the joint and has revenge on his mind. The three friends that caused him to spend most of his adult years locked away will have to pay for their past sins against him. During the 90s while JC was in the penitentiary, they all rose to power on the Chicago streets and he knows they owe their success all to him. Now he's free and he doesn't want their phony apologies or a few bucks. He wants everything they have, and he's not asking; he's taking.
