Cesar Takes a Break Susan Collins Thoms,2012-06-19 When the children are away...the animals will play. Susan Collins Thoms makes a sparkling picture book debut with this hilarious story of class pets on the loose; colorful and humorous pictures by Québécois artist Rogé add to the great fun. Life is great for Cesar the iguana. After all, he went from living in Pets-A-Plenty to an excellent new home in Ms. Lee's elementary school classroom—with 25 best friends to pamper him. But now spring break has arrived, the kids are gone, and poor Cesar's a puddle of sadness. Until...he takes a vacation too! From classroom to classroom he wanders, meeting all the other school pets and making hilarious notes in his journal. Before long, he's feasting on strawberries, dancing the Iguana Shuffle, and playing hockey in the teacher's lounge.

Will he ever want to return to his cage? Cesar's having a blast—and young readers will too!

Juliet Takes a Breath Gabby Rivera, 2019-09-19 Hi, my name is Juliet Palante. I've been reading your book *Raging Flower: Empowering Your Pussy by Empowering Your Mind*. No lie, I started reading it so that I could make people uncomfortable on the subway. But I'm writing to you now because this book of yours, this magical labia manifesto, has become my bible. Juliet's head is spinning with questions. Will her beautiful, chaotic Puerto Rican family still love her when they find out she's gay? Will an internship with her favourite author help her understand what kind of feminist she wants to be? And why won't her girlfriend return her calls?! In a summer full of queer dance parties, a fling with a motorcycling librarian and intense explorations of sexuality and identity, Juliet's about to learn what it means to really come out - to the world, to her family, to herself.

Patina Jason Reynolds,2018-10-23 The sequel to National Book Award Finalist Ghost and a New York Times bestseller A newbie to the track team, Patina must learn to rely on her teammates as she tries to outrun her personal demons in this follow-up to the National Book Award finalist Ghost by New York Times bestselling author Jason Reynolds. Ghost. Lu. Patina. Sunny. Four kids from wildly different backgrounds with personalities that are explosive when they clash. But they are also four kids chosen for an elite middle school track team—a team that could qualify them for the Junior Olympics if they can get their acts together. They all have a lot to lose, but they also have a lot to prove, not only to each other, but to themselves. Patina, or Patty, runs like a flash. She runs for many reasons—to escape the taunts from the kids at the fancy-schmancy new school she's been sent to ever since she and her little sister had to stop living with their mom. She runs from the reason WHY she's not able to live with her “real” mom any more: her mom has The Sugar, and Patty is terrified that the disease that took her mom's legs will one day take her away forever. And so Patty's also running for her mom, who can't. But can you ever really run

away from any of this? As the stress builds, it's building up a pretty bad attitude as well. Coach won't tolerate bad attitude. No day, no way. And now he wants Patty to run relay...where you have to depend on other people? How's she going to do THAT?

Burial Rites Hannah Kent,2013-09-10 Set against Iceland's stark landscape, Hannah Kent brings to vivid life the story of Agnes, who, charged with the brutal murder of her former master, is sent to an isolated

farm to await execution. Set against Iceland's stark landscape, Hannah Kent brings to vivid life the story of Agnes, who, charged with the brutal murder of her former master, is sent to an isolated farm to await execution. Horrified at the prospect of housing a convicted murderer, the family at first avoids Agnes. Only Tv=ti, a priest Agnes has mysteriously chosen to be her spiritual guardian, seeks to understand her. But as Agnes's death looms, the farmer's wife and their daughters learn there is another side to the sensational story they've heard. Riveting and rich with lyricism, *Burial Rites* evokes a dramatic existence in a distant time and place, and asks the question, how can one woman hope to endure when her life depends upon the stories told by others?

Reboot Your Life Catherine Allen, Nancy Bearg, Rita Foley, Jaye Smith, 2011-04-02 More Americans are choosing to take time off from work to relax or re-examine their priorities, so they can return to work energized. Some companies offer formal sabbatical programs, but how can the average person take time off to evaluate their direction, explore their passions, and make time for the things that are really important? Whether you're disillusioned with your career, yearning to follow a dream, or taking time out after a layoff, now is the time to step back and reboot. This book will show you how you can give yourself the best gift ever—the gift of time. People who take sabbaticals report feeling happier, and they return to their jobs refreshed, reinvigorated, and ready to tackle new challenges. *Reboot Your Life* draws upon the

experiences of the four authors and their interview subjects: 200 people who have taken sabbaticals and 150 organizations offering sabbatical programs. The book includes real-life stories and exercises to help the reader figure out how to plan for and take a sabbatical, or how to use unexpected time off.
