

# Texans

Alexander Mendoza,Charles David Grear

**The History of the Houston Texans** John Nichols,2004-08-01 Traces the history of the team from its beginnings through 2003.

*Unforgettable Texans* Bartee Haile,2017-07-24 History books burst at the seams with stories about Houston, Travis, Crockett and other icons of Texas history. Yet many of the Lone Star State's fascinating figures--well known in life but forgotten in death--remain obscure by omission. This scintillating company includes a World War I spy who became a movie star, the first gringo matador, a West Texas tent showman and the husband-and-wife trick-shot act that amazed audiences for forty years. Some characters cut across the common narrative, like the admiral whose advice might have prevented the attack on Pearl Harbor, the one and only Republican congressman in the first half of the twentieth century, the Klansman Texans elected to the U.S. Senate and the businessman who wrote the longest English-language novel in complete secrecy. Popular columnist and author Bartee Haile brings to life some of the most intriguing Texans who ever slipped through the cracks of history.

The Houston Texans Mark Stewart,2012-07-01 How would you like to help name an NFL team? For the Houston Texans, fans helped choose their name by voting online- other options were the Apollos, Bobcats, Wildcats, and Stallions. "The Houston Texans" by Mark Stewart offers young fans a look into one of the newest NFL teams while including fun facts, team spotlights such as DeMeco Ryans and Andre Johnson, and pictures of Texans memorabilia. Have a young fan who likes to argue sports? Don't miss the "Great Debates" section where readers get insight into some of the greatest debates surrounding the Texans and professional football! Team spirit is that deep passion shared by the players and fans when they wear the same colors, watch the same scoreboard, and cheer the same triumphs. This popular series has been completely revised and updated for the Fall 2012 release. Book updates include new team information, records, photos, and timelines as well as new features like GREAT DEBATES and GLORY DAYS. Once you finish the book, you can go to the OVERTIME WEBSITE where each football team has its very own webpage to accompany the reading material. This site will be updated throughout the season and postseason with kid-friendly news about their favorite football teams - the perfect source for up-to-date statistics and player information for young sports fans.

The Mexican Texans Phyllis McKenzie,2004-03-01 In *The Mexican Texans*, author Phyllis McKenzie uses historical narrative and a wealth of photographs to explore how time has shaped the identity of Mexican Texans and their continued contribution in the Lone Star State through more than six generations. With vivid descriptions of the language, music, values, and celebrations that enrich Mexican Texan life, this book will appeal to readers young and old who are interested in Texas and Mexican history. Features include · 58 illustrations · boxed biographical sketches · Spanish poetry with English translation · recipes for traditional Mexican Texan dishes *The Mexican Texans* is part of a five-volume set from the Institute of Texan Cultures. The entire set, entitled *Texans All*, explores the social and cultural contributions made by five distinctive cultural groups that already existed in Texas prior to its statehood or that came to Texas in the early twentieth century: The Indian Texans, The Mexican Texans, The European Texans, The African Texans, and The Asian Texans.

*The Indian Texans* James M. Smallwood,2004 Traces the history of Native Americans in Texas from prehistory to the early twenty-first century, providing information on each tribe, and including biographical sketches, illustrations, and excerpts about Indian Texas from the journals of explorer Cabeza de Vaca and others.

**The African Texans** Alwyn Barr,2004-02-19 Immigrants of African descent have come to Texas in waves—first as free blacks

seeking economic and social opportunity under the Spanish and Mexican governments, then as enslaved people who came with settlers from the deep South. Then after the Civil War, a new wave of immigration began. In *The African Texans*, author Alwyn Barr considers each era, giving readers a clear sense of the challenges that faced African Texans and the social and cultural contributions that they have made in the Lone Star State. With wonderful photographs and first-hand accounts, this book expands readers' understanding of African American history in Texas. Special features include · 59 illustrations · 12 biographical sketches · excerpts from newspaper articles · excerpts from court rulings *The African Texans* is part of a five-volume set from the Institute of Texan Cultures. The entire set, entitled *Texans All*, explores the social and cultural contributions made by five distinctive cultural groups that already existed in Texas prior to its statehood or that came to Texas in the early twentieth century: The Indian Texans, The Mexican Texans, The European Texans, The African Texans, and The Asian Texans.

**Meet the Houston Texans** Zack Burgess, 2016-07 An introduction to the Houston Texans professional football team. Includes information about the team's history, stadium, star players, uniforms and more. Features a true or false quiz, photographs, vintage trading cards reproductions, maps, and records. Includes access to the Team Spirit Overtime website which provides regularly updated information and photographs. Aligns to Common Core State Standards requirements for Reading Informational Text. Table of Contents, glossary, additional resources and index.

**The Houston Texans Story** Thomas K. Adamson, 2016-08-01 Packed in the stadium for opening night in 2002, Houston Texans fans twirled red bandanas and celebrated the win against the Dallas Cowboys. They won 19-10! That night, an expansion team had just won their first, regular season game the first time in over 40 years. Learn about the creation of the Houston Texans and their determination to make history in this high-low title.

*A History of Texas and Texans* Frank White Johnson, 1914 Vols. 1 and 3 are books; vols. 2, 4, 5 are microfiche.

*Texas and the Texans* Henry Stuart Foote, 1841

Lone Star T. R. Fehrenbach, 2014-04-01 The definitive account of the incomparable Lone Star state by the author of *Fire & Blood: A History of Mexico*. T. R. Fehrenbach is a native Texan, military historian and the author of several important books about the region, but none as significant as this work, arguably the best single volume about Texas ever published. His account of America's most turbulent state offers a view that only an insider could capture. From the native tribes who lived there to the Spanish and French soldiers who wrested the territory for themselves, then to the dramatic ascension of the republic of Texas and the saga of the Civil War years. Fehrenbach describes the changes that disturbed the state as it forged its unique character. Most compelling is the one quality that would remain forever unchanged through centuries of upheaval: the courage of the men and women who struggled to realize their dreams in The Lone Star State.

**Texans in Revolt** Alwyn Barr, 2010-07-05 The first comprehensive history and analysis of the Siege of Béxar in early nineteenth-century Texas. While the battles of 1836—the Alamo, Goliad, and San Jacinto—are well-known moments in the Texas Revolution, the battle for Béxar in the fall of 1835 is often overlooked. Yet this lengthy siege, which culminated in a Texan victory in December 1835, set the stage for those famous events and for the later revolutionary careers of Sam Houston, James Bowie, and James W. Fannin. Drawing on extensive research and on-site study around San Antonio, Alwyn Barr completely maps the ebbs and flows of the Béxar campaign for the first time. He studies the composition of the two armies and finds that they were well matched in numbers and

fighting experience—revising a common belief that the Texans defeated a force four times larger. He analyzes the tactics of various officers, revealing how ambition and revolutionary politics sometimes influenced the Texas army as much as military strategy. And he sheds new light on the roles of the Texan and Mexican commanders, Stephen F. Austin and Martín Perfecto de Cos. As this excellent military history makes clear, to the famous rallying cry “Remember the Alamo!” “Remember Goliad!” should be added: “And don't forget San Antonio!” “Will most likely remain for some time the standard work on this battle. Outstanding scholarship and research are reflected in the book, including on-site study of the locale. . . . This is an important military history, and as such, it should be in all Texana collections.” —Review of Texas Books “This is a significant contribution to the study of Texas history. Texans in Revolt will be the standard work on this campaign.” —Ralph A. Wooster, Associate Vice President and Regents Professor, Lamar University

Houston Texans J. Chris Roselius, 2013-08-01 Get your football fanatic readers into the action. Inside the NFL uses chronological narratives to tell the beginnings of the Houston Texans, relate the greatest and lowest moments of the team, introduce the best players and coaches, and share other fun facts that help round out Texans' history. Mini-biographies, sidebars, fun facts, fantastic quotes, and full-color, action-packed photographs will bring the NFL to your library.

Houston Texans Steven M. Karras, 2018 Provides a simple introduction to the Houston Texans, including major records, stars, stadium, history, statistics and more.

*The Texans* Brett Cogburn, 2013-09-03 A Texan always keeps his promise. At seventeen years old, Odell Spurling is taller than most men, and all too ready to be treated like one. But nothing could prepare him for the Comanche raid that left him without a home or family. The girl he loves, Red Wing Wilson, was once a Comanche herself—stolen as a child and raised among Texans. With a promise to return to her, he sets off for revenge. But when the President of Texas attempts to make peace with the Comanche, and arranges to return Red Wing in a gesture of goodwill, Odell finds himself on a mission greater than mere revenge. To get her back, he'll have to contend with an unforgiving land, a sword-brandishing Prussian, and a Comanche warrior who has sworn to take his scalp.

*Pioneer Jewish Texans* Natalie Ornish, 2011-09-01 With more than 400 photographs, extensive interviews with the descendants of pioneer Jewish Texan families, and reproductions of rare historical documents, Natalie Ornish's *Pioneer Jewish Texans* quickly became a classic following its original release in 1989. This new Texas A&M University Press edition presents Ornish's meticulous research and her fascinating historical vignettes for a new generation of readers and historians. She chronicles Jewish buccaneers with Jean Lafitte at Galveston; she tells of Jewish patriots who fought at the Alamo and at virtually every major engagement in the war for Texan independence; she traces the careers of immigrants with names like Marcus, Sanger, and Gordon, who arrived on the Texas frontier with little more than the packs on their backs and went on to build great mercantile empires. Cattle barons, wildcatters, diplomats, physicians, financiers, artists, and humanitarians are among the other notable Jewish pioneers and pathfinders described in this carefully researched and exhaustively documented book. Filling a substantial void in Texana and Texas history, the Texas A&M University Press edition of Natalie Ornish's *Pioneer Jewish Texans* brings back into circulation this treasure trove of information on a rich and often overlooked vein of the multifaceted story of the Lone Star State.

**Texans Always Move Them:** Jeffrey Dixon Murrah, 2007

**Texans and War** Alexander Mendoza, Charles David Gear, 2012-02-29 Beginning with tribal wars among Native Americans before Europeans settled Texas and continuing through the Civil War, the soil of what would become the Lone Star State has frequently been

stained by the blood of those contesting for control of its resources. In subsequent years and continuing to the present, its citizens have often taken up arms beyond its borders in pursuit of political values and national defense. Although historians have studied the role of the state and its people in war for well over a century, a wealth of topics remain that deserve greater attention: Tejanos in World War II, the common Texas soldier's interaction with foreign enemies, the perception of Texas warriors throughout the world, the role of religion among Texans who fight or contemplate fighting, controversial paramilitary groups in Texas, the role and effects of Texans' ethnicity, culture, and gender during wartime, to name a few. In *Texans at War*, fourteen scholars provide new studies, perspectives, and historiographies to extend the understanding of this important field. One of the largest collections of original scholarship on this topic to date, *Texans and War* will stimulate useful conversation and research among historians, students, and interested general readers. In addition, the breadth and originality of its contributions provide a solid overview of emerging perspectives on the military history and historiography of Texas and the region.

*Growing Up in the Lone Star State* Gaylon Finklea Hecker, Marianne Odom, 2021-04-06  
 Gaylon Finklea Hecker and Marianne Odom began the interviews for this book in 1981 and devoted a professional lifetime to collecting the memories of accomplished Texans to determine what, if anything, about growing up in the Lone Star State prepared them for success. The resulting forty-seven oral history interviews begin with tales from the early 1900s, when Texas was an agrarian state, and continue through the growth of major cities and the country's race to the moon. Interviewees recalled life in former slave colonies; on gigantic ranches, tiny farms, and sharecropper fields; and in one-horse towns and big-city neighborhoods, with relatable stories as diverse as the state's geography. The oldest interviewees witnessed women earning the right to vote and weathered the Great Depression. Many remembered two world wars, while others recalled the Texas City explosion of 1947 and the tornado that devastated Waco in 1953. They witnessed the advent of television and the nightly news, which helped many come to terms with the assassination of a president that took place too close to home. Their absorbing reflections are stories of good and bad, hope and despair, poverty and wealth, depression and inspiration, which would have been different if lived anywhere but Texas.

**Texans at Gettysburg** Joseph L Owen, Randy S Drais, 2017-04-20  
 The Texans from Hood's Texas Brigade and other regiments who

fought at Gettysburg on 1-3 July 1863 described their experiences of the battle in personal diaries, interviews, newspaper articles, letters and speeches. Their reminiscences provide a fascinating and harrowing account of the battle as they fought the Army of the Potomac. Speeches were given in the decades after the battle during the annual reunions of Hood's Brigade Association and the dedication of the Hood's Brigade Monument that took place on 26-27 October 1910 at the state capital in Austin, Texas. These accounts describe their actions at Devil's Den, Little Round Top and other areas during the battle. For the first time ever, their experiences are compiled in *Texans at Gettysburg: Blood and Glory with Hood's Texas Brigade*.

## Unveiling the Magic of Words: A Report on "**Texans**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Texans**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
