**The Curse of the Boyfriend Sweater** Alanna Okun, 2018-03-20 Every knitter knows that as soon as you start making your boyfriend a sweater, he will be out the door before you're done. But as Alanna Okun has learned, these life lessons are not limited to the curse of the boyfriend sweater. Like millions of women, Okun finds joy and solace in crafting. And she has also found some essential truths. Starting from when her grandmother first taught her to knit, crafting has been a part of her life, and her family's. Some people like to fish. Some like to play music. Or run. Okun likes to make things. Knitting, crocheting, sewing, decoupage - you name it, Okun has tried it, and even if she turned out to be not very good at it, she found it was good for her. In a world that shows itself impervious to our need for order and logic, crafting allows Okun to feel a sense of control - even if it's simply by making a piece of felt do what she wants it to. Crafting has helped keep her severe anxiety at bay, made a scary first apartment more hospitable, helped her heal from a broken heart. When Okun has two good friends die within a year of each other, it is crafting that helps her find hope again. The art and physicality of making things, whether it's nerdy embroidery or warm mittens, has helped her cope with life's internal trauma. In beautiful prose that belies her youth, Okun's essays about art, craft, and mental health will resonate with creative people no matter their medium, and no matter the troubles in their hearts. We can all relate to the need to fix what's inside by keeping our hands busy.

**Interactive Storytelling** Andrew Glassner, 2017-08-02 We are on the verge of creating an exciting new kind of interactive story form that will involve audiences as active participants. **The Winter of Our Disconnect** Susan Maushart, 2011-06-28 For any parent who's ever IM-ed their child to the dinner table - or yanked the modem from its socket in a show of primal parental rage - this account of one family's self-imposed exile from the Information Age will leave you ROFLing with recognition. But it will also challenge you to take stock of your own family connections, to create a media ...

**Snooze... or Lose!** Carol Whiteley, Dr. Helene A. Emsellem, M.D., 2006-07-28 Walk into any first-period high school classroom and it's obvious: teenagers are exhausted. Sleep deprivation is an epidemic as widespread as obesity—and just as damaging. Fortunately, science has answers and Dr. Helene Emsellem has solutions that all parents can use. Affecting the lives of more than 41 million adolescents in the United States alone, sleep deprivation is a chronic problem for kids today. We know this intuitively as we watch teenagers frantically juggle a hectic social calendar with the overwhelming demands of school, work, and chores. School performance around the country is suffering—but it's not just grades that are at risk. Sleep deprivation has been found to affect nearly every aspect of a teenager's life, from emotional stability and behavioral issues to physical well-being and the potential for drug and alcohol abuse. For years, we've blamed many of these adolescent characteristics on the natural maturing process or changing hormones. And while chemicals do surge through the body creating strong effects, sleep—the right amount and the right kind—has now been targeted for its prime importance in overall success and well-being.

**Saved by Her Enemy** Don Teague, Rafrak Barrak, 2010-03-02 For her entire life, Rafrak, a devout Muslim, had been told that Americans were the enemy. Her understanding of the world, of her place in it, and of the United States had been steeped in the culture of Iraq under the rule of Saddam Hussein. Yet, in the midst of insurgents attempting to kidnap and kill her, she found herself on the receiving end of lifesaving help from those she considered her enemies. Rafrak suddenly finds herself living with a Christian family in the Bible Belt of America. Nothing had prepared her for this new reality—the life of a college student in a vastly foreign culture, in a community as far from her expectations as she could have imagined, and in a family that opens their hearts to enfold her. *Saved by Her Enemy* is a riveting journey of two very different people from opposite sides of the world, of faith, of experience, and of expectations. The dramatic intersection of their lives and their journey together is an inspiration to those who have ever felt there was more to life than the world they knew. A young Iraqi woman, an American war correspondent, and a true tale of friendship, faith, and family against the backdrop of war and the collision of cultures. This is a story of a very unlikely friendship—between American war correspondent Don Teague and Rafrak Barrak, an Iraqi college girl who won a job as a translator for NBC during the early months of violence in the wake of the American invasion of Iraq. While covering a story together, the two were nearly killed by a bomb, an experience that created a bond between them that led them down a path neither could have imagined. What follows is a story of transformation, as Rafrak—from a devout Muslim family—becomes the target of terrorist threats to kidnap and murder her. Don and his fellow correspondents mobilize to help save her life and suddenly Rafrak finds herself on the receiving end of an offer for safety and a new life in the United States. Dramatically transplanted from the streets of Iraq to the Bible Belt of middle America, Rafrak finds everything that she knew—or thought she knew—about herself, her values, her world, even faith and family, turned upside down. Meanwhile, Don; his wife, Kiki; and their children discover they've embarked on an adventure with Rafrak that reshapes their lives. This captivating story inspires us all to join Don and Rafrak in discovering that there is far more to life than the world we know.
