All the Way to the Top Annette Bay Pimentel, 2020-02-15 This is the story of a little girl who just wanted to go, even when others tried to stop her. Jennifer Keelan was determined to make a change-- even if she was just a kid. She never thought her wheelchair could slow her down, but the way the world around her was built made it hard to do even simple things. Like going to school, or eating lunch in the cafeteria. Jennifer knew that everyone deserves a voice! Then the Americans with Disabilities Act, a law that would make public spaces much more accessible to people with disabilities, was proposed to Congress. And to make sure it passed, Jennifer went to the steps of the Capitol building in Washington DC to convince them. And, without her wheelchair, she climbed. ALL THE WAY TO THE TOP!

Ayoade on Top Richard Ayoade, 2019-09-03 Richard Ayoade - in this foren, perhaps one of the most 'insubstantial' people of our age, takes us on a journey from Peckham to Paris by way of Nevada and other places we don't care about. It's a journey deep within, in a way that's respectful and non-invasive; a journey for which we will all pay a heavy price, even if you've waited for the smaller paperback edition. Ayoade argues for the canonisation of this brutal masterpiece, a film that celebrates capitalism in all its victimless glory; one we might imagine Donald Trump himself half-watching on his private jet's gold-plated flat screen while his other puffy eye scans the cabin for fresh, young prey.

Hager, 2014-05-05 Learn leadership from the best--proven insights from the power elite in business, government, and beyond *View from the Top* brings readers inside the corridors of power and relates the personal stories and powerful findings from the Platinum Study, a groundbreaking study of 550 elite American CEOs, senior government leaders, and nonprofit executives based on ten years of research. Top of the Rock Warren Littlefield,T. R. Pearson,2013-02-12 Top of the Rock is an absorbing insiders' account of an incredible time and place in television history: the years when Must See TV—led by Cheers, Seinfeld, Friends, ER, and Law & Order—made NBC an unstoppable success. Here the story is vividly told through the words of the actors, writers, producers, creators, and network

executives who helped the Peacock rise to its greatest heights—and then saw it all fall apart. Under the supervision of President of Entertainment Warren Littlefield, NBC went from being an also-ran, losing millions of dollars in failed shows, to the number one station, generating billions of dollars in profit. At its height, the Thursday night lineup alone brought in more revenue than the other six nights of programming combined. Top of the Rock dishes out behind-the-scenes stories from all the biggest shows, revealing the highly risky business decisions, creative passion, and blind leaps of faith that made Must See TV possible. Jerry Seinfeld | Jason Alexander | Kelsey Grammer | Sean Hayes | Helen Hunt | Lisa Kudrow | Eriq La Salle | Matt LeBlanc | John Lithgow | Julianna Margulies | Eric McCormack | Debra Messing | Megan Mullally | David Hyde Pierce | Paul Reiser | Noah Wyle | and more

The Inn at the Top Neil Hanson, 2013-09-24 The delightful tale of a young couple who in the late 1970s, on impulse, became the new landlords of the most remote, bleak and lonely pub - The Tan Hill Inn - located in the bleak landscape of the Yorkshire Dales. Having seen an article in the newspaper about the pub's search for a new manager, they arrived just three weeks later as the new landlords of the The Tan Hill Inn. It is a wild, wind-swept place, set alone in a sea of peat bog and heather moorland that stretches unbroken as far as the eye can see. With only sheep and grouse for company, their closest neighbour was four miles away and the nearest town twelve. They had no experience of licensed trade or running a pub, no knowledge of farming and a complete inability to understand the dialect of the sheep farmers who were their local customers. Eager, well-meaning, but in over their heads, our two heroes embarked on a disaster-strewn career that somehow also turned into a lifelong love affair with the Dales. The Inn at the Top is an entertaining ramble around the Inn, the breath-taking Dales countryside and a remarkable array of local characters, giving an insight into life in a very different different time and place.

Top 100 Exotic Food Plants Ernest Small, 2011-08-23 Many edible plants considered exotic in the Western world are actually quite mainstream in other cultures. While some of these plants are only encountered in ethnic food markets or during travels to foreign lands, many are now finding their way onto supermarket shelves. Top 100 Exotic Food Plants provides comprehensive coverage of tropical and semitropical food plants, reviewing scientific and technological information as well as their culinary uses. Wide-ranging in scope, this volume's coverage includes plants that produce fruits, vegetables, spices, culinary herbs, nuts, and extracts. A user-friendly format enables readers to easily locate

information on botanical and agricultural aspects, economic and social importance, food uses, storage, preparation, and potential toxicity. The book also contains an introductory chapter that reviews important historical, economic, geopolitical, health, environmental, and ethical considerations associated with exotic food plants. Thoroughly referenced with more than 2000 literature citations, this book is enhanced by more than 200 drawings, many chosen from historical art of extraordinary quality. This timely volume also highlights previously obscure edible plants that have recently become prominent as a result of sensationalistic media reports stemming from their inherently entertaining or socially controversial natures. Some of these plants include the acai berry, kava, hemp, and opium poppy. A scholarly yet accessible presentation, the book is filled with numerous memorable, fascinating, and humorous facts, making it an entertaining and stimulating read that will appeal to a broad audience.

Over the Top Jonathan Van Ness, 2019-09-24 NEW YORK TIMES BESTSELLER NPR'S FAVORITE BOOKS OF THE YEAR INDIE BESTSELLER GOODREADS CHOICE AWARD WINNER: BEST MEMOIR & AUTOBIOGRAPHY A laugh-and-cry-out-loud memoir from the beloved star of Netflix's *Queer Eye*, Jonathan Van Ness Who gave Jonathan Van Ness permission to be the radiant human he is today? No one, honey. The truth is, it hasn't always been gorgeous for this beacon of positivity and joy. Before he stole our hearts as the grooming and self-care expert on Netflix's hit show *Queer Eye*, Jonathan was growing up in a small Midwestern town that didn't understand why he was so...over the top. From choreographed carpet figure skating routines to the unavoidable fact that he was Just. So. Gay., Jonathan was an easy target and endured years of judgement, ridicule and trauma—yet none of it crushed his uniquely effervescent spirit. *Over the Top* uncovers the pain and passion it took to end up becoming the model of self-love and acceptance that Jonathan is today. In this revelatory, raw, and rambunctious memoir, Jonathan shares never-before-told secrets and reveals sides of himself that the public has never seen. JVN fans may think they know the man behind the stiletto heels, the crop tops, and the iconic sayings, but there's much more to him than meets the *Queer Eye*. You'll laugh, you'll cry, and you'll come away knowing that no matter how broken or lost you may be, you're a Kelly Clarkson song, you're strong, and you've got this.

Top 40 Brandon Brown,2014 Poetry. California Interest. Like the wavering foliage which inspired William Wordsworth's autobiographical epic, America's Top 40 Countdown is the catchy Beatrice of Brandon Brown's new book. Writing through the Top 40 pop songs on the chart of September 14, 2013, Brown's poems track the life of a song as it resounds through an organism. An organism who bathes, reads, writes, likes, fights, loves, hates, and fucks seems human; the soundtrack never stops.
