Tour Book Rachel Hales, 2021-04-14 It's show night. You've bought tickets and are waiting with your friends. The lights drop. The darkness swells in anticipation. A collective cheer grows. A breath of silence. Then, that first chord screams from the speakers. Lights flash to flood the stage, radiating as the concert comes to life. We are there, too, in the dark under the show, behind it, and above it. Each prop or cool trick, every costume or scene change requires the hidden help of someone behind the scenes. In a few hours, you will have gone home, but we will still be here, tearing it all down. We will pack up the gear, load up more than a dozen tractor trailers, and head out to the next city. Tomorrow, we will build the production again in a new building. We'll greet another audience. We'll put on another show. From load in to load out, watch a production build toward show time. Hear true stories from the rock and roll roadies who've helped create the world's biggest concert tours with interviews from dozens of touring technicians.

The Book Tour Andi Watson, 2020-11-18 A page-turning, Kafkaesque dark comedy in brilliant retro style, this graphic novel watches one man try to keep it together while everything falls apart. Upon the publication of his latest novel, G. H. Fretwell, a minor English writer, embarks on a book tour to promote it. Nothing is going according to plan, and his trip gradually turns into a nightmare. But now the police want to ask him some questions about a mysterious disappearance, and it seems that Fretwell's troubles are only just beginning... In his first book for adults in many years, acclaimed cartoonist Andi Watson evokes all the anxieties felt by every writer and compresses them into a comedic gem of a book. Witty, surreal, and sharply observant, *The Book Tour* offers a captivating lesson in letting go.

Burke's Tour Bob Derr, 2006-12 He has a very specific purpose to teach the people around him a valuable spiritual lesson through his illness, psychic Steve Mucci said. His soul knows the

light and is very wise... Burke P. Derr dreamed of helping others and finding a cure for cystic fibrosis (CF), and Burkes Tour details how his namesake teddy bear, nicknamed the Ambassador of Love, is touring the United States and world countries in helping to make that dream come true. Author Bob Derr, Burkes Dad, tells an inspirational story of his sons miraculous life and how people, businesses, and organizations are working together to complement his sons legacy. 50% of the authors royalties will be donated to cystic fibrosis research projects.

A Cook's Tour Anthony Bourdain, 2010-09-17 'It works extremely well. In large part because Bourdain is a very funny writer; sharp, honest and with a beguiling mix of belligerence and sensitivity' Sunday Telegraph 'Brilliantly written up in a raw, stylish gonzo prose, with pitch-black humour and a devilish turn of phrase' Evening Standard _____ Anthony Bourdain, life-long line cook and bestselling author of Kitchen Confidential, sets off to eat his way around the world. But being Anthony Bourdain, this was never going to be a conventional culinary tour. Bourdain heads out to Saigon where he eats the still-beating heart of a live cobra, and travels deep into landmined Khmer Rouge territory to find the rumoured Wild West of Cambodia (Pailin). Other stops include dining with gangsters in Russia, a medieval pig slaughter and feast in northern Portugal, the Basque All Male Gastronomique Society in Saint Sebastian, rural Mexico with his Mexican sous-chef, a pilgrimage to the French Laundry in the Napa Valley and a return to his roots in the tiny fishing village of La Teste, where he first ate an oyster as a child. Written with the inimitable machismo and humour that has made Tony Bourdain such a sensation, A Cook's Tour is an adventure story sure to give you indigestion.

Forgetting English Midge Raymond, 2017-02-01 Winner of the Spokane Prize for Short Fiction In this new, expanded edition of her prize-winning collection, which includes a reading group guide, Midge Raymond stretches the boundaries of place as she explores

the indelible imprint of home upon the self and the ways in which new frontiers both defy and confirm who we are. The characters who inhabit these stories travel for business or for pleasure, sometimes out of duty and sometimes in search of freedom, and each encounters the unexpected. From a biologist navigating the stark, icy moonscape of Antarctica to a businesswoman seeking refuge in the lonely islands of the South Pacific, the characters in these stories abandon their native landscapes—only to find that, once separated from the ordinary, they must confront new interpretations of whom they really are, and who they’re meant to be.

The Final Tour A.J. Stewart, 2017-08-30 Warrior. Patriot. Traitor? Jacques Fontaine always wanted to serve but he never expected to lead this band of brothers. Different nationalities, different languages, a collection of misfits. And the world's elite terrorist hunters. Sent to Iraq during the US drawdown on what appears to be a routine investigation, they find themselves under attack from insurgents, the military and unseen forces with widespread political connections. With their careers—if not their lives—under threat, Fontaine must lead his unit through the fire if this isn't to become their final tour of duty. Series praise: ★★★★★ “I read this book in one day! NON-stop action.” ★★★★★ “John Flynn is a far-above average protagonist.” ★★★★★ “The author is a great storyteller.” ★★★★★ “Another Winner from A.J. Stewart.” ★★★★★ “Filled with twists, turns and unexpected outcomes.” ★★★★★ “I'll be reading more...
