

Trax

DIX BRUCE

Maxx Trax James Preller,1986-11 The superpowered trucks known as Maxx Trax must avert the possibility of an avalanche that would destroy Maxx Trax facilities.

Trax 3 Jeff Geary,2011-05 'Signalling and Lever Frames' is a new addition to the 'TRAX' series from author Jeff Geary. It is an easy-to-use and informative guide that comes complete with an accompanying CD-ROM.

Trax the Tractor and His Farming Friends Ashley Sarver,2022-01-22 Trax the Tractor and His Farming Friends is a story about the love of farming, along with the challenges and hardships that come with it. Take a look into Trax's world and see what a typical year looks like for a grain farmer in the Midwest. Trax and his farming friends overcome obstacles and always trust God to get them through the hard times. They also have a lot of FUN, too! Trax and his friends are ready to farm with you!

Backup Trax: Basic Blues for Guitar DIX BRUCE,2011-03-11 Learn to play 14 classic blues the best way-by doing! This book and CD provide your backup band as you explore Country and Urban, Acoustic and Electric, Delta, Texas, Chicago, Slide Guitar, Alternate Tuning, Traditional, and Modern styles in many different major and minor keys and in a variety of tempos. Melodies are first presented on the recording at a slow speed with just guitar, then repeated at regular speed with the band. Finally, you can play along with the hot blues rhythm section alone, and you've got the makings of a dynamite blues jam session. You'll play all the leads and solos! Repeat a tune or passage as many times as you want at slow or regular speed. We'll jam all night long! Beginners and intermediate players can practice basic skills. Advanced players can hone their improvisation chops. the split track recording allows you to hear either just the melody from one speaker, just the rhythm section from the other, or both for maximum flexibility and specific study. the book includes melodies, chord diagrams and guitar tablature.

Backup Trax/Swing & Jazz Dix Bruce,2011-01-13 With this book/CD package you'll learn melodies and practice soloing on 12 of the most popular and important chord progressions in the swing and jazz repertoire - cycle of fifths; major and minor progressions with II-V-I, I-VI-II-V-I, I-III-VI-II-V chord changes; major, minor, and 6/8 blues; and much more- all based on favorite swing and jazz hits. Play along with a hot string rhythm section: featuring guitar, mandolin and bass with lead melodies played on tenor sax. Each melody appears in standard notation for C instruments, guitar tablature, and mandolin tablature. the recording features all of the tunes at slow and regular speeds. Melodies to the tunes are recorded at about one-half speed with only guitar accompaniment before each track with the full band. Instruments are isolated for maximum flexibility. By adjusting the balance control on your stereo you can hear 1) the full band; 2) guitar and bass only (you play the lead melody from the book); or 3) mandolin, melody, and bass only (you play rhythm).

Backup Trax: Old Time & Fiddle Tunes for Cello DIX BRUCE,2011-08-18 Learn melodies and practice soloing on fourteen of the most popular old time and fiddle tunes. Play along with a great string band rhythm section: guitar, mandolin, and string bass. the audio recording has all of the tunes at slow and regular speeds with melodies, and allows you to hear just rhythm, just lead, or both. Great for cello, string bass, bass guitar, or any bass clef instrument. We'll jam all night long!

West Coast Blues Guitar Play-Along Trax DAVID BARRETT,2010-12-17 This book/2-CD set has been designed to help the guitarist with soloing studies. These 36 play-along rhythm tracks embody the electrifying feel of the West Coast Blues and provide you with the ability to place new licks and soloing concepts into context. They include slow blues, fast blues, jazzy blues, rumbas, songs with breaks, swings, marches, minor blues, boogies, and many more. A practice section is included featuring nine Play-Along Trax that start at a tempo of 40 beats per minute and go to 200 for progressive lick study. This is a great tool to help you master any lick or song that is too difficult to play at its original speed. the remaining backup tracks are arranged by key, single guitar or band, and tempo. Most of the examples will use the standard 12-bar blues format, while a few use common variations such as 16-bar blues. the book provides the chord progressions plus instruction on how to use the CDs to practice listening and breaks.

Backup Trax/Old Time & Fiddle Tunes for Fdl & Mandolin DIX BRUCE,2015-10-21 14 Fiddle tunes carefully chosen to represent a variety of keys and types of tunes. All are standards played whenever bluegrass, country, and old time musicians gather. The melodies and chord progressions to all the tunes are on the recording at both regular and slow speeds. Learn this repertoire and you'll have a great introduction to fiddle tunes. Tunes include: Temperance Reel; Sally Goodin; Blackberry Blossom; Over the Waves; Beaumont Rag; Red Haired Boy; JuneApple; Salty Dog; Old Joe Clark; Billy in the Lowground, and more! Notation and tablature. Audio available for download online

Voyager Trax Chaos,2004-12

Blues Bass Play-Along Trax FRANK DE ROSE,2015-08-15 Welcome to the School of the Blues Lesson Series! This book and recording were created to help give you context to all the music you worked so hard to learn. The recorded Play-Along Trax have no bass. This gives you the opportunity to work on your blues bass patterns. I have used several different keys and tempos throughout these Play-Along Trax. These Play-Along Trax give you a very realistic example of how you would play live with a band. Music examples are kept fairly simple to make sure this book is accessible to bass players just above the beginning level. For best understanding of these techniques refer to Mel Bay's Blues Bass, Level 1 (MB21063BCD). Lastly, all the references in this book are written for a right-handed four string electric bass. If you play a 5 string bass you just need to extend the examples to include your B string. If you play left-handed then you need to reverse any references to the left and right hands. We will use standard music notation along with bass tablature (TAB) for this book. Includes access to online audio

Belwin's 21st Century Guitar Song Trax 2 ,1994-09 Book 2 includes Cathy's Clown * Green River * Run to You * Sharp Dressed Man * La Grange * Tush * Light My Fire * Ain't Going Down. Correlated to the material in both the Guitar Method and Guitar Rock Shop books.
