gaming industry he left behind. Dear Eric, I went to work at the El Cortez in 1965. By 1967, I became the Casino Manager and started doing business with your dad. I became his oldest and largest customer. Over the years, through several more hotels, I gave Paul-Son Dice and Cards over 90% of my business --- gaming tables, dice, chips, etc. Your father was a true pioneer in the gaming supply business. He, myself and my father, Jackie Gaughan, are all in the Gambling Hall of Fame. Your brother, Tom, and I were close friends and my son, John, worked one summer for your company. Eric, best of luck on this endeavor. I am sure if your father were still alive today, he would be proud of you. Michael Gaughan South Point Hotel Dear Eric, As a Las Vegas resident since 1964 and Mayor for 12 years, I had the pleasure of knowing your father Paul Endy Jr. both personally and professionally. I remember having breakfast with him and the other “movers and shakers” at Papa Gars which was right around the corner and across the railroad tracks from Paul-Son Dice and Card Company. Your dad reminded me of a “Bull in a China Shop” and was able to get things done today, not yesterday and sealed with a handshake. I consider him as a gaming legend and one of the “good old boys” whose fundraising efforts for both UNLV baseball and Westcare were commendable. Thank You for continuing his gaming legacy. Mayor Oscar Goodman Mayor of Las Vegas from 1999–2011 Eric, Your Dad was a real Casino Gaming Legend and a great human being! I remember when your father was inducted into the gaming Hall of Fame in 1996, an honor very well deserved. I will always cherish the time your Dad and I spent together and the commitment we both had to fundraising for charitable causes. I am so proud that you are continuing his legacy by writing his biography. Wayne Newton Mr. Las Vegas

Archaeology of Manila Galleon Seaports and Early Maritime Globalization Chunming Wu, Roberto Junco Sanchez, Miao Liu, 2019-10-31 This book focuses on the archaeological and historical research on the seaport heritage of galleon navigation in Asia-Pacific region. It reconstructs the Manila Galleons’ era of early maritime globalization, established and operated by Spanish navigators from the 16th to 19th centuries. The galleons sailed across the Pacific via the hub seaports and trade centers of Manila in the Philippines and Acapulco in Mexico, forming a prosperous sea route connecting eastern Asia and New Spain on the American continent for more than 250 years. This pioneering navigation of the pan-Pacific regions promoted early global maritime trade along the new Maritime Silk Road between the East and the West. Written by archaeologists and cultural historians from America, Mexico, Japan, the Philippines, Mainland China, Hong Kong and Taiwan, it presents the latest investigations and research on the galleon-affiliated seaports, including Acapulco and San Blas in Mexico, Guam, Manila in Philippines, Yuegang (Crescent Harbor), Xiamen (Amoy), Keelung and Macao in China, Nagasaki in Japan. This joint research sheds new light on the history of navigation and maritime trade between galleon-affiliated harbors; the origin, production, transport and trade of the galleon cargo; social cultural exchange along the new Maritime Silk Road in the pan-Pacific region; and the history of maritime globalization in last 500 years. It offers a new perspective on maritime archaeology and traces the different stages of the galleon trade and affiliated maritime history, including Yuegang Outbound, Manila Entrepotting and Bound for Acapulco, presenting a panoramagram of Spanish pan-Pacific trade and early maritime globalization.
