Twerk Isobel Blackthorn,2023-03-23 Desire, a spark, and a decision made too fast. A Las Vegas stripper is plunged into the depraved world of a psychopath. But is she the only target of his twisted desires? A regular Sunday night in a Las Vegas strip club is rocked when a local oddball dies mysteriously during a private dance. Amber falls immediately in lust with the hot paramedic who arrives, and follows him outside. But her casual encounter quickly descends into a terrifying, twisted nightmare from which she is unable to escape. Five days later, it's Lana's next shift at the club. She's a fly-in-fly-out dancer paying her way through law school – and she's Amber's best friend. But where is Amber, and what about the dead client? Was it an accident, suicide, or murder? Finding neither the police nor the club are taking much interest, Lana conducts her own inquiries. Thrust into a web of lies and deceptions she is determined to unravel, she's desperate to uncover the truth about the death, but the person she most needs to speak to is Amber. An addictively dark, psychological thriller, Isobel Blackthorn's 'Twerk' exposes the working lives of strippers beyond the glamor - the challenges, the rewards, and the risks.

*TWERK* LaTasha N. Nevada Diggs,2013 Poetry. African American Studies. Peformance Studies. TWERK unveils an identity shaped by popular media and history, code switching and cultural inclusivity. The poems, songs, and myths in this long-awaited first book are as rooted in lyric as in innovation, in Black music as in macaronic satire. TWERK evokes paradox, humor, and vulnerability, and it offers myriad avenues fueled by language, idiom, and vernacular. This book asks only that we imagine America as it has always existed, an Americana beyond the English language. Here it is: a dope jam of dictions; a remixed, multicultural, polyphonic dance of vocabularies; a language of high stakes, hi-jinx, and hybridity. TWERK is subversive, vulnerable, and volatile. TwERK twists tongues. TwERK tweaks speech. Reading these amazing poems mostly makes me say, Wow Open your ears to take this music in, open your mouth to say it out loud. And: Wow Terrance Hayes Tweaking parallel languages, rebooting and putting them to (hard, hard) work, TWERK's non-stop shimmy-shimmy embarks on an anime-iigjag idio-lingual-lectical booty-roll and doesn't come down until the break of dawn. La Reina de Harlem responds to Lorca's

Big-Apple-opolis heteroglossia with her own inimitable animations, incantations and ululations, twisting tongues so mellifluously that you don't even realize you've been dancing on Saturn with Sun Ra for hours and still could have begged for more. Welcome LaTasha Diggs: this is her many-splendored night out Maria Damon From this time forward, TWERK, can refer to a collection of cultural coordinates of a radically transformed Americas. TWERK is rare poetics, a vine enmeshed onyx slab of gypsum glyphs inscribed. Cut, swirly, and nervy, N. Diggs's fractal-linguistic urban chronicles deftly snip away at the lingering fears of a fugitive English's frisky explorations. In her first major work, N. Diggs doesn't so much 'find' culture as she conjures up the new emerging happy peoples herein. Five thousand updates download now Rodrigo Toscano

**Afroyoni** Candace liger,2018-09-29 AfroYoni is a ridiculously honest anthology of poems created during an intentional three year celibacy journey which ultimately served as a catalyst for conjuring a deep connection to eroticism. Sometimes dark, sometimes hilarious, this page-turner is a sadomasochistic look into the brain of a black, politically-queer mother on the brink of understanding the power of her own sexuality.

**Husband Twerk for Your Wife** Kabelo Khumalo,2019-08-28 Marriage is a team sport. If one player does all the work alone, while the other does little to none, the other will soon burn out. In marriage, husbands cannot put in little to no effort in household chores and expect their wives to do household chores and still have energy for sex. A husband and wife need to work together to ensure they enter the love-making-chamber with some energy left. And like in mathematics, what happens on the left-hand side must also occur on the right-hand side to balance the equation. Husbands must put in effort to entertain their wives in the love-making-chamber. If you expect her to entertain you, entertain her as well. This book will:Challenge, encourage and give husbands ideas on how to entertain their wives sexually;Paint a clear picture of how sex is not romance but a part of romance;Challenge the idea that house chores are for wives only and how husbands can play a role in house chores;Show how good management of house chores can leave the wife and husband with enough energy for sex;Give a holistic approach to the concept of working together and sexual entertainment in a marriage.About the AuthorKabelo Khumalo aims to challenge and change the way people think about marriage around the world. He believes tradition is good, but it must be combined with modern ways of doing things if we are to succeed in marriage in a forever changing world. He brings a fresh approach to marriage, contrary to a traditional approach.It is the little foxes that ruin the vineyard, the big ones are given power once the small ones have done enough damage.
