Unblocked Margaret Lynch Raniere, David Raniere, PhD, 2022-04-12 A practical, step-by-step program for healing the four lower chakras—the empowerment chakras—using EFT/tapping. Noted empowerment coach Margaret Lynch Raniere introduces the hidden power of the four lower “empowerment” chakras—root, sacral, solar plexus, heart—and the groundbreaking healing techniques she created to heal them using Emotional Freedom Technique (EFT), also known as “tapping.” These four chakras are the source of the exact rising empowerment energy you need to feel, speak, and act with confidence, courage, and deeply felt belief in yourself and your value. However, these are the chakras that get blocked with long-buried fears and pain that create self-doubt, procrastination, playing small, and years of trying to prove you’re good enough. Healing these lower chakras will help you reclaim your inner power so you can stop proving and start being your most powerful, passionate, and authentic self.

How I Unblocked 5 Arteries Wong Kam Luen,Sukaimi Sukri,2015-03-08 “On 28th of February 2013, I was lying naked in the operating room at Mount Elizabeth hospital in Singapore. My cardiologist, Dr Ann Chan, was giving me an Angiogram. She discovered that five of my arteries were blocked. One was completely blocked while four others were at least 90% blocked. When she told me what she found, my heart sank. My whole world went upside down The solution to my arterial blockages was a bypass operation. It was very invasive. It was a mechanical solution to my biological problem. A heart bypass solution would only give me temporary relieve but would not stop the arteries from becoming completely blocked and eventually for me to die. I was looking for a solution that would reverse my blockages. I found it! I combined the research findings of Dr Ignarro(LArginine), Dr Dean Ornish and Dr Caldwell B Esselstyn Jr(reversing heart Diseases) and came out with a program that could clear my blockages. After a year of following my program, my angiogram results showed that my blockages were reduced by about 20%. I could walk 7 km/day whereas before I could not manage 100 meters without severe pain in my chest. My blood pressure was lowered to 120/75/65 averagely and cholesterol level about 150 mg/Dl without medication. The solution was really quite simple. There are three important components in my program:(1) L Arginine,(2) oil and cholesterol free diet and (3)exercise. The detail dosages for the supplements are in the book. Basically, if we take the correct food, the body will heal itself. In other words Since the suggested food items are not drugs, they can be taken by the patients with their medication. However over time, those drugs can be reduced or done away with completely like If you are already suffering from heart diseases, strokes and Peripheral Arterial Disease(PAD), this book will definitely help. It would also help those people who have high blood pressure and high cholesterol levels. All the above diseases arise from blockages of the arteries in the brain, heart or leg. The unblocking processes are the same. If you follow the recommended way as detailed in the book, the unblocking of the arteries will occur. Dr Yu and his Cardiologist wife, Dr Wang Cuixia, explained in great detail the causes of the atherosclerosis(plaque forming) which resulted in heart diseases, strokes or Peripheral Arterial Diseases. He also delved into the details of the research on the trials for L Arginine and the different levels of LDLP, HDLP and lipids in the reversing process of atherosclerosis. In short, the programs listed in the book can and will reduce the plaque in the arteries. Julie, my wife, made the food that I consume daily which actually help clear my blockages. She wrote the recipes for the food that she fed me with. The book had all the above which together helped to clear my arterial blockages.

How I Unblocked My 5 Blocked Arteries Wong Kam Luen,2019-11-20 This is the story of how I unblocked my 90%+ blocked arteries in 2013. My cardiologist and Cardiac surgeon recommended open heart bypass surgery. I found the bypass surgery very invasive and feared that the blockages might recur. So, I scoured through the medical literature to find a solution which could reverse my heart blockages permanently. I found it! Basically the theory for my program was from the following four books and Dr Linus Pauling megavitamin C therapy concept. They are as follows: 1) “NO to Heart Diseases” by Dr Ignarro, Noble Prize for Medicine 1998 2) “Reversing Heart disease” by Dr Dean Ornish Strong Indian influence: Vegetarian food + Yoga 3) “Prevent and Reverse Heart Disease” by Dr Esselstyn : Vegan diet 4) “The China Study” by Dr Colin Campbell & Thomas Campbell. : Vegan diet Books 2,3 & 4 essentially talked about how a vegetarian diet can prevent and reverse heart diseases by itself. It did not mention L Arginine at all. Dr Ignarro did mention that a vegetarian diet helped but you could also indulge in a bit of meat/fish. He thought that L-Arginine could do the job by itself. For academic purity, they insisted on mutual exclusivity. My interest was to clear the blockages in my

heart and not on academic purity. So I combined both their theories and come out with the WONG KAM LUEN'S Program for unblocking my 5 blocked arteries. The book detailed my agonising journey and the readings and tests I took along the journey. At the end, you could say that I have succeeded! The angiogram said so! I have also summarised my experiences and suggested a shorter way to achieve my results. From my results, you can surmise that within three months on my program, you will definitely see vast improvements on your blood pressure, lipid levels and general well being. I hope that you can learn something from my journey and achieve the same miracle for yourself.
