

# Vegas

Mike Weatherford

**Super Casino** Pete Earley,2009-11-04 In this lively and probing book, award-winning author Pete Earley traces the extraordinary evolution of Las Vegas -- from the gaudy Mecca of the Rat Pack era to one of the country's top family vacation spots. He revisits the city's checkered history of moguls, mobsters, and entertainers, reveals the real stories of well-known power brokers like Steve Wynn and legends like Howard Hughes and Bugsy Siegel, and offers a fascinating portrait of the life, death, and fantastic rebirth of the Las Vegas Strip. Earley also documents the gripping tale of the entrepreneurs behind the rise and fall and rise again of one of the largest gaming corporations in the nation, Circus Circus -- to which he was given unique access. In his trademark you-are-there style, he takes us behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city.

**A Short History of Las Vegas** Barbara Land,Myrick Land,1999 The Mob came after World War II, laden with ill-gotten cash and the know-how needed to turn the dusty little burg into an international gaming mecca, but Las Vegas was built by thousands of honest, hardworking Americans and immigrants as well.

*The Real Las Vegas* David Littlejohn,1999-10-28 What images come to mind when you think of Las Vegas? Mobsters and showgirls, magicians and tigers, multimillion-dollar poker games and prizefights; towering signboards that light up the night in front of ever more spectacular casino hotels. But real people live here, too--over a million today, two million tomorrow. Greater Las Vegas has long been the fastest growing metropolitan area in America. And almost every aspect of its citizens' lives is influenced by the almighty power of the gambling industry. A team of fifteen reporters led by David Littlejohn, together with prize winning photo-journalist Eric Gran, studied the real Las Vegas--the city beyond the Strip and Downtown--for the better part of a year. They talked to teenagers (whose suicide and dropout rates frighten parents), senior citizens (many of whom spend their days playing bingo and the slots), Mexican immigrants (who build the new houses and clean the hotels), homeless people and angry blacks, as well as local police, active Christians, city officials, and prostitutes. They looked into the local churches, the powerful labor unions, pawn shops, the real estate boom, defiant ranchers to the north, and dire predictions that the city is about to run out of water. Proud Las Vegans claim that theirs is just a friendly southwestern boomtown--the finest community I have ever lived in, says Bishop Daniel Walsh, who comes from San Francisco. But their picture of Las Vegas as a vibrant, civic-minded metropolis conflicts with evidence of transiency, rootlessness, political impotence, and social dysfunction. In this close-up investigation of the real lives being led in America's most tourist-jammed, gambling-driven city, readers will discover a Las Vegas very different from the one they may have seen or imagined.

**Neon Metropolis** Hal Rothman,2015-10-15 First published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

Las Vegas Little Black Book David Demontmollin,Hiram Todd Norman,2005 The bachelor party/guy's weekend has

become a staple of the Las Vegas strip. The Las Vegas Little Black Book knows what men want from their weekend in Sin City, where to find it, how much to pay for it and how to go home satisfied.

Las Vegas, the Untold Stories John Romero, 2012-08-14 You're about to enter a city that has no equal. It was built by extraordinary people with imaginative minds. Did they drink? Not sure, but why else would they build it in a Nevada desert? Some say you can go anywhere in the world and discover that people not only know about Las Vegas--they'd give anything to get there. True. As soon as I graduated from college I took an all-night bus to reach a city I'd heard of, but never seen. I stayed 30 years. Damn good years, too. And the mystique of the entertainers and the film stars and the elaborate restaurants and 24-hour-a-day casinos never wore off. I spent 20 of my years at the Sahara, on the Strip, got inside the gambling business in the 60s and loved it. Helped it, too, with my writing and my inventions. The Mob was still around in those days. They were the first venture capitalists and owned a piece of every casino in town. Did that stop anyone from having a good time? Of course not. Gradually the Mob faded away--which is what happens when an FBI office with 15 agents sets up shop in town. But the gaiety didn't stop for a second, even when corporations realized they were the big guys now. Our Sahara entertainment director stunned us in 1964 when he made a deal with The Beatles to play two shows. I met the boys after dark at a small Las Vegas airport, rode with them to the Sahara and helped get them to their suite before teen age girls tore their clothes off. So take a chance, have a seat and enjoy that drink in front of you. It's time to start the show. --John Romero

**Las Vegas Juice** Jerry Craig Gatch, 2015-08-31 The good times of pre-AIDS Las Vegas is suddenly interrupted for attorney and private investigator Reggie Darr; the love of his life, Carla; his muscle-bound male friends; and his unusual collection of roommates. A serial killer stalks the Strip, threatening tourism and everyday life for Las Vegas residents. Together with the FBI and Las Vegas Metropolitan Police Department, Reggie devises an unconventional plan to identify and capture or kill the pervert who threatens the usual din of the Las Vegas casinos. Accomplishing this will require great sacrifice on the part of Reggie, his friends, and a couple hundred citizens of Las Vegas.

**The Grit Beneath the Glitter** Hal Rothman, Mike Davis, 2002-03-15 The Grit Beneath the Glitter is the first real look at the new Las Vegas from the inside. In it, long-time residents as well as professionals reflect on the transformation of one of the fastest-growing and most famous cities on earth, yet one about which relatively little is known. They offer a lively and compelling portrait of the other side of Las Vegas: the people and institutions that support the glitter of the gaming and entertainment industry. Examining a range of topics--from the city's commercial history, labor conditions, and environmental problems to an analysis of the famous lights of the Strip--the contributors uncover the contradictions between the illusion and the reality of the city, the seam between fantasy and the life it masks. The essays in this collection explore the world that employees experience when they enter gaming palaces from an employee entrance in a back parking lot rather than through the scripted doors of casino/hotel palaces. They take readers into the neighborhoods where 1.4 million Americans now live,

attend school, eat dinner, and go to work.

*Sun, Sin & Suburbia* Geoff Schumacher, 2004 People all over the globe know Las Vegas as gambling's Mecca, Sin City, the Entertainment Capital of the World, a resort destination that attracts more than 35 million visitors per year. But that's just one piece of the story of this fascinating metropolis of 1.5 million people - and counting. With more than 6,000 people rushing to the valley each month, Las Vegas responded to the influx with enthusiasm and a can-do attitude, all while coping with enormous economic, social and political challenges. This carefully documented history focuses on the most exciting and chaotic decade in Las Vegas history: the 1990s. Veteran journalist Geoff Schumacher captures the true essence of Las Vegas, seeing past the neon and discovering the multi-faceted communities beyond.

**Elvis in Vegas** Richard Zoglin, 2020-11-10 "Outstanding pop-culture history." –Newsday The "smart and zippy account" (The Wall Street Journal) of how Las Vegas saved Elvis and Elvis saved Las Vegas in the greatest musical comeback of all time. Elvis's 1969 opening night in Vegas was his first time back on a live stage in more than eight years. His career had gone sour—bad movies, mediocre pop songs that no longer made the charts—and he'd been dismissed by most critics as over-the-hill. But in Vegas he played the biggest showroom in the biggest hotel in the city, drawing more people for his four-week engagement than any other show in Vegas history. His performance got rave reviews; "Suspicious Minds," the song he introduced there, gave him his first number-one hit in seven years; and Elvis became Vegas's biggest star. Over the next seven years, he performed more than 600 shows there, and sold out every one. Las Vegas was changed, too. By the end of the '60s, Vegas' golden age—when the Rat Pack led a glittering array of stars who made it the nation's premier live-entertainment center—was losing its luster. Elvis created a new kind of Vegas show: an over-the-top, rock-concert extravaganza. He set a new bar for Vegas performers, with the biggest salary, the biggest musical production, and the biggest promotion campaign the city had ever seen. He opened the door to a new generation of pop/rock artists and brought a new audience to Vegas—not the traditional well-heeled older gamblers, but a mass audience from Middle America that Vegas depends on for its success to this day. At once "a fascinating history of Vegas as gambling capital, celebrity playground, mob hangout, [and] entertainment Valhalla" (Rolling Stone) and the incredible "tale of how the King got his groove back" (Associated Press), *Elvis in Vegas* is a classic feel-good story for the ages.

Suburban Xanadu David G. Schwartz, 2003 Institution. Remarkably detailed and entertaining, *Suburban Xanadu* tells us a great deal about popular leisure in America, and why the suburban ideal has become so dominant in our social life. Book jacket.

*Cult Vegas* Mike Weatherford, 2001 Mike Weatherford resurrects the mystique of Vegas's Golden Age--the '60s of history and legend--bringing the hipster legacy to new Vegasphiles. Meet '50s and '60s lounge greats the Treniers, the Mary Kay Trio, and Louis Prima and Keely Smith; comedy legends Joe E. Lewis, Shecky Greene, and Don Rickles; and Vegas babes Vampira, Lili St. Cyr, Ann-Margret, and Tempest Storm. Weatherford also covers nearly every offbeat movie ever made about Las Vegas, as well as Elvis and Frank's impact on the town. This gorgeous

entertainment retrospective is packed with showroom esoterica, descriptions of near-forgotten corners of Vegas cult musicology, odd trivia, and unsung heroes of a bygone era. Cult Vegas chronicles the major moments--the camp, the extreme, the awful--in short, the magic of Las Vegas' half-century run as an entertainment mecca.

**Everyday Las Vegas** Rex J. Rowley,2013-04-01 Every year, more than thirty-five million people from all over the world visit Las Vegas; only two million call the city home. Everyday Las Vegas takes a close look at the lives of those who live in a place the rest of the world considers exotic, even decadent. Using broad research, including interviews with more than one hundred Las Vegans, Rex Rowley--who grew up in Las Vegas--examines everyday life in a place that markets itself as an escape from mundane reality. Rowley considers such topics as why people move to Las Vegas, the nature of their work and personal lives, the impact of growth and rapid change, and interaction with the overwhelmingly touristic side of the city. He also considers the benefits and perils of living in a nonstop twenty-four-hour city rich in entertainment options and easy access to gambling, drugs, and other addictions. His examination includes the previously unstudied role of neighborhood casinos patronized by locals rather than tourists and the impact that a very mobile population has on schools, churches, and community life. Rowley considers the very different ways people perceive a place as insiders or outsiders, a dichotomy that arises when tourism is a mainstay of the local economy. His work offers insights into what Las Vegas can teach us about other cities and American culture in general. It also contributes to our understanding of how people relate to places and how the personality of a place influences the lives of people who live there.

*The Moulin Rouge and Black Rights in Las Vegas* Earnest N. Bracey,2009-01-22 Originally opened in May 1955, the Moulin Rouge Hotel and Casino quickly rose in popularity as Las Vegas' first racially-integrated hotel and casino. Sammy Davis, Jr., Louis Armstrong, and other A-list black singers and musicians performed at the Moulin Rouge on a regular basis, and for once they were allowed to spend the night in the same hotel where they performed. This book explains the important role that the hotel-casino played in early desegregation efforts in Las Vegas. With the Moulin Rouge as the backdrop, it provides an analysis of the evolution of race-relations in Las Vegas, including a detailed account of the landmark 1960 desegregation agreement. Finally, it examines recent efforts to rebuild and renovate the historic establishment.

**The Rough Guide to Las Vegas** Rough Guides,2011-04-01 The Rough Guide to Las Vegas is the definitive guide to the most dynamic and fascinating city in the US. Get the full lowdown on all its world-famous casinos, from Caesar's Palace to City Center, and see how they've grown from their murky Mob-owned roots to the flamboyant fantasylands of today. Read witty, well-informed reviews of the vibrant dining scene, from bargain buffets to the latest gourmet restaurants, keep up with Sin City's no-holds-barred nightlife, and learn where and how to gamble, whether your game's blackjack, poker or roulette. Full-color features explore Las Vegas' role as the entertainment capital of the world, covering music and movies as well as the legendary shows, from the feather-and-rhinestone days up to the Cirque de Soleil, and celebrate the city's mind-boggling architecture. Detailed maps and casino floor plans guide your every step, and there's comprehensive coverage of nearby natural wonders like the Grand Canyon and Zion

National Park. Cut through the cliché and the hype, and get the plain-spoken truth with The Rough Guide to Las Vegas.

**Playing the Odds** Hal K. Rothman,2007-10-16 Hal Rothman is both the greatest Western historian of his generation and an H. L. Mencken in cowboy boots.--Mike Davis, author of Planet of Slums and Buda's Wagon

Fear and Loathing in Las Vegas (Harper Perennial Modern Classics) Hunter S. Thompson,2014-10-16 'We were somewhere around Barstow on the edge of the desert when the drugs began to take hold. I remember saying something like, "I feel a bit lightheaded; maybe you should drive ..."'

**The Complete Idiot's Guide to Las Vegas** John Hawks,Tom Higgins,2009-02-03 Vegas, baby! The Complete Idiot's Guide® to Las Vegas takes the guesswork out of planning the perfect vacation. Readers are given practical advice based on the kind of trip they're looking for. ?A reader-friendly list of visual icons and symbols that make navigating the book easy ?Ultimate itineraries suited to different lengths of stay and special interests ?Everything readers need to know about gambling, shopping, entertainment, restaurants, activities, and hotels ?An eight-page color insert that captures the magic of the city

Murder in Vegas Michael Connelly,2007-04-01 Las Vegas. Lost Wages. Sin City. An artificial oasis of pleasure, spectacle, and entertainment, the gambling capital of America has reinvented itself so many times that its doubtful that anyone knows for sure what's real and what isn't in the miles of neon and scorching heat. Las Vegas is considered the ultimate players destination-no matter what your game. Almost anything is available-for a price, mind you, and sometimes losers walk away from the tables with even less than just an empty wallet or purse-sometimes they don't walk away at all. Now the International Association of Crime Writers and New York Times-bestselling author Michael Connelly have gathered twenty-two crime and mystery stories about the ultimate playground, Las Vegas, and what can happen behind the glitz and glamour. From a gambler who must-win at the roulette table to stay alive to a courier who's only mistake was accepting a package with Las Vegas as the final destination, come to the true city that never sleeps, where fortunes are made and lost every day, and where snake-eyes aren't found just on a pair of dice. Murder in Vegas features stories by: James Swain, S.J. Rozan, Wendy Hornsby, Michael Collins, T.P Keating, J. Madison Davis, Sue Pike, Joan Richter, Libby Hellmann, Tom Savage, Edward Wellen, K.j.a. Wishnia, Linda Kerslake, John Wessel, Lise McClendon, Ronnie Klaskin, Ruth Cavin, A.B. Robbins , Gay Toltl Kinman, Micki Marz, Rick Mofina, Jeremiah Healy At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Farewell, Las Vegas Grant Bywaters,2020-04-29 New England cop turned Las Vegas P.I. Joe Roddick thinks his luck has changed. But when he takes on what seems like an easy location case from the Lucky Hearts Casino his easygoing life explodes. A professional hitman known as The Scorpion has arrived in Sin City, looking for the same man. After being shot, Roddick realizes he, too, is on someone's hit list. While he recovers, his tech-savvy daughter Kaylee takes revenge into her own hands. Meanwhile The Scorpion is on the hunt, leaving a mounting body count in his wake. Clearly more than gambling is going on at the Lucky Hearts. Will Roddick be able to expose the operation

before The Scorpion silences everyone in his path—including Roddick and Kaylee?

Uncover the mysteries within this enigmatic creation, Discover the Intrigue in **Vegas** . This downloadable ebook, shrouded in suspense, is available in a PDF format ( Download in PDF: \*). ### Vegas Introduction

In the digital age, access to information has become easier than ever before. The ability to download Vegas has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Vegas has opened up a world of possibilities. Downloading Vegas provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-

effective nature of downloading Vegas has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Vegas. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Vegas. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only

violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Vegas, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Vegas has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources

available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Vegas Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader?

Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive

eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Vegas is one of the best book in our library for free trial. We provide copy of Vegas in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Vegas. Where to download Vegas online for free? Are you looking for Vegas PDF? This is definitely going to save you time and cash in something you should think about.
