The Vision Behind the Verses Michael Bagby, Michael Bagby, Dds, PhD, 2017-03-05 It is the most published book in history and often the most misunderstood. The Bible claims to be the inspired God-Breathed revelation to mankind of God Himself, His Character, His Creation, and His Plan for Mankind. Yet many do not regard this book as inspired nor as historically accurate. Michael Bagby is a historian, Naval Aviator, coffee roaster, and the director of a school project in Nicaragua that is in its third decade. Michael tells of his own journey from believing the Bible to be nothing more than mythology and philosophy to agreeing with many prominent historians and scientists that the Bible is what it claims to be. In the process, Michael shares many concepts of understanding the Bible within its cultural, historical, geographical, political, and textual context. He also explored the meanings of key Hebrew and Greek words that enhance the richness of the Biblical Text. Michael and his wife Laura are the founders of the Rio Coco Cafe ministry, with coffee stores on the island of Utila Honduras and in Vero Beach Florida. They along with their four children Mikaela, Lukas, Arielle, and Moselle operate a thriving outreach/business that is providing funding for their eight schools and 1700 students in Nicaragua.

Sacred Verses Gene Jackson, 2011-05 This is the first of four volumes of Sacred Verses. The entire work is an approximate modern adaptation of Dante's Divine Comedy. In this volume a young man suffers a great loss in his life and in addition, the loss of innocence and certitude that is characteristic of youth. This leads him to seek meaning in the world and in his life by an exploration of the nature of the physical world. In the following volumes he will travel through the philosophy of the centuries, and then the entire history of the spiritual world. In each of these journeys he will have a mentor (for Dante these were Virgil and Beatrice). In this volume the mentor is Stephen Hawking, a pre-eminent modern physicist. In future volumes the young man ages as he seeks (and eventually finds) a resolution of his quest. This is the first, and being concerned with the physical world (without spiritual values) may be considered equivalent to the Inferno of Dante.

100 Bible Verses That Made America Robert J. Morgan, 2020-02-04 Bestselling author Robert Morgan explores 100 Bible verses that powerfully impacted our leaders during defining moments in American history and reflects upon what these verses mean for us as a nation today. 100 Bible Verses That Made America is a tour through the biblical roots of American history—a powerful exploration of our country's founders, leaders, and the critical moments that laid the foundation for the formation of the USA. Had there been no Bible, there would be no America as we know it. It is the Bible that made America. When George Washington was sworn into office as our first president, he did not place his

hand on the Declaration of Independence or the Constitution of the United States, as important as those documents are. Instead, he swore upon and even kissed the Bible to sanctify this important moment. The Bible, Washington knew, had ushered American history to this point. While not every Founding Father was a Christian, each was knowledgeable about the Bible. And while none of them was perfect, many embraced a deep faith in the unfailing Word of God. 100 Bible Verses That Made America contains: Short, devotional-style chapters, each featuring a Bible verse and how it influenced a historical figure Engaging stories spanning from the Mayflower to modern day Vivid segments that emphasize the Bible as the cornerstone of American history Journey with Robert J. Morgan as he shares the Bible's role in the defining moments of American history and its impact on the people of our nation, reminding us of the beauty of faith and country and reigniting our passion for both.
