**The Refugees** Viet Thanh Nguyen, 2017-02-07 "Beautiful and heartrending" fiction set in Vietnam and America from the Pulitzer Prize-winning author of *The Sympathizer* (Joyce Carol Oates, *The New Yorker*) In these powerful stories, written over a period of twenty years and set in both Vietnam and America, Viet Thanh Nguyen paints a vivid portrait of the experiences of people leading lives between two worlds, the adopted homeland and the country of birth. This incisive collection by the National Book Award finalist and celebrated author of *The Committed* gives voice to the hopes and expectations of people making life-changing decisions to leave one country for another, and the rifts in identity, loyalties, romantic relationships, and family that accompany relocation. From a young Vietnamese refugee who suffers profound culture shock when he comes to live with two gay men in San Francisco, to a woman whose husband is suffering from dementia and starts to confuse her with a former lover, to a girl living in Ho Chi Minh City whose older half-sister comes back from America having seemingly accomplished everything she never will, the stories are a captivating testament to the dreams and hardships of migration. "Terrific." –Chicago Tribune "An important and incisive book." –The Washington Post "An urgent, wonderful collection." –NPR

**A War Tour of Viet Nam** Erin R. McCoy, 2021-12-21 The Viet Nam War ended nearly half a century ago. This book--part history, part travelogue--reveals the war's legacy, still very much alive, in the places where it was fought and in the memories and memorials of those who survived it. The chronological story is told through the exploration of culture, history, popular music, and the countries that were major players: North and South Viet Nam, Laos, Cambodia, Australia and the United States. The author traverses significant sites like Dien Bien Phu--where French colonialism ended and U.S. intervention began--the DMZ, Hamburger Hill, the Rock Pile, the Cu Chi Tunnels, and Australia's most famous battlefield, Long Tan. Residual hazards remain in the form of unexploded ordnance (UXO) in such places as Siem Reap and Luang Prabang, as well as in Quang Tri Province, where nonprofit groups like Project RENEW work to manage removal and provide victim assistance.

**Viet-Nam** Lyndon Baines Johnson, 1966

*The People of Viet Nam Will Triumph!* Viet Nam, 1965 A Chinese propaganda publication in support of South Vietnam. Illustrations include numerous war and rally scenes

Nationalist in the Viet Nam Wars Công Luận Nguyễn, Nguyen Công Luận, 2012 This extraordinary memoir tells the story of one man's experience of the wars of Viet Nam from the time he was old enough to be aware of war in the 1940s until his departure for America 15 years after the collapse of South Viet Nam in 1975. Nguyen Cong Luan was, by his account, just a nobody. Born and raised in small villages near Ha Noi, he and his family knew war at the hands of the Japanese, the French, and the Viet Minh. Living with wars of conquest, colonialism, and revolution led him finally to move south and take up the cause of the Republic of Viet Nam, changing from a life of victimhood to that of a soldier. His stories of village life in the north are every bit as compelling as his

stories of combat and the tragedies of war. I've done nothing important, Luan writes. Neither have I strived to make myself a hero. Yet this honest and impassioned account of life in Viet Nam from World War II through the early years of the unified Communist government is filled with the everyday heroism of the common people of his generation. Luan's portrayal of the French colonial occupation, of the corruption and brutality of the Communist system, of the systemic weakness and corruption of the South Vietnamese government, and his warts and all portrayal of the U.S. military and the government's handling of the war may disturb readers of various points of view. Most will agree that this memoir provides a unique and important perspective on life in Viet Nam during the years of conflict that brought so much suffering to Luan and his fellow Vietnamese.--Publisher's description.

**The Dark Journey** Hoa Minh Truong, 2010 Two days after Saigon fell to the communists, Hoa Minh Truong walked along the path leading to the Tan Xuyen village council. He had been there many times during his army service but this time he was filled with fear. The extra-tight security included a young Viet Cong trooper who clutched a Russian-made AK-47 automatic rifle in his small hands. The gun was just one of many multi-death tools supplied in the name of revolution by the major communist powers to Vietnam's communists. The trooper could not have been more than fifteen years old. In the yard next to the building Hoa noticed a huge heap of uniforms, helmets, boots, belts and ammunition. All of these items had been dumped there when the South Vietnam government surrendered and ordered its forces to disarm. Hoa was on the losing side of the war for reasons that, to him, remained unclear and unacceptable. Now, he and many thousands of others were being forced into so-called re-education camps. Held there without trial, these prisoners faced terrible conditions and cruel punishments. Many did not survive, but Hoa did. In this remarkable book, he offers his story to the world. Author Hoa Minh Truong is a well-published author of fiction, non-fiction and poetry in the Vietnamese language. He now lives in Perth, Australia with his wife and daughter.

Escaping Viet Nam Harriet Hill, H'Yoanh Buonya, 2013 A naturalized U.S. citizen, H'Yoanh Ksor Buonya was a Montagnard refugee from the Central Highlands of Vietnam, near the Jarai village of Cheo Reo. Escaping Viet Nam - H'Yoanh's Story is a survival saga beyond the imagination. Shortly after childbirth, her mother died, and relatives cared for her until she was four, when they placed her in a Catholic orphanage/school. Education became most important in her life, but in 1975, at the age of 16, she found it necessary to follow other Montagnards into the jungles of the Highlands to escape persecution by the North Vietnamese Army/Viet Cong. From 1975 to her arrival in North Carolina in November 1986, H'Yoanh faced starvation, danger, death and incredible hardships resulting from the potential capture by Pol Pot's genocidal regime. Even though her faith was tested, she believes that angels were with her through the darkest of times.

A Man of Two Faces Viet Thanh Nguyen, 2023-10-03 LONGLISTED FOR THE NATIONAL BOOK AWARD The highly original, blistering, and unconventional memoir by the Pulitzer Prize-winning author of *The Sympathizer*, which has now sold over one million copies worldwide With insight, humor, formal invention, and lyricism, in *A Man of Two Faces* Viet Thanh Nguyen rewinds the film of his own life. He expands the genre of personal memoir by acknowledging larger

stories of refugeehood, colonization, and ideas about Vietnam and America, writing with his trademark sardonic wit and incisive analysis, as well as a deep emotional openness about his life as a father and a son. At the age of four, Nguyen and his family are forced to flee his hometown of Ban Mê Thuột and come to the USA as refugees. After being removed from his brother and parents and homed with a family on his own, Nguyen is later allowed to resettle into his own family in suburban San José. But there is violence hidden behind the sunny façade of what he calls AMERICATM. One Christmas Eve, when Nguyen is nine, while watching cartoons at home, he learns that his parents have been shot while working at their grocery store, the Sài Gòn Mới, a place where he sometimes helps price tins of fruit with a sticker gun. Years later, as a teenager, the blood-stirring drama of the films of the Vietnam War such as Apocalypse Now throw Nguyen into an existential crisis: how can he be both American and Vietnamese, both the killer and the person being killed? When he learns about an adopted sister who has stayed back in Vietnam, and ultimately visits her, he grows to understand just how much his parents have left behind. And as his parents age, he worries increasingly about their comfort and care, and realizes that some of their older wounds are reopening. Profound in its emotions and brilliant in its thinking about cultural power, *A Man of Two Faces* explores the necessity of both forgetting and of memory, the promises America so readily makes and breaks, and the exceptional life story of one of the most original and important writers working today.

*The Two Viet-Nams* Bernard B. Fall, 1967 In this new, extensively revised and updated edition, Bernard Fall analyzes major developments since 1964, discussing such aspects as: the U.S. bombing of North Viet-Nam, and the corresponding shift in tactics of the insurgents; the gradual escalation of the war; the effect of U.S. air operations on Vietnamese civilians; the continued ability of the Viet-C?ng to control rural areas; the mounting of casualties on both sides; the political fortunes of the various Saigon regimes; and the Manila and Honolulu conferences. Utilizing material not available for earlier editions, Dr. Fall documents the origin, structure, and operations of the political arm of the Viet-C?ng -- the elusive National Liberation Front -- its relationship to Hanoi, and its role in a possible resolution of the conflict--Dust jacket.

The NVA and Viet Cong Kenneth Conboy, Ken Bowra, 2012-05-20 In 1940 Japan placed Vietnam under military occupation, restricting the local French administration to a figurehead authority. Seizing the opportunity, the Communists organised a Vietnamese independence league, the Viet Minh, whose armed forces became known as the PAVN (more commonly known to the West as the Vietcong, or NVA) and prepared to launch an uprising against the French at the war's end. This text details the history, organisation and uniforms of the People's Army of Vietnam from its origins in the fight against colonialism, through two separate wars against the US and Khmer Rouge, to its role in the modern era.

**Viet Nam** Ben Kiernan, 2017-02-17 For many Westerners, the name Vietnam evokes images of a bloody televised American war that generated a firestorm of protest and brought conflict into their living rooms. In his sweeping account, Ben Kiernan broadens this vision by narrating the rich history of the peoples who have inhabited the land now known as Viet Nam over the past three thousand years. Despite the tragedies of the American-Vietnamese conflict, Viet Nam has always been much more than a war. Its long history had been characterized by the frequent rise and fall of different political formations, from ancient chiefdoms to imperial provinces, from independent kingdoms to divided regions, civil wars, French colonies, and modern republics. In addition to dramatic political transformations, the region has been shaped by its environment, changing climate, and the critical importance of water, with rivers, deltas, and a long coastline facilitating agricultural patterns, trade, and communications. Kiernan weaves together the many narrative strands of Viet Nam's multi-ethnic populations, including the Chams, Khmers, and Vietnamese, and its multi-religious heritage, from local spirit cults to Buddhism, Confucianism, and Catholicism. He emphasizes the peoples' interactions over the millennia with foreigners, particularly their neighbors in China and Southeast Asia, in engagements ranging from military conflict to linguistic and cultural influences. He sets the tumultuous modern period--marked by French and Japanese occupation, anticolonial nationalism, the American-Vietnamese war, and communist victory--against the continuities evident in the deeper history of the people's relationships with the lands where they have lived. In contemporary times, he explores this one-party state's transformation into a global trading nation, the country's tense diplomatic relationship with China and developing partnership with the United States in maintaining Southeast Asia's regional security, and its uncertain prospects for democracy. Written by a leading scholar of Southeast Asia, Viet Nam presents an authoritative history of an ancient land.
