The Medieval Village George Gordon Coulton, 1925

Cooperative Village Frances Madeson, 2007-05 Having flamed out in her job in the executive offices of Nurses in Neighborhoods NY (NINNY), the fictional Frances is keeping a low and lonely profile while considering how best to rise from her metaphorical ashes. Her hiatus abruptly ends, however, when she discovers Lana Plotsky, her elderly neighbor and fellow Cooperator, dead on the laundry room floor. As Frances can't just leave Mrs. Plotsky there, she improvises a solution, which in short (and outrageous) order subjects her to the purview of the USA Patriot Act! Is her next stop Guantanamo Bay? Will she have to ship out before, or after, the shiva for Mrs. Plotsky? This delightfully over-the-top tale of life, love, and liberty in lower Manhattan spoofs an equal-opportunity cast of unforgettable characters who somehow miraculously manage to make their way, and mostly get along together, in the 21st-century American urban village they proudly call home: Cooperative Village.

The Lost Village Mark Edward Hall, 2003-02-27 For centuries their children have been taken from them by something unspeakable and the residents of James Village have remained strangely apathetic. Now there are several new residents in town and the little ones are beginning to come back

The Village David Mamet, 1994 The playwright David Mamet's first novel features a remote New England community full of dark undercurrents and brooding silences. The village emerges as a place of complexity and mystery, humour and strength - and becomes as much of a character as the individuals who inhabit it.

It Takes a Village Hillary Rodham Clinton, 2012-12-11 Ten years ago one of America's most important public figures, First Lady Hillary Rodham Clinton, chronicled her quest both deeply personal and, in the truest sense, public to help make our society into the kind of village that enables children to become able, caring resilient adults. *IT TAKES A VILLAGE* is a textbook for caring, filled with truths that are worth a read, and a reread. In her substantial new introduction, Senator Clinton reflects on how our village has changed over the last decade, from the internet to education, and on how her own understanding of children has deepened as she has watched Chelsea grow up and take on challenges new to her generation, from a first job to living through a terrorist attack. She discusses how the work she is doing in the Senate is helping children and looks at where America has been successful, improvements in the foster care system and support for adoption, and where there is still work to be done, providing pre-school programmes and universal health care to all our children. This new edition elucidates how the choices we make about how we raise our children, and how we support families, will determine how all nations will face the challenges of this century.

The Lost Village Camilla Sten, 2021-03-23 *BEST MYSTERY/THRILLER FOR THE YEAR* for NPR Come for the mounting horror and scares, but stay for a devastating examination of the nature of family secrets. - New York Times book review [A] scary, highly entertaining debut...that pays homage to Shirley Jackson. - South Florida Sun Sentinel A Most Anticipated Book Goodreads * Publishers Weekly * Crime Reads * Popsugar * Bookish * #1 Loanstar Pick in Canada An Indie Next pick! A Library Reads Pick! The Blair Witch Project meets Midsommar in this brilliantly disturbing thriller from Camilla Sten, an electrifying new voice in suspense. Documentary filmmaker Alice Lindstedt has been obsessed with the vanishing residents of the old mining town, dubbed "The Lost Village," since she was a little girl. In 1959, her grandmother's entire family disappeared in this

mysterious tragedy, and ever since, the unanswered questions surrounding the only two people who were left—a woman stoned to death in the town center and an abandoned newborn—have plagued her. She’s gathered a small crew of friends in the remote village to make a film about what really happened. But there will be no turning back. Not long after they’ve set up camp, mysterious things begin to happen. Equipment is destroyed. People go missing. As doubt breeds fear and their very minds begin to crack, one thing becomes startlingly clear to Alice: They are not alone. They’re looking for the truth... But what if it finds them first? Come find out. **RELENTLESSLY CREEPY.**

The Witchcraft of Salem Village Shirley Jackson, 2011-02-02 Stories of magic, superstition, and witchcraft were strictly forbidden in the little town of Salem Village. But a group of young girls ignored those rules, spellbound by the tales told by a woman named Tituba. When questioned about their activities, the terrified girls set off a whirlwind of controversy as they accused townspeople after townspeople of being witches. Author Shirley Jackson examines in careful detail this horrifying true story of accusations, trials, and executions that shook a community to its foundations.

Knight of the Ice Yayoi Ogawa, 2020-03-10 A rom-com manga on ice, perfect for fans of Princess Jellyfish and Wotakoi. Kokoro is the talk of the figure-skating world, winning trophies and hearts. But little do they know... he’s actually a huge nerd! From the beloved creator of *You’re My Pet* (*Tramps Like Us*). Chitose is a serious young woman, working for the health magazine SASSO. Or at least, she would be, if she wasn’t constantly getting distracted by her childhood friend, international figure skating star Kokoro Kijinami! In the public eye and on the ice, Kokoro is a gallant, flawless knight, but behind his glittery costumes and breathtaking spins lies a secret: he’s actually a hopeless

romantic otaku, who can only land his quad jumps when Chitose is on hand to recite a spell from his favorite magical girl anime!

The Village John Strausbaugh, 2013-04-09 Cultural commentator John Strausbaugh's *The Village* is the first complete history of Greenwich Village, the prodigiously influential and infamous New York City neighborhood. From the Dutch settlers and Washington Square patricians, to the Triangle Shirtwaist fire and Prohibition-era speakeasies; from Abstract Expressionism and beatniks, to Stonewall and AIDS, the connecting narratives of *The Village* tell the story of America itself. Illustrated with historic black-and-white photographs, *The Village* features lively, well-researched profiles of many of the people who made Greenwich Village famous, including Thomas Paine, Walt Whitman, Edna St. Vincent Millay, Mark Twain, Margaret Sanger, Eugene O'Neill, Marcel Duchamp, Upton Sinclair, Willa Cather, Jack Kerouac, Allen Ginsberg, Jackson Pollock, Anais Nin, Edward Albee, Charlie Parker, W. H. Auden, Woody Guthrie, James Baldwin, Maurice Sendak, E. E. Cummings, and Bob Dylan.

The Deserted Village Oliver Goldsmith, 2023-10-26 *The Deserted Village* by Oliver Goldsmith is a timeless and melancholic poem that reflects on the societal changes brought about by urbanization and the loss of rural communities. Goldsmith's evocative verses lament the transformation of the titular village, where nature's beauty and the simple joys of life have given way to industrial progress and social upheaval. This classic work captures the enduring sentiment of nostalgia for a vanishing way of life and serves as a poignant reminder of the human cost of progress.

Atwater Village Sandra Caravella, Luis Lopez, Ann Lawson, 2011 In the shadow of Griffith Park along the Glendale Narrows section of the Los Angeles River sits Atwater Village, a charming slice of Los Angeles nestled amid Silver Lake, Los Feliz, and the city of Glendale. Atwater's beginnings date to 1868 when W. C. B. Richardson bought the 671-acre Santa Eulalia Rancho. Starting in 1904, the Pacific Electric Red Car offered a convenient commute to downtown Los Angeles, and the Art Tile Company (later Gladding McBean) and Van de Kamps Bakery became key local employers. Stylish homes and bungalows proliferated along the tree-lined streets, built in the Mediterranean, English Tudor, Spanish Colonial Revival, California Craftsman, and Fantasy architectural styles. A library, post office, schools, and churches sprang up along with more than 100 family-owned and corporate enterprises. Nearly 4 miles long and half a mile wide, Atwater evolved as a wholly contained community, prompting residents in 1987 to successfully petition the city to officially add the word Village to its name.

Republic of Dreams Ross Wetzsteon, 2007-11-01 If the twentieth century was the American century, it can be argued that it was more specifically the New York century, and Greenwich Village was the incubator of every important writer, artist, and political movement of the period. From the century's first decade through the era of beatniks and modern art in the 1950s and '60s, Greenwich Village was the destination for rebellious men and women who flocked there from all over the country to fulfill their artistic, political, and personal dreams. It has been called the most significant square mile in American cultural history, for it holds the story of the rise and fall of American socialism, women's suffrage, and the commercialization of the avant-garde. One Villager went so far

as to say that everything started in the Village except Prohibition, and in the 1940s, the young actress Lucille Ball said, The Village is the greatest place in the world. What other community could claim a spectrum ranging from Henry James to Marlon Brando, from Marcel Duchamp to Bob Dylan, from Gertrude Vanderbilt Whitney to Abbie Hoffman? The story of the Village is, in large part, the stories old Villagers have told new Villagers about former Villagers, and to tell its story is in large part to tell its legends. Republic of Dreams presents the remarkable, outrageous, often interrelated biographies of the giants of American journalism, poetry, drama, radical politics, and art who flocked to the Village for nearly half a century, among them Eugene O'Neill, whose plays were first produced by the Provincetown Players on Macdougall Street, for whom Edna St. Vincent Millay also wrote; Jackson Pollock, who moved to the Village from Wyoming in 1930 and was soon part of the group of 8th Street painters who would revolutionize Western painting; E. E. Cummings, who lived for years on Patchin Place, as did Djuna Barnes; Max Eastman, who edited the groundbreaking literary and political journal *The Masses*, which introduced Freud to the American public and also published Sherwood Anderson, Amy Lowell, Upton Sinclair, Maksim Gorky, and John Reed's reporting on the Russian Revolution. Republic of Dreams is beautifully researched, outspoken, wise, hip, exuberant, a monumental, definitive history that will endure for decades to come.

Penllyn Village: Lest We Forget E. Gloria Stewart Jones, 2008-08-15 This book is written especially to honor the residents in a small black community whose time as a totally black community may be ending. . Not all Black Americans have lived in the urban areas of this country; not a better life, but different. It is hoped that any who read this book would see that the hopes, dreams, and life styles of many Black Americans are no different than those of other Americans. This story is about such people. Just beyond the Bethlehem Baptist Church on the corner of Penllyn-Blue Bell Pike and Trewellyn Avenue, in the village of Penllyn, Lower Gwynedd Township, in Montgomery County, Pennsylvania, rests a predominantly black settlement. The people who founded the church are the same people who established a firm foundation for the community. But there is something more to the church and residents whose presence there dates back 120 years. The author's purpose is to document their presence before their rich history is swept away by changing demographics. The book's focus is on the black immigrants from Virginia who were recruited from the farmlands of Westmoreland County, Virginia to those in Gwynedd and surrounding areas in Pennsylvania. There is a brief acknowledgment of the settlement of the Welsh and other Eastern and Southern Europeans, as well as the aristocracy, who came before. Also noted are the ties to the Revolutionary War and structures that could be considered as historic sites still remaining in the village. A review of their southern roots was important to understanding the residents' success in their new home. They had strong ties to their families and skills already gained back home. Some came to make enough money to send home to buy the farmland back in Virginia that their forefathers had farmed under the yoke of slavery. Some succeeded and returned home. Others remained to find work in the

mills, and estates of the wealthy; some were able to start small businesses of their own. Their settlement began with a prayer group of nineteen people that met in a home in Springhouse, PA, in 1885. Told from the perspective of the elders in the community the expanding group had already become a community in faith and spirit if not in residence. In 1888, having outgrown their meeting site they established a church in Penllyn Village, and the first black resident moved into the village. When malicious arson caused that church to burn down, they built another. For the greater part of 120 years the church was their anchor. It is continually illustrated that the early church leadership encouraged them in developing business acumen, political savvy, and artistic talents. Two major land investments established the village as a black community. The first was the purchase of a block of land by young black entrepreneurs in the early 1900s. It was during that time one sees the development of businesses and self-sufficiency that held their community together. The second and most challenging occurred in 1947, when they were able to develop, what is believed to be the first Black corporation in the state of Pennsylvania, in order to buy the Pershing estate. The Penllyn Home builders Association, Inc., sold stock for fifty dollars a share and bought the 40-acre estate. As a result 50 more black owned homes were added to the community. A discussion of their social and recreational activities from the early 1900s on, are what has been observe in American culture throughout that same time span. Simple church picnics, hometown roller rinks, the ice cream parlor, the old swimming hole are typical hometown entertainments of decades past. There is an array of musical talent of an unusual proportion in such a small population, ranging from instrumental, and singing to, contemporary jazz bands. You will note that the residents have never shirked their civic duty. Since the 1930s and 1940s and currently, they have been actively involved in all aspects of the political spectrum from consis
