**WALK** Jonathon Stalls,2022-08-16 A transformative collection of essays on the power of walking to connect with ourselves, each other, and nature itself. In 2010, Jonathon Stalls and his blue-heeler husky mix began their 242-day walk across the United States, depending upon each other and the kindness of strangers along the way. In this collection of essays, Stalls explores walking as waking up: how a cross-country journey through the family farms of West Virginia, the deep freedom of Nevada’s High desert, and everywhere in between unlocked connections to his deepest aches and dreams--and opened new avenues for renewal, connection, and change. While most of us won’t walk or roll across the country, the deep wisdom and insights that Stalls receives from the people, land, and animals he meets on his pilgrimage have profound impacts for each of us. He shares how walking deepened his relationship to himself as a gay man, offering deep and clarifying emotional medicine. He confronts the systemic racism, classism, and ableism that shape and reshape the communities he walks through. And he invites readers to become awakened activists, to begin healing our culture’s profound separation from the natural world. WALK is for those who crave to feel and embody, not just know and study, their way through complex themes that live in each chapter: vulnerability, human dignity, presence, mystery, and resistance. With dedicated practices--like connecting to Earth stewardship, moving into vulnerability, and walking and rolling with intention--Stalls’ WALK is an urgent and glorious call to slow down, look around, and engage with the world in front of us. It awakens us to what we miss when we’re driving by, flying over, and rushing past what surrounds us. It’s an invitation to move, to connect, to participate deeply in the world--and to dissolve the barriers that disconnect us from each other and the living Earth.

**Do Walk** Libby DeLana,2021-06-03 One morning in 2011, Libby DeLana stepped outside her New England home for a walk. She did the same thing the next day, and the next. It became a daily habit that has culminated in her walking over 25,000 miles - the equivalent of the earth's circumference. In Do Walk, Libby shares the transformative nature of this simple yet powerful practice. She reveals how walking each day provides the time and space to reconnect with the world around us; process thoughts; improve our physical wellbeing; and unlock creativity. It is the ultimate navigational tool that helps us to see who we are - beyond titles and labels, and where we want to go. With stunning photography, this inspiring and reflective guide is an invitation to step outside, and see where the path takes us.

**Spirit Walk (Special Edition)** Steve Smith,2020-03-11 The Holy Spirit is the Hidden Mover behind all personal life transformation and ministry fruitfulness. Since the original publication of Spirit Walk, author Steve Smith has gone home to meet the Lord face-to-face. However, before that glorious day, he penned an impassioned plea to believers in the last days of his life. That plea and piece of instruction is what comprises the new foreword in this special edition of Spirit Walk. Read and be both challenged and invited to a life lived in the power of the Holy Spirit. Though we know the Bible says to walk in the Spirit, the majority of Christians are illiterate (and even nervous) about how to practically live in His power. The result is lives marred by continued brokenness and ministries plagued by fruitlessness. In contrast, believers from Acts understood the ancient path of the Spirit Walk. That extraordinary power was not just for them, but also for us. Gleaning insights from implementation in dozens of Acts-like movements around the world, Spirit Walk “lifts the hood and shows us the real secret behind apostolic, disciple multiplying movements” (Neil Cole, author of Organic Church). Whether you need a movement of God in your personal life or in your ministry, this book takes you through the timeless principles of the Bible. The Spirit Walk path has helped thousands of ordinary people shift from a fundamental reliance upon methods and self-helps to the essential reliance upon the Spirit who empowers both. Discover how to start on your lifelong journey of being filled again and again by the Holy Spirit as you abide in Christ.

**Billy Lynn's Long Halftime Walk** Ben Fountain,2012-05-01 Winner of the National Book Critics Circle Award for Fiction and a finalist for the National Book Award “Brilliantly done . . . grand, intimate, and joyous.” —New York Times Book Review From the PEN/Hemingway Award-winning author of the critically acclaimed short story collection, Brief Encounters with Che Guevara, comes Billy Lynn's Long Halftime Walk (The Catch-22 of the Iraq War —Karl Marlantes). Three minutes and forty-three seconds of intensive warfare with Iraqi insurgents—caught on tape by an embedded Fox News crew—has transformed the eight surviving men of Bravo Squad into America’s most sought-after heroes. Now they’re on a media-intensive nationwide tour to reinvigorate public support for the war. On this rainy Thanksgiving Day, the Bravos are in Texas Stadium, slated to be part of the halftime show. Among the Bravos is nineteen-year-old Specialist Billy Lynn. Surrounded by patriots sporting flag pins on their lapels and support our troops bumper stickers, he is thrust into the company of the team’s owner and his coterie of wealthy colleagues; a born-again cheerleader; a veteran Hollywood producer; and supersized players eager for a vicarious taste of war. Over the course of this day, Billy will drink and brawl, yearn for home and mourn those missing, face a heart-wrenching decision and discover pure love and a bitter wisdom far beyond his years. Poignant, riotously funny, and exquisitely heartbreaking, Billy Lynn’s Long Halftime Walk is a searing and powerful novel that has cemented Ben Fountain’s reputation as one of the finest writers of his generation.

The people he encounters along the way, and the lessons they share with him, will save his life—and inspire yours. **A Walk in the Woods** Bill Bryson,2012-05-15 God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, A Walk in the Woods will add a whole new audience to the legions of Bill Bryson fans.

**Pond Walk** ,2011 Buddy Bear and Mama spend the day at a pond learning about wildlife.

**Walk Out Walk On** Margaret Wheatley,Deborah Frieze,2011-06-03 This is an era of increasingly complex problems, fewer and fewer resources to address them, and failing solutions. Is it possible to find viable solutions to the challenges we face today as individuals, communities, and nations? This inspiring book takes readers on a learning journey to seven communities around the world to meet people who have “walked out” of limiting beliefs and assumptions and “walked on” to create healthy and resilient communities. These Walk Outs who Walk On use their ingenuity and caring to figure out how to work with what they have to create what they need. In India, we meet people from Shikshantar, a community that is rejecting the modern culture of money, with its emphasis on self-interest and scarcity, in favor of a gift culture based on generosity and reciprocity. In Zimbabwe, we discover the capacity people have to adapt and invent new ways of surviving and thriving in the face of total systems collapse. Through essays, stories, and beautiful color photographs, Wheatley and Frieze immerse us in these communities that are accomplishing

extraordinary things by relying on everyone to be an entrepreneur, a leader, an artist. From Mexico to Greece, from Columbus, Ohio, to Johannesburg, South Africa, we discover that every community has within itself the ingenuity, intelligence, and inventiveness to solve the seemingly insolvable. “It’s almost like we discovered a gift inside ourselves,” one Brazilian said, “something that was already there.” “This book gives insight and beauty to the new world beyond consumerism and all of its side effects. Written with poetic and reflective grace, it is an intimate journey through communities that are creating a future with their own hearts, hands, and relationships.” —Peter Block, author of *Community* and coauthor of *The Abundant Community* The Enhanced Edition includes 25 minutes of animation, video, and audio. The animation shows the “Two Loops Theory of Change” with a voiceover from co-author Deborah Frieze. Three videos show inspirational “Walk On” communities in Brazil, South Africa, and India. This edition also includes the “Walk Out Walk On” theme song. Margaret Wheatley cofounded and led the Berkana Institute, a global foundation that partners with people developing healthy and resilient communities. Deborah Frieze succeeded her as Berkana’s president and created the Berkana Exchange with many of the people described in this book. Margaret is the author of several books, including *Leadership* and the *New Science*, *A Simpler Way*, *Turning to One Another*, *Finding Our Way*, and *Perseverance*.

**The Walk** Adam Hamilton, 2019-12-17 How do we walk with Christ—daily follow him, grow in him, and faithfully serve him? In the Gospels, Jesus modeled for us the Christian spiritual life. The apostles taught it in their writings. And the Church has, through the last 2,000 years, sought to pursue this Christian spiritual life. In *The Walk*, Adam Hamilton focuses on five essential spiritual practices that are rooted in Jesus’ own walk with God and taught throughout the New Testament. Each of these practices is intended as part of our daily walk with Christ while also being an essential part of growing together in the church. In each chapter, Hamilton explores one of these practices, its New Testament foundation, and what it looks like to pursue this practice daily in our personal life and together in the life of the church. Deepen your walk with Christ as we explore the five essential practices of worship, study, serving, giving, and bearing witness to our faith. Additional components for a six-week adult study include a comprehensive Leader Guide and a DVD featuring the engaging teachings of author and pastor Adam Hamilton. Also available are resources for children and youth.

In Praise of Paths Torbjørn Ekelund, 2020-05-05 “What [Ekelund is] addressing is the intention to walk one’s way to meaning: the walk as spiritual exercise, a kind of vision quest... A key strategy for finding ourselves, then, is to first get lost.”—The New York Times Book Review An ode to paths and the journeys we take through nature, as told by a gifted writer who stopped driving and rediscovered the joys of traveling by foot. Torbjørn Ekelund started to walk—everywhere—after an epilepsy diagnosis affected his ability to drive. The more he ventured out, the more he came to love the act of walking, and an interest in paths emerged. In this poignant, meandering book, Ekelund interweaves the literature and history of paths with his own stories from the trail. As he walks with shoes on and barefoot, through forest creeks and across urban streets, he contemplates the early tracks made by ancient snails and traces the wanderings of Romantic poets, amongst other musings. If we still “understand ourselves in relation to the landscape,” Ekelund asks, then what do we lose in an era of car travel and navigation apps? And what will we gain from taking to paths once again? “A charming read, celebrating the relationship between humans and their bodies, their landscapes, and one another.” —The Washington Post This book was made possible in part thanks to generous support from NORLA.

**The Perp Walk** Jim Ray Daniels, 2019-05-01 In *The Perp Walk*, his latest collection of linked stories, Daniels maps out the emotional capitals and potholes of coming of age in a blue-collar town in the Great Lakes State, though it could be any state where people work hard, play hard, and aren’t paid nearly enough for their efforts. Alternating flash fiction pieces with longer narratives, Daniels captures both the shooting stars and the constellations that build into earned insights and honest reflections. Sometimes we need both the long version of the short version and the short version of the long version, he suggests. Daniels invites his readers to settle on some truth in between the versions. Humor and heartbreak. Coming to terms, coming of age, or just plain aging. U-Haul trucks full of bad behavior and messy goodbyes. In Daniels’s work, the check is always in the mail but somehow never arrives, and honor is more than a certificate—it’s something we strive for, even while doing our various perp walks through life. Compromises are made, as they must be. Sometimes we get what we want for just a second or two, but for these characters, that has to be enough happiness to live on.
