Joseph Franklin Rutherford

Watchtower Elizabeth A. Lynn,2014-04-01 In a land brought to life by warriors and lovers, war and honor, the legendary tower Tornor Keep is invaded by raiders. No longer the watchtower at the winter end of a summer land, Tornor turns to a young prince with the hopes that he might protect the future of the enchanting land.

Index of Watchtower Errors 1879 to 1989 David A. Reed,1990-06-01 Teachings of the Jehovah's Witnesses and how they differ from historic Christianity are documented in this study of Watchtower publications from 1879 to 1989. Helpful for having profitable discussions with Jehovah's Witnesses.

God's Channel of Truth-- E. Bruce Price,1999 Perhaps you also, along with many others, have asked the question, Is God's channel of truth the Watchtower? This little volume is a beautiful true story of a woman who searched for truth and found the answer from God's Holy Word.

30 Years a Watchtower Slave William J. Schnell,2002-01-01 At first, the Watchtower Society seemed harmless to William J. Schnell, even valuable as a way to develop his faith in God and pass it on to others. This book is Schnell's fascinating account of his involvement with the cult, which effectively enticed him in the 1920s and continues to lure countless individuals today. Readers will learn, as Schnell did, that the Jehovah's Witness religion he had joined was anything but innocent. For thirty years he was enslaved by one of the most totalitarian religions of our day, and his story of finally becoming free is riveting. Readers will be alerted to the inner machinations, methods, and doctrines of the Watchtower Society, arming them to forewarn others and witness to their Jehovah's Witness friends, relatives, neighbors, and the stranger at the door. With more than 300,000 copies sold, 30 Years a Watchtower Slave is truly one of the classic testimonies of freedom from a powerful cult.

What the Watchtower Society Doesn't Want You to Know Wilbur Lingle,2009-03-17 Wilbur Lingle puts into layman's language his many years of documented research about the inner workings of the society. Here is a true picture of what goes on behind the walls of the Kingdom Halls, a clear image of truth that the Watchtower Society doesn't want you to know.

Awakening of a Jehovah's Witness Diane Wilson,2010-05 This tale of mind control, the use of fear to manipulate vulnerable people, and final escape from a suffocating cult environment is a revealing expose of a secretive contemporary sect, as well as a true psychological thriller. Diane Wilson spent twenty-five precious years of her life, first becoming indoctrinated by the dogma of the Watchtower Society, and then struggling to free herself from its pervasive, intimidating clutches. In this probing, brutally honest assessment, Wilson describes how a childhood of psychological abuse and lack of self-confidence rendered her vulnerable to the seductive doctrines of the Jehovah's Witnesses. What she reveals about the goings-on within the closed Watchtower Society will shock the average person who assumes the polite, well-dressed people who pass out leaflets are much like any other conservative religious group. Wilson contends that membership in the Jehovah's Witnesses requires obedience bordering on psychological enslavement and complete suppression of individuality. Her engrossing memoir will be of great interest to former Witnesses, students of cult phenomena, and anyone who has ever had contact with Jehovah's Witnesses.

How to Rescue Your Loved One from the Watchtower David A. Reed,1989

The Watchtower's Coming Crisis Daniel Rodriguez,2011-01-01 A devastating crisis has the Jehovah's Witness religion facing extinction. Chances are that you have never met a real "Jehovah's Witness." While those at your door may claim to be one of Jehovah's Witnesses, their own publications plainly teach otherwise. So, who are the real Jehovah's Witnesses? The Watchtower Society teaches that they are members of the 144,000 who will be the only ones going to heaven. Membership in this group began with the early apostles. Over the centuries others have been added but the Watchtower declared that the number was completed in 1935. Anyone who claims to be one of Jehovah's Witnesses has to be one of the 144,000 and must be very old now. However, the Watchtower Society teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership. Because these people are dying, the Watchtower is facing a credibility crisis. So, the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive! And now, just last year, Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144,000. But this only adds further opportunity for you to show the "JW" who comes to your door that he cannot trust the Watchtower with his precious eternal life. The Watchtower representative at your door believes he will remain on "Paradise Earth" after the coming Armageddon, since only the original 144,000 have any hope of going to heaven. In fact, they are the only ones allowed to take communion. He does not believe he can understand Bible truths without the Watchtower. He is dependent on a publication that, one day soon, will be left without writers to reveal God's truths. Who are those writers? Those who remain of the original 144,000 and they are dying! Oddly enough, their founder, Charles Taze Russell, never taught the doctrine of the 144,000. In this book, you will learn the true history of this false Watchtower doctrine. You will be surprised to discover that this doctrine is not just a Bible issue. It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive! With the information and witnessing strategies in this book, you will be able to plant seeds of doubt and undermine the authority of the Watchtower. The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers. Time is the enemy of this teaching and they know it.

The Watchtower Lee Carroll,2011-08-02 What secrets are hidden in her past . . . ? Jewelry designer Gareth James is still coming to terms with the astounding revelation in BLACK SWAN RISING that she is the last in a long line of women sworn to protect the world from evil. Now she has received a sign from Will Hughes, the 400-year-old vampire who once helped her defeat the evil threatening to destroy New York City. Hughes, tortured by his own violent history which is vividly reenacted here, has asked her to join him on a quest to rid himself of his curse of vampirism. While looking for Will in Paris, Gareth encounters a number of mysterious figures—an ancient botanist metamorphosed into the oldest tree in Paris, a gnome who lives under the Labyrinth at the Jardin des Plantes, a librarian at the Institut Oceanographique, and a dryad in the Luxembourg Gardens. Each encounter leads Gareth closer to finding Will Hughes, but she realizes that she's not the only one who's trying to find the way to the magical world called the Summer Country. As Gareth struggles to understand her family legacy, each answer she finds only leads to more questions—and to more danger.... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Along the Watchtower Constance Squires,2011-07-05 From the author of Live from Medicine Park, a powerful coming-of-age novel. Set against the closing years of the Cold War, Constance Squires's debut novel introduces the family of Army Major Collins, as told through the eyes of Lucinda Collins—the vibrant, headstrong eldest daughter. Living on a military base, Lucinda feels displaced and isolated. Over time she finds her own tribe through rock and roll, and meets fellow Army brats, GIs, a ghost, and Syd, who knows how it goes. But after her father's final shocking betrayal, the only world she's ever believed in falls in like the Berlin Wall, leaving Lucinda to chart a new path. In spare, heart-wrenchingly beautiful prose, Squires offers us a rare glimpse into the experiences and sacrifices of an American military family. Along the Watchtower is a powerful story that reveals what it really means to fight for the things we believe in and to defend the ones we love.

The Contextual Abuse of the Watchtower Society Brian Orr,2013-12-06 The purpose of this work is to demonstrate the lack of reasoning and contextual misuse by the Jehovah's Witnesses in their use of sources and the Scriptures to support their erroneous beliefs and doctrines.

Behind the Watchtower Curtain David A. Reed,1989

The Tallest Watchtower Omid Baghizadeh,2011-04-21 The Tallest Watchtower is a wakeup call for our sleeping sense of empathy and charity and a reminder not to forget those who are not among us but between

us and our God. Their memory is always respected.

The Eternal Watchtower Book David Mace,D. W. Mace,2009-06 The distant Eastern Kingdom of Astalan has fallen. Falanholme... The Bright, Shining Land; stands, encircled by the most dreadful peril. The Forces of The Darkness have now subjugated almost all of her surrounding neighbours. When Falanholme falls; Baelar...The Lord of The Underdark; will invoked his terrible, creeping Night of the Shadows Rising. All will be plunged in back into Chaos, as it had been, long ago, in The Age of The Beginnings. The great plumes of smoke rising in the east bear silent witness to the terrible fate of Astalan, as, what can only be minions of The Darkness, sweep up from the south; pillaging and burning that once-idyllic Kingdom. Falanholme now stands alone; the last beacon of hope left for the subjugated peoples of the West. Falanholme steadfastly refuses to yield. Against overwhelming odds, nine Guardians of The Light, and a Wraith-Hunter Warrior maid; though, so far outnumbered in warrior and sword; will not go down meekly, and quietly into the Darkness. They will wager all... without question; to preserve such truths and freedom as their peoples hold; no matter the odds arrayed against them. Inspired by their stubborn resilience, the Realms and Kingdoms of Falanholme rise together; casting aside such petty differences they hold; and united, fight as one, for their right to live.
