Stacy Learns to Love Her Wavy Hair, And You Can Too! Stacy Schilling, 2023-05-30 When Stacy was nine-years-old, her mom convinced her to cut her long, wavy brown hair because she was tired of fixing Stacy's hair. Her mom didn't teach Stacy how to fix it herself. Throughout her life, Stacy had to learn and navigate the pitfalls of how to take care of her wavy hair, and eventually gave up when it became too much to handle. Then one day Stacy wanted to restore her long, wavy brown hair to it's glory and learned how to take care and love her wavy hair. In the process, Stacy learned to find herself and what makes her happy. She also found the confidence to stand up for herself and what she believes in. Stacy hopes many wavy and curly kiddos are able to do the same for themselves that she wasn't able to do as a kid.

Reda, 1974 An experimental program was conducted to investigate effects of roughness, and roughness superimposed on single and/or multiple, shallow, periodic waveforms, on turbulent boundary-layer skin friction and velocity profile, in compressible, adiabatic flow. Test conditions were Mach number = 2.9 and Reynolds number/ft = 2 million to 8 million. The planar models included smooth, sand-grain, machined and molded surface finishes. Direct measurements of surface shear and Pitot/recovery temperature profiles were obtained. (Modified author abstract).

Frizz Girls Stacy Schilling, 2023-05-30 What our readers have said: My favorite part of the story was learning the hair types." Jayden J.K., 11, Bowling Green, KY "It's a cool little story. I liked the picture of Keisha. I learned that my hair is a 1b." Lincoln, 11, Bowling Green, KY My favorite part of the story is the hair type chart. Keisha is my favorite character. I didn't know there could be many different hair types." Jordan W., 10, Bowling Green, KY The Frizz Girls are a new kid's picture book series aimed at teaching young girls ages 5-13 on how to take care of their wavy or curly hair. For many young wavy and curly girls, some have parents, grandparents and guardians that don't have wavy or curly hair and find themselves stumped on how to teach their wavy or curly kiddos how to properly care for their hair. And many adults that don't have any experience with wavy or curly hair, tend to label a wavy or curly kiddo's hair as: frizzy or messy, which can have a HUGE impact on a child's self-esteem. The Frizz Girls are the brain-child of Stacy Schilling, and were created to share their tips and tricks on how all wavies and curlies can take proper care of their hair and have the confidence to do it themselves. Stacy knows what it's like to grow up with parents that don't know or understand how to properly care for wavy or curly hair, and doesn't want to see anyone go through what she did as a child.
