Glory Riders Louis L'Amour,2013-04-01 Collected for the first time in a single book are six of L'Amour's finest Western stories. The texts have been restored according to how they first appeared in their initial publication in magazines. Jim Sandifer knows he'll lose his job at the B Bar Ranch as well as the girl he's sweet on when he prevents a raid by some B Bar men on the Katrischen Spread in "The Turkeyfeather Riders." In "Four Card Draw," Allen Ring wins a small ranch—until the town marshal shows up and tells Allen he can't live there because a murder that had taken place there is still unsolved. In "Home in the Valley," Steve Mehan has driven a herd from Nevada to California in the dead of winter and has the money safely on deposit with Dake & Company. But upon his arrival in Sacramento, he learns that the bank has failed. Also included in this collection are "Man Riding West," "West Is Where the Heart Is," and "Fork Your Own Bronco." The stories in Glory Riders easily reveal why Louis L'Amour is the greatest Western writer of all time.

Redskin and Cow-Boy: A Tale of the Western Plains George Alfred Henty,1905 Cedar Gulch was, in 1851, a flourishing camp. There had been some good finds by the first prospectors, and a rush had of course followed. In many cases first discoveries proved illusive, but it was not so at Cedar Gulch. The ground turned out well, and although no extraordinary finds were made, the average was good all over the bottom, and there were few who were not doing fairly well. The scene was a busy one. Several hundreds of men were hard at work on the flat, which in winter was the bed of a wide stream, but which in summer was a mere thread of water among the rocks, scarce enough for washing purposes. Everywhere were piles of stones and rubbish that had been brought up from the shafts; men toiled at windlasses; others emptied the buckets as they came up into swinging troughs or cradles; others again kept these supplied with water, and swung or rocked them, taking off the large stones that the motion brought to the surface, while the slush and mud ran out at the lower end. New-comers moved about watching the work with eager eyes, wishing that they had had the luck to get there among the early arrivals, and to take up a claim, for every foot of ground far down the valley had already been occupied, and there was now no getting into a claim except by purchasing a share or altogether buying out the present holders. One of the claims that was doing best was held by three men who had worked in partnership for the last two years, and who had been among the first to arrive at Cedar Gulch. They were known among the others as English Bill, Sim Howlett, and Limping Frank. Sim Howlett was perhaps the leader of the party. He had been one of the earliest gold-diggers, and was a square, powerfully built man. He was a man of few words, but the words when spoken were forcible. He was by no means quarrelsome, but was one whom few cared to quarrel with, even in a place where serious quarrels were of constant occurrence, and where revolvers cracked so often that the sound of a fray excited but little attention.

Revenge on the Mogollon Rim Taylor Jones,2000-04 Young Peter Ott gets entangled with a rancher's wife and is forced to leave home. He becomes a deputy in Durango, only to be shot, because of his inexperience, during a gunfight. He learns the rudiments of becoming a fast gun from a gunman whose future death he is sworn to avenge. He becomes a deputy in Globe, chasing down various outlaws throughout Arizona. An eastern manufacturer pays Ott to avenge the death of his son who was hung along with two other cowboys by vigilantes on the Mogollon Rim. Also, Bull Davis, who owns mining and agricultural interest, pays Ott to avenge the death of one of his ranch foremen. Ott learns who killed the cowboys, but cannot bring them to justice, but he reports most outlaw deaths to the manufacturer as Rim assassins. For each, he gets paid. Ott arrests a man named Champion for the bushwhacking of Bull's ranch foreman. He is acquitted by a fearful Lincoln County jury. Ott tries every strategy to egg Champion into a gunfight. Champion is too clever until Ott tricks him in Globe. The final revenge is acted out on the Mogollon Rim.

The Dude Ranger Zane Grey,2017-03-14 Upon the death of his uncle, Ernest Selby, a young man from Iowa, inherits the Red Rock Ranch in Arizona. When he learns that the ranch's 20,000 cattle have dwindled to 6000 he suspects foul play. Ernest decides to go under cover in order to investigate these strange circumstances and lands a job on his own ranch, posing as a tenderfoot cowboy under a different name. As he makes friends and enemies and courts Annie, the daughter of the crooked foreman, Ernest learns to enjoy cowboy life. He knows that his charade must end eventually, but not until he can find the truth behind the disappearance of so many cattle—and win Annie's heart. The Dude Ranger is a classic western story written by Zane Grey, one of the best-selling authors of all time. Ladies of the Western Michael G. Fitzgerald,Boyd Magers,2015-08-01 This work features interviews with 51 leading ladies who starred in B-westerns, A-westerns, and television westerns. Some were well-known and others were not, but they all have fascinating stories to tell and they talk candidly about their careers and the many difficulties that went along with their jobs. Back then, conditions were often severe, locations were often harsh, and pay was often minimal. The actresses were sometimes the only females on location and they had to provide their own wardrobe and do their own make-up, as well as discourage the advances of over-affectionate co-stars. Despite these difficulties, most of the women interviewed for this agree that they had fun. Claudia Barrett, Virginia Carroll, Francis Dee, Lisa Gaye, Marie Harmon, Kathleen Hughes, Linda Johnson, Ruta Lee, Colleen Miller, Gigi Perreau, Ann Rutherford, Ruth Terry, and June Vincent are among the 51 actresses interviewed.

The Hero's Trail Peter C. Mowrey,2022-06-17 The great American Westerns can be profoundly meaningful when read metaphorically. More than mere shoot 'em up entertainment, they are an essential part of a vibrant, evolving national mythology. Like other versions of the archetypal Hero's Journey, these films are filled with insights about life, love, nature, society, ethics, beauty and what it means to be human, and are key to understanding American culture. Part film guide, part historical survey, this book explores the mythic and artistic elements in 52 great Westerns--some orthodox, some subversive--from the genre's first half-century. Each film is given detailed critical analysis, from the earliest silent movies to Golden Age classics like Red River (1948), High Noon (1952) and Shane (1953).

Elmore Leonard's Western Roundup #1 Elmore Leonard,1998 Bounty Hunters: He is a legend in the rugged Arizona Territory--a U.S. cavalry-turned-army scout--and the only man alive who can bring in the fierce Mimbres Apache called Soldado Viejo. But for David Flynn, tracking down an elusive Indian with a price on his head south of the border is a dangerous business...especially when a cunning outlaw and a murderous bounty hunter dog his path. Now Flynn's riding hard for trouble on a bloody trail of treachery and slaughter in a lawless land where a man's got to watch his back against friend and enemy, red man and white man alike. And if he's Flynn--on the deadliest mission of his career--that means a one-way trip into a sultry desert hell...where the hunter is about to become the hunted...and where one man's struggle for justice has just erupted in the battle of his life....

For two men facing life sentences--Harold Jackson, the only black man behind the walls, and Raymond San Carlos, an Apache halfbreed--a breakout seemed nigh on impossible. That is, until the law gave them two choices: rot in a cell, or track down and bring back the five most ruthless men in Arizona. Gunsights: Brendan Early and Dana Moon. They were always something to see; real professionals, two of the toughest characters any man ever aimed a gun at. Sure they spent half their time feuding. But once there was the smell of guns and maybe a hint of glory in the air, they teamed up--armed to the teeth to grin down to trouble. Now they were holed up on an Arizona mountain with a copper war primed to explode in their faces. Early and Moon, togetherthey fought through hell. Now they've got a fight to the finish.

Shane - Paramount's Classic Western Aubrey Malone,2021-02-24 Shane has often been described as the most perfect sagebrush exemplification of Hollywood's Golden Age. A masterpiece of tone and technique, it was George Stevens' atmospheric valentine to an era if not a genre. Alan Ladd gave an emblematic performance in it. Jean Arthur excelled as the woman he falls in love with but cannot have. Van Heflin was pitch perfect as her decent, rough-hewn husband. Jack Palance won an Oscar nomination for playing the Luciferean villain Jack Wilson and so did Brandon De Wilde as the tow-headed Joey Starrett who idolises the mysterious stranger riding into the valley to purge it of evil. The film, like the much-loved novel upon which it was based, was largely seen from Joey's eyes. In his odyssey from child to man, mirroring Shane's cathartic journey from gunfighter to farmhand and back to gunfighter again, we see two separate dramas playing themselves out. They do so against the backdrop of the majestic Teton peaks, and a range war that pits venal cattle barons against primitive farmers trying to eke out a living on Wyoming's hard soil. Aubrey Malone analyses every aspect of this groundbreaking film in the present book. It draws on a multiplicity of sources, many of them rare. He studies the day-to-day events of the shoot as well as the symbolic import of the film in a book that's as detailed as it's wide-ranging. Copiously illustrated both with stills from the film and candid shots of the stars between takes and off the set, this is the definitive study of Hollywood's definitive western.
